When God's son was begotten, He was an individual unique person and love was the Father imparting that uniqueness and individuality and life that was in Himself to His Son. When God gave His Spirit, it was a third person in His own right and unique and capable of Himself to communicate and express Himself to millions of people at one time. God gave of His divinity and that uniqueness of God is seen in humanity's diversity. God created us to be unique and free. Liberty of conscience is a stand for that free expression of who we were destined to be in Christ. Only through the light of Bible revelation can we really understand and picture the world around us which is otherwise a haze with its many delusions and God has given us His foresight to peer into the future.

The basis for true interpretations of prophecy for there are many, is the gospel in relation to God's law, that which is written by God's own finger and the only thing written in the Bible by God Himself- the law of God by which every individual is judged for eternal life. The standard for the judgement that a man or woman may enter into eternal life is a practical change in the life that springs from the desire of the heart to be one with God. His law is a signature of His recreation of the mind in the hearts of men and women.

As we peer into the throne of God there stands the ark of the covenant in the throne of God. A covenant that God can make with mankind to restore fallen man into the image of His Son.

In Daniel chapter 2 Daniel a young Jewish prince exiled in the Babylonians King's palace is given the interpretation of the Babylonians King's dream which he could not recall but troubled him. In the image of man, the world history is given right down to the end of time and the setting up of the kingdom of Christ.

Daniel explains the dream Daniel 2:38 Thou art this head of Gold.

The prophet experiences several visions in which this the outline of human history continues to be expanded upon. The proceeding visions uses amalgamated animals as representatives of the kingdoms as

outlined in Daniel 2 focusing on the little horn that comes up from the fourth beast which has iron teeth and brass finger nails. It really is given in simple format and there it is at a glance a summary of world

history. This is leading us to and describing the last world power of Rome. From Rome would evolve this church- the church of Rome or the little horn.

The little horn can easily be identified today since the unsealing of the prophecies of Daniel as the smallest state or county in the world today called the little horn in the prophecies of Daniel.

A combination of the powers seen in Daniel 7 the mouth of the lion, the feet of the bear, the body of the leopard and the horns of the fourth beast are pictured as one beast that arises

from the sea in

Revelation chapter 13. It is the beast that starts as Babylon as the head and transformed into the 'Holy Roman empire.' Images from the Nuremberg town hall tell us that the reformed countries of

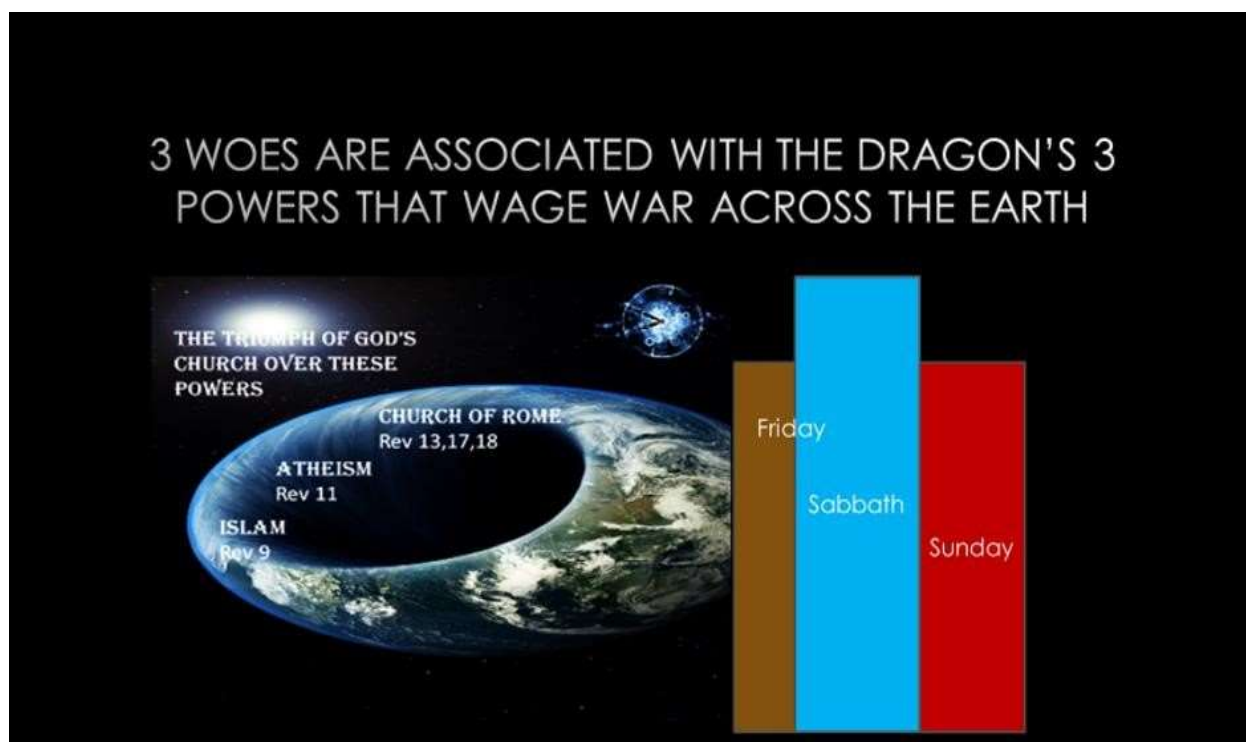

Europe arrived at the identity of the powers here described in the prophecies many years ago. The King Nebuchadnezzar of Babylon followed by Cyrus the Great of Medo-Persia, Alexander the Great of Greece and Julius Cesar of Rome and from Rome the Little Horn or the Church of Rome.

Revelation 13 And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy.² And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority.

If we truly have the right outline of prophecy, we should be able to read the world events with reference to all that we are seeing in the world around us at this time and it will make perfect sense. We should also be able to use Daniel & Revelation as open books and our guide to those things of significance in world history & news.

What a wonderful opportunity teachers and educators have to teach young people modern history. In its real context it became a fascinating study.

In Daniel we have the focus on one beast that transforms itself into Rome. This is against taken up in the book of Revelation and is described as one of the beasts that ascend from the bottomless pit. However, this is one of three beasts described in Revelation.

In understanding Revelation which describes three beasts that ascend from the bottomless pit, we come to an understanding that outlines the current conflicts in the world today, describing our modern world conflicts and outlining the chain of events we can expect right up to the end of this world's history.

I always had some accurate concept about life and the world we live in as I attended lectures on prophecy as a child. I believed America would one day move to restrict religious liberty according to Bible prophecy and wondered what that day would turn out to be. The information age and the work of certain individuals such as Binney and Snowden and many others, has really turn things around to be able to uncover the world scene as it really is. This help us prepare for 'The work of the people of God is to prepare for the events of the future, which will soon come upon them with blinding force.'

We find the chapters of Revelation divided by good and evil, God's work and the work of Satan and the beasts. It is the full exposure of these truths that would open people's eye and set them free.

Here is a description of events taking place all around us as outlined in Revelation 13 and are coming to fast fulfilment. The prophecies are spiritual and political in nature but we are not to be participants in

the world's political activities but observers and active in God's movements for love and world peace as He has taught and left His testimony of how all should live.

Why the concentration on America? It's the one that prophecy particularly points to. The USA also is the country whose power is because God gave it a special blessing and therefore has a greater duty of care to the world.

Money for clandestine operations

The history of mankind and the nature of who he is, is illustrated in the story of Garden of Eden and the serpent and the tree that man decided to eat from.

It is further illustrated by Adam's first-born Cain killing his brother.

What the Bible gives in a chapter is an overview to a wealth of knowledge for those living at this time but often unseen because they choose to be ignorant of the scriptures. The bible illustrates purity and corruption through two women symbolic of the church and makes this statement concerning one of

these two women. Revelation 18:24 And in her was found the blood of prophets, and of saints, and of all that were slain upon the earth. This directs us to uncover who is behind the confusion found in the world today. As go along this is not an understatement

Rev 13:3 And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast. The US giving aid to Rome.

Bible prophecies are military such as the trumpets of Revelation, political giving us an overview of policies between nations and spiritual, revealing the religious fight for what is real and what are halftruths. The sentences are there to open to us the keys to unfolding a wealth of knowledge.

Wild Bill Donovan was a decorated American national war hero with 2 purple hearts which he received for his bravery in the first world war. In 1945 he received the highest order for a civilian from the Pope – the **Order of Saint Sylvester- the Knight Grand Cross**. His background an Irish Catholic.

"Acts of terrorism will seem to have emanated from our adversaries, and pressure brought to bear on people in whom power is invested at every level.

That will create a feeling of hostility; at the same time we must rise up as defender of the citizenry against the disintegration brought about by terrorism and subversion...."

(Aginter Press)

The Americans had decided it preferable to make alliances with the Nazis after their defeat rather than communist Russia. Their sympathies and 'Christian' background they considered more in line with fascism than Russian communists. Money and resources were to be used to aid stay back units in what was called operation gladio to fight the communists using espionage to prevent Communist progress in Europe. No doubt the Communists were cruel dictators but what of the west and the route it would follow all in the name of freedom and democracy?

The end of WWII perhaps was a time of great prosperity and pleasure in the West but it came at some incredible cost.

Helliwell of the South Eastern division of the newly formed CIA came up with an idea which he presented to Wild Bill the new founding head of the CIA and former OSS leader. Paul Helliwell like Donovan who was a lawyer, was an attorney and banker. Helliwell set up the Civil Air Transport and the castle bank Bahamas for whom he was counsel as well as setting up 'black gold' accounts. Helliwell headed the OSS before Wild Bill replaced this senior position and he was "deeply involved" in financing covert actions. When in China Helliwell had aided **Chiang Kai-shek** who was general of the Chinese National Army. **Chiang Kai-shek** sold cocaine to drug addicts to aid his war against the communists and Helliwell supplied shipments of Cocaine to the Chinese general. Paul Helliwell received a medal for his OSS service in China. E. Howard Hunt was a young recruit for the OSS during Helliwell's command in china who was to later come to notoriety for his memoirs of Guatemala, the Bay of pigs and "Watergate".

Helliwell ("snake oil salesman") met with Donovan and Dulles (Allen Dulles was a American diplomat and lawyer of the Swiss OSS division during WWII who attended the Catholic Princeton university and would head up the CIA as the longest serving director until his resignation) said why don't we do what

It is interesting to note where a person is educated and the result of such for war or peace. It would appear that man becomes almost mindless and demoralized by some forms of university

education.

Chiang Kai-shek did in China in their fight against the Chinese; we can sell heroin to the black communities in America, introducing it into the jazz clubs where marijuana is already prevalent. By this the CIA would have money for their clandestine or special ops without accountability to the

American tax payers. These operations conducted on foreign soil was to be paid for by illicit drug money. The money was to fund an invisible army. Luke 11:52 Woe unto you, lawyers! Could we say lawyers played a significant role in many wars and political activities of today?

Morphine was produced in Germany and because of its addiction, heroin was produced. The snake oil man would likely have a glass of heroin amongst his medicines. Drug companies once touted morphine and heroin which came with hypodermic needle, for all types of physical and mental ailments ranging from alcohol withdrawal to cancer, depression, sluggishness, coughs,

colds, tuberculosis and even old age.

Civil Air Transport was once a Nationalist Chinese airline, could be used on a round trip in which arms were dropped off in Burma and drugs loaded onto the plane. Opium and Their operations including the Chinese civil war, the Vietnam war, the Korean war to name a few.

What can we see from this? Drugs a cruse of the western world were used to fund terrorist activities that were not labeled as such because it was founded in the US. Zechariah 5:8 And he said, This [is] wickedness. 'Jesus is always ready to help free people from evil,' says Pope Francis. Did the service men of the Second World really die for this sort of outcome?

The CIA is a very elite organisation of people related to news outlets, bankers, oil barrens and legal firms with people like the Rockefellers, Carnegie, DuPont, and wall street businessmen. The CIA earnt itself the names like “Catholic Intelligence Agency” and “Catholics In Action” with a high number of Catholics who have served as the agency directors. The CIA established a Vatican desk in 1950 and was paying 20 million a year to the Pope without the American people’s knowledge. It is formed for the elimination of American sovereignty and for the formation of One World Government under Rome’s control. Rome realises the USA is one of the most significant components to the New World Order.

‘Donovan already had extensive contacts within the Church. He was friendly with Cardinal Francis Spellman of New York, a dedicated anti-communist. Cardinal Spellman acted as Donovan’s liaison to other Catholics, including an apostolic delegate in Washington who promised intelligence reports from Catholic diplomats in Europe and Japan. Donovan also worked with a Belgian Dominican priest, Fr Felix Morlion, to set up a separate Catholic espionage operation in Europe called Pro Deo. The OSS shut down in 1945, but US intelligence and the Catholic Church remained strongly connected. The United States is a country in which – with the recent exception of the Supreme Court – Catholics have never dominated the highest offices. Only one out of 44 US Presidents has been Catholic. The first and

only Catholic Vice President is the current one, Joe Biden. Before John Kerry, the last Catholic Secretary of State was Alexander

Haig, who left the post in 1982. Catholics are a rarity in other top positions such as Secretary of Defence. By contrast, three out of the last five CIA directors have been Catholic: Michael Hayden, Leon Panetta, and the current director, John Brennan. Looking back, a number of Catholics led the agency in critical periods during the Cold War. (There were no Catholic directors in the 1990s.)

Some of the most influential directors in CIA history have been Catholic – men such as Walter Bedell Smith, John McCone, William Colby and William Casey. They were not just casual Catholics. They were devout Mass-goers – in many cases, members of groups like the Knights of Malta.’ Why Catholics thrive in the CIA Robert Vargas May 5, 2016

(Heroin was the only drug the CIA was handling, also cocaine in south America in countries like Bolivia in the early 1970s, laundered through Vatican holding companies in Panama and the Bahamas.)

Mussolini: ‘Fascism is a religion.’ The twentieth century will be known in history as the century of Fascism.

Mussolini made a deal with the Vatican for votes in exchange for money and self-autonomy with the Papacy in 1929 but in 1945 he was executed and communism was threatening Italy. For the Pope it was too close to home for Italy to fall into the communists’ hands. understanding
that part of

Revelation which describes the beasts that ascends from the bottomless pit is to understand an outline of our modern world conflicts and the chain of events we can expect right up to the end of this world's history and predict with accuracy. Each beast is clearly identified but one is identified more than the others (in fact 7 times by the same time period besides many other identification marks to make us sit up and take notice) as found in the first chapter of Revelation¹³ and in the latter half of Revelation 13 is a second beast with lamb-like horns that gives power to the first beast. Herein we talk about the union of the two beasts of Revelation 13 and how they come to be a worldwide dominating force and yet few in the world have an understanding of this hidden history in its right perspective. However, this is nothing new, but the outline given for me to following is from over 100 years of prophetic interpretation by a worldwide church of a

commandment keeping people. People need to know to what world they have been brought into and the nature of who they are and to what they are called to become. There are too many casualties in the world today. John 17:14,15 I have given them thy word; and the world hath hated them, but I pray not that you should take them out of the world, but that you keep them from the world's evil. The idea here is not to collect every piece of evidence about a post-World War II events as many others have done that research or provided information that has been hidden. Rather it is to direct the reader to the overall picture of who behind the puzzle. The reality is there is so much Donovan in 1945 when the CIA was in its infancy to discuss Operation Gladio and so it was agreed to allow CIA funds to be taken through the Vatican bank. Gladio appropriately stood for the name of the Roman soldier's short sword used in battle. It is really representative of Rome after the deadly healing of the wound as a fulfilment of Revelation 13:3. Gladio was stay back units after the second world war that included German War criminals that was used as fighting militia to stop communist advance in Europe funded by the American victors and supported by the church of Rome. This means the Vatican would run its political mission through an American alliance. Remember how in recent times there was scandal at the bank but the detail remained a bit fuzzy when it came to reports. Cell groups under Operation Gladio became terrorist organizations that would carry out clandestine operations and blame it on left wing communist and socialist regimes. False flag terrorist operations would mark post second war history.

Zechariah 5:10 Then said I to the angel that talked with me, Whither do these bear the ephah? 5:11 And he said unto me, To build it an house in the land of Shinar: and it shall be established, and set there upon her own base.

Shinar meaning 'Babylonia which represented the seat of false religion or a false measure.' The teachings of the world have been influenced by her doctrine, commerce, espionage and wars. The woman with her wickedness and idolatry is removed from the Holy Land to Babylon.

To distribute the drugs a network was needed and the mafia the obvious choice using the Priests to transfer money through to the Vatican bank. It is interesting to note the start of the Vatican bank was in 1942. The amount of money run through the bank because of the billions in drug money required many banks such as the **Castle Bank & Trust** in Miami and Cayman Islands though Helliwell and the Nugan Bank in Australia. The CIA were wealth men as bankers and lawyers.

The Vatican being its own sovereign state and working in its own particular fashion was a perfect way to hide the CIA financial sources, well for a time anyway. Lucky Luciano of the mafia who had been active in the giving information to the allies in the war was the man to head up this line of work.

Lucky Luciano of Mafia fame, was employed by the CIA for heroin and other drug distribution to fund clandestine operations

The following article has this to say concerning The Institute for the Works of Religion or the Vatican Bank:

"World War II also played a huge role in the creation of the Vatican Bank, as well as the unique power it held. As the Allies imposed restrictions on bank accounts, it became harder to move money around. Nogara created the bank,

called the Institute for Religious Works, in 1942 to avoid having financial transactions tracked through Western Banks Because it resided in Vatican City, it was exempt from all wartime restrictions and became "the world's best offshore bank." The craziest financial schemes that the Vatican Bank tried to cover up. STEPHANIE YANG FEB 28, 2015

The Vatican plays all sides as it did in the war, escalating wars, ever developing its power with the winning side until as in Revelation 18 we see the woman representing the church having ultimate control.

The CIA had a seat at the Vatican and used its bank for its purposes and kept highly classified US military documents including nuclear in its care which was revealed in 2007 in holocaust law suit- Alperin vs Vatican Bank. Underneath the pine cone courtyard is the Vatican library and a nuclear shelter.

Pine Cone Courtyard

An extension of the Vatican library was dug beneath the Pine Cone Courtyard. Inaugurated by John Paul II in 1980, it is veritable anti-nuclear bunker build entirely in reinforced concrete on two floors. All together, the extension measures 31,000 square meters and contains no fewer than 43 kilometers of shelves.

CIA operative says the American people are the primary target audience of its lies.

Ralph McGehee former CIA man retired with CIA recommendations in 1977 tells us something of the nature of the beast. **'The CIA is not now nor has it ever been a central intelligence agency.'** It is the covert action arm of the President's foreign policy advisers. In that capacity it overthrows or supports foreign governments while reporting "intelligence" justifying those activities. It shapes

its intelligence, even in such critical areas as Soviet nuclear weapon capability, to support presidential policy. **Disinformation is a large part of its covert action responsibility**, and the American people are the primary target audience of its lies.’ Inside the Company: CIA diary published in 1974 the US government. **Us government took** court action to censor the book prior to publication.

The little horn a focus of Daniel & Revelations prophecies

In Daniel the Papacy is described as the ‘little horn’ and because it is the smallest state or country on earth it requires the power of another country to fight its wars. This power became simply obviously after the book of Daniel was unsealed in 1843- 1844 and the Vatican was given back its estate in 1929 fulfilling the prophecies of Revelation 13:3 and 17:8,11. In Revelation 13 the Bible shows us that the two beasts together because of the alliance the Papacy makes with the beast with lamb-like horns describing the USA with its Protestant beginnings, bring the end scenario of sanctions leading to a time when one shall not be able to buy and sell unless they receive . Revelation 13 is a chapter describing the actions of two beasts- one from the sea with water representing nations and peoples Revelation 17:15, having all the attributes of the Beasts found in Daniel 7 to describe the Papacy and the second beast from the earth having lamb-like horns but speaking as a dragon to describe the USA as it takes to itself the same mind set as the Papacy. It is in this context that the Papacy becomes powerful, for its power is restored through his alliance with Protestant America.

Revelation 13:4 Who [is] like unto the beast? who is able to make war with him? Who really is behind the deep state of the USA today? There is no other beast like this religious political body. Others nations fight the Papacy’s wars spending their money on arms while she profits from the strength of other nations leading to that nation’s eventual destruction like in the French revolution.

A prophetic time line was given for the Papal beast and is mentioned 7 times to denote its importance. The timeline does not indicate the time of its absolute rule as some have inaccurately stated but from its infancy when its autonomy was first given her till the autonomy was taken away by Napoleon as shown in the illustration.

Vatican II

Vatican II was a big event with '2,000 and 2,500 bishops and thousands of observers, auditors, sisters, laymen and laywomen to four sessions at St. Peter's Basilica between 1962 and 1965.' The most significant event of last century was probably Vatican II where the Pope and the Jesuits delivered a model on which to go forward for world domination. This was always the aim of the church but within the church especially the Jesuits, the church's military arm. Many traditional Catholics are upset with the direction of the present Pope saying he is not a Pope but all he is doing is delivering the Vatican II model to the church and to the world with the aim of world domination.

"The attacks against Pope Francis in the church today" are "a fight between those who want the church dreamed of by the Second Vatican Council and those who do not want this," Arturo Sosa, the Superior General of the Jesuits, stated at the Foreign Press Association in Rome on Sept. 16 2019.

In the councils John Courtney Murray a Jesuit priest focused on religious freedom and the democratic modern state in the document '*Dignitatis humanae*' developed from St John XXIII encyclical '*Peace on Earth*', the aim of course was at the western countries

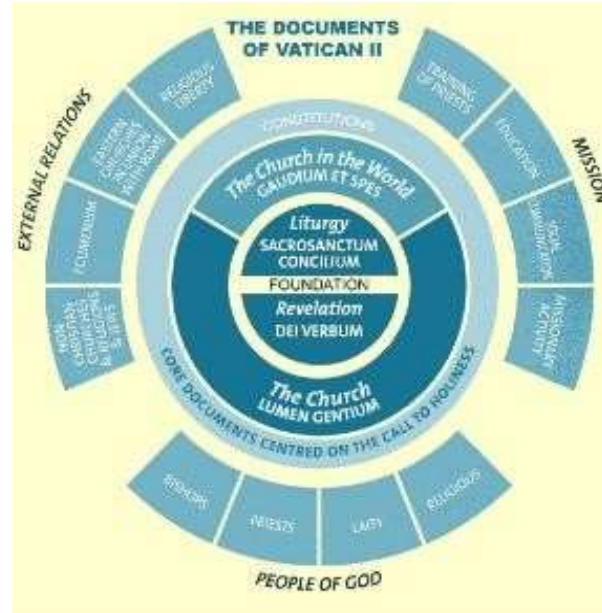

particularly the United States because of its constitution based on religious liberty and separation of church and state. The Vatican had fought the USA government since its foundation which is based on separation of church and state, for it hated religious liberty in its true sense. In typical fashion the Vatican presents religious liberty for the faith through the legislation for the church by the state and this is what drove the inquisition. It is interesting to note that Murray constructed the interfaith 1943 declaration of world peace after the second world war. Murray also promoted a close constitutional arrangement between the restored German state and the church with tax being directed to its institutions.

So, in 2019 what are these two leaders Greta and Trump delivering? Papal encyclicals!

In Vatican II there was also the call for missionaries, interfaith dialog to strengthen relationships with other faiths. Pope Francis calls 'proselytizing a grievous sin' but why does he get away with that non sense? Because he has captured the hearts of men to make something unrational seems reasonable.

Someone has neatly outlined Vatican II with external relations noted on the upper left-hand side as religious liberty, eastern churches relation with Rome, ecumenism, non-religious churches & cults.

Drugs & Psychological warfare

Operation MK-ULTRA ‘Funded in part by the Rockefeller and Ford foundations, research includes propaganda, brainwashing, public relations, advertising, hypnosis, and other forms of suggestion.’

MK-ULTRA is a continuation of what began in Japanese and Nazi concentration camps hiring some of the same enemy vivisectionists (surgery conducted on a living animal for experimental purposes) and torturers with detention centres in Japan, Germany and the Philippines. MK-ULTRA in other words is that which started as ‘operation paperclip’. The CIA began mind experiments in 1953 led by Dr. Sidney Gottlieb known as the "Black Sorcerer" which continued till **1973**. Gottlieb bought up all the LSD supplies and brought them to the US for CIA experimentation thus

leading to the LSD culture of the 60s. He ‘wanted to create a way to seize control of people's minds, and he realized it was a two-part processFirst, you had to blast away the existing mind. Second, you had

to find a way to insert a new mind into that resulting void. We didn't get too far on number two, but he did a lot of work on number one." Gottlieb would see how much LSD he could feed a man until he lost his mind. In a meeting with CIA agents Gottlieb spiked the leading agents drinks including Frank Olsen's drink **with LSD** which lead to his death several days later. "The most efficient accident, in simple assassination, is a fall of 75 feet or more onto a hard surface."

Many years later Olen's death would result in the investigation 1975 and exposure of MK Ultra at the highest levels of government and the shutting down of the program however the work of Gottlieb would continue. Olsen was a bacteriologist whose work included using aerosolized anthrax. Other biological toxins developed under Gottlieb include tularemia, brucellosis,, smallpox, tuberculosis and equine encephalis.

Many Seventh day Adventist were also experimented on during this period as willing participants and conscientious objectors in 'Operation whitecoat'.

Hypnosis, torture and electric shock treatment together with drugs such as LSD, psilocybin, mescaline, cocaine, AMT and DMT were used on expendable prisoners overseas for mind control, information gathering and phycological torture. Hospitals, prisons and universities were used for unsuspecting US citizens to research conditions such as schizophrenia using drug experimentation.

Gottlieb devised many ways to use biological toxins for assassination including Castro, Abdul Karim Kassem of Iraq, Patrice Lumumba of the Congo.

Psychic driving was a procedure funded by the CIA in the 1950s and 1960s through Dr Cameron in Canada, using continuously repeated audio message to alter their behaviour. At the same time, they were administered muscular paralytic drugs or LSD and Electroconvulsive therapy (ECT). The intention was to breakdown the subject's personality.

Fort Detrick Maryland pictured right, where many of the CIA experimentation took place including biologicals weapon experimentation. The Biological Weapons

Convention (BWC) negotiated in the United Nations' a disarmament forum starting in 1969, entered into force on March 26, 1975.

In 2019 Fort Detrick, the National Center for Medical Intelligence of the CIA was closed for 6 months just prior to the coronavirus outbreak. The outbreak of coronavirus that stopped the world had amazing timing to what people had been warning as an expected great depression. Now Fort Detrick is leading the race to find a vaccine for coronavirus which a few have suggested as the source of the outbreak however this is unconfirmed.

Building 470 or "the Tower", or "Anthrax Tower" was demolished in 2003. Just seven days after the terrorist attacks of September 11, 2001, letters were sent with deadly anthrax spores to media companies and congressional offices killing 5 people when inhaling anthrax from the letters they opened and 22 others were infected. It was considered an inside job because of the Ames strain of anthrax used. Bruce E. Ivins was named as a suspect, a top biodefense researcher but committed suicide in 2008 without there being full circumstantial evidence but all fingers were directed at Fort Detrick since the time of the attacks. Fort Detrick, Maryland, is the clearing ground for classified information and analysis related to the coronavirus outbreak. Pandemic simulations have been held over a number of years. In October 2019, May 2018, January 2015, and June 2001.

"People who intentionally spread the coronavirus could face criminal charges under federal terrorism laws...Because Coronavirus appears to meet the statutory definition of a 'biological agent'... such acts potentially could implicate the Nation's terrorism-related statutes," Attorney General Jeffrey Rosen

"Unlike anthrax or smallpox, influenza is available, it can be aerosolised, the incubation period is short and inoculation doesn't protect you during this time...Moreover, if an epidemic starts, it may look natural because flu happens every year.....mortality due to influenza in the USA alone is much more than previously estimated—probably 90 000 annually rather than the reported 20 000— once the effect on the heart is taken into account". Sep 1, 2003 will influenza be the next bioweapon? Marilyn Larkin

What general principles and specific things can we learn from this •

Satan has his agents that work by the principal the end justifies the means and is an organization of stealth

- The drug culture of the West was the result of CIA activity •
- Don't volunteer for drugs experiments as you don't know who is really behind it
- Biological weapons are easily manufactured even though there is a signed agreement amongst the United Nations as evident with the 2001 anthrax incident.
- That continued development of these weapons comes under the guise of research and working for the common good
- The CIA has learnt from the past and works with greater

efficiency in covering its tracks

"I saw that the powers of earth are now being shaken and that events come in order. War, and rumors of war, sword, famine, and pestilence are first to shake the ... then the voice of God will shake the sun, moon, and stars, and this earth also."

"Satan is exercising his power. He sweeps away the ripening harvest, and famine and distress follow. He imparts to the air a deadly taint, and thousands perish by the pestilence."

Notice this says events come in order. Man is inspired by Satan; war, destruction by sword and explosives and then famine and pestilence. So where do we see this? Everyone has reported on the Ebola virus starting in Sierra Leone and then spreading into Liberia and how the United Nations and US were racing for a vaccine. The real

problem is not the viruses hidden in the jungle and as man clears the jungle and people become contaminated as the news has reported but it is nature, that is God's way of dealing with filth. A civil war since the 1990s with Cannibalism, boy soldiers fighting and killing and on heroin, sewerage in the streets, no basic hygiene with faeces on the beach and sewerage flowing in the street. Here we have images of young girls with their limbs hacked off from the civil war in Sierra

Leon. The cause of the problem is the war to control the diamond mines from multinationals such as Britain and others in a country with poverty in which companies exploit a country and give nothing back in return.

Guatemala coup

“By the 1950s and the 1960s the *CIA gave economic support to many activities promoted by the Catholic church from orphanages to missions. Millions of dollars each year were given to a great number of Bishops and Monsignors.* One of them was Cardinal Giovanni Battista Montini (who became Pope Paul VI)” David Yallop, *In God’s name: An investigation into the murder of Pope John Paul I* 1984. P108

The strongest ally for the American in its fight against socialist regimes is the Catholic church. The CIA contacted Cardinal Spellman for their psychological war against Árbenz in Guatemala. Juan Jacobo Árbenz Guzmán known as Árbenz was a Guatemalan military officer who was the second democratically elected President of Guatemala from 1951 to 1954 until the US decided otherwise.

“We Marxists will have to fight side by side in central America with Marxists who do not believe in God In order to reform a new social society .. a pure central American model” The Jesuits by Malachi Martin p19. This become an important statement in light of the changing world with the Papacy planning to install a Marxist worldwide system under the name of inclusive capitalism. We see it in full swing of change since the coronavirus crisis. In 1953 Allan Dulles the agencies director recruits E Howard Hunt as the propaganda chief to oust

Ardenz. “We got the ok from cardinal Spellman to go ahead with this and I wouldn’t presume to trace the lines of authority within the catholic church. How they get the information that they do. I have always said in an admiring way the Jesuits formed the greatest intelligence service in the world and always have.” The Jesuit strategy of tension is to create war between opposing sides and come in as the peace maker. ‘There was no crime too great

for them to commit, no deception too base for them to practice, no disguise too difficult for them to assume.'

The engineering of consent is the very essence of the democratic process, the freedom to persuade and suggest. – (Edward L. Bernays, "The Engineering of Consent", 1947)

Edward Bernays' (American Austrian) work including books with the titles: *Crystallizing Public Opinion* (1923) and *Propaganda* (1928) helped define how business was conducted and war was also to be conducted by engineering the American public's consent. Working for United Fruit at over \$100,000 per annum, it became in Bernay's interest to advise them to pressure the government and petition congress. Bernays cited the Munroe doctrine as a reason for intervention. The Monroe doctrine was an ideal the US keep up until WWII in terms of multilateralism and non-intervention unless there was threat to the homeland and was named after President Munroe. However, like most things this came to be reinterpreted along the way as today the US constitution is under reinterpretation which is the very essence of US favor in God's eye. (Now why would I say that about this country only and not others. This is the birth place of a commandment keeping people, a commandment keeping church- Sabbath keepers- the Seventh day Adventist Church. John 14:21-23 He that hath my commandments, and keepeth them, he it is that loveth me: and he that loveth me shall be loved of my Father, and I will love him, and will manifest myself to him.²³ Jesus answered and said unto him, If a man love me, he will keep my words: and my Father will love him, and we will come unto him, and make our abode with him. Revelation 22: ¹⁴ Blessed are they that do his commandments, that they may have right to the tree of life, and may enter in through the gates into the city.)

Bernays also used media contacts to influence what would develop into the Guatemalan coupe. Another point of interest was he publicized his uncle Freud's ideas with his own, organizing at one time the publication of Freud's work in the US.

The reinterpretation of the Munroe doctrine from its original intent changed with WWII from isolationist to interference thus allowing itself to be an instrument of Rome with the forming of the CIA which never should have existed, headed by Rome's knights and in collusion by finance and intelligence exchange.

'Shortly, the public will be unable to reason or think for themselves. They'll only be able to parrot the information they've been given on the previous night's news.' **Zbigniew Brzezinski**

“The theory of mind controlling mind was originated by Satan to introduce himself as the chief worker, to put human philosophy where divine philosophy should be. Of all the errors that are finding acceptance among professedly Christian people, none is a more dangerous deception, none more certain to separate man from God, than is this. Innocent though it may appear, if exercised upon patients, it will tend to their destruction, not to their restoration. It opens a door through which Satan will enter to take possession both of the mind that is given up to be controlled by another and of the mind that controls.”--MH 243 (1905).

Bernays: "If you can influence the leaders, either with or without their conscious cooperation, you automatically influence the group which they sway." **"In his 1965 autobiography, Bernays recalls a dinner at his home in 1933 where**

Karl von Weigand, foreign correspondent of the Hearst newspapers, an old hand at interpreting Europe and just returned from Germany, was telling us about Goebbels and his propaganda plans to consolidate Nazi power. Goebbels had shown Weigand his propaganda library, the best Weigand had ever seen.

Goebbels, said Weigand, was using my book *Crystallizing Public Opinion* as a basis for his destructive campaign against the Jews of Germany. This shocked me. ... Obviously the attack on the

Jews of Germany was no emotional outburst of the Nazis, but a deliberate, planned campaign.” When Lucifer appears is it in a well-dressed business suit and a silver tongue?

‘They took our nuclear capability and transformed it into the most horrible weapon that the world had ever witnessed. And we’re seeing an atomic moment of computer science... Its reach is unlimited... but its safeguards are not! It’s through the use of new platforms and algorithms that are built on and around these capabilities that they are able to shift our behavior. In some cases, they are able to predict our decisions and also nudge them to different outcomes. And now these institutions, which are both commercial and governmental... have structuralized and entrenched it to where it has become now the most effective means of social control in the history of our species.’ Edward Snowden

‘Shortly, the public will be unable to reason or think for themselves. They'll only be able to parrot the information they've been given on the previous night's news.’ **Zbigniew Brzezinski**

1 timothy 4:16 Take heed unto thyself, and unto the doctrine; continue in them: for in doing this thou shalt both save thyself, and them that hear thee. The teaching that we hold are important for our salvation. God lead His people and then gave His son as an example of how to behave, how to worship and what day to worship on so that none may have an excuse yet still we just don’t get it! The ideology of the US was being turned around to become what we know it- the military industrial complex. A war animal that never stops that incites its own ideas and will.

Several hundred records were released by the CIA on May 23, 1997 on its involvement in the 1954 coup in Guatemala. They reflected Truman Administration feeling on the government of Arbenz government, elected in 1950, would continue a process of socio- economic reforms that the CIA disdainfully refers to in its memoranda as "an intensely nationalistic program of progress colored by the touchy, anti-foreign inferiority complex of the 'Banana Republic.'" "CIA and IC reports tended to support the view that Guatemala and the Arbenz regime were rapidly falling under the sway of communism. DCI Walter Bedell Smith...believed the situation called for action. Their assessment was that without help, the Guatemalan opposition would remain inept, disorganized and inefficient. **The anti-Communist elements -- the Catholic hierarchy, landowners, business interests, the railway workers union, university students and the Army were prepared to prevent a Communist accession to power, but they had little outside support.”]**

Operation PBSUCCESS was launched by the US using ‘sabotage, defection, penetration, and propaganda efforts” to topple the Guatemalan government and military

Árbenz was the second democratically elected president so it was not a communist but a democratically elected country

Americans had control of agriculture through united food company in Guatemala to sell to America and Europe. Árbenz's land reform was to nationalize land for the poor and this included land held by the united food company an American company

The US also had almost total Control of Guatemala's railways and telecommunications

The anti-socialist elements -- the Catholic hierarchy, landowners, business interests, the railway workers union, university students and the Army were prepared to prevent a 'Communist accession to power.'

The US must get the American people on side to justify their involvement therefore the US Government sanctioned a fake media set up and to make false allegations of Guatemalan communist ties. The US government set up a false media Centre to spread its communist assertions through to the public media outlets and media reporters were directed to those with anti-government sentiments

From Honduras the US dispatched a small band of mercenaries and when this failed the CIA sent in their own planes and men to bomb the capital

Roman Church after being sanctioned by Cardinal Spellman used its intelligence to call the people to rise up. Mario Casariego y Acevedo a Spanish Cardinal of the Catholic Church supported the new regime after Árbenz, serving as Archbishop of Guatemala City from 1964 until his death, and was elevated to the cardinalate in 1969 and had to travel with two armed motor guards alongside his vehicle. Hundreds of laymen and priests unsuccessfully petitioned his resignation.

There is an uprising amongst the military. President Nixon is shown fake evidence of communist material at the overthrow. Investigations by USA showed that this operation flawed and done in purely American interests.

'After the campaign, the CIA sent a handful of agents to Guatemala in order to gather and analyse government documents that would, amongst other things, find evidence that would support the CIA's belief that Guatemala was a rising Soviet puppet state, in an operation that was known as **Operation PBHISTORY**. Despite amassing well over 150,000 pages, they found very little to substantiate the key premise of the invasion.

From that time for the next 30 years the country was plagued with fascists leaders who were American puppets. The peasants lost their land rights and peasants were slaughtered and political opponents tortured. Suspected insurgents were tortured by various means such as stabbed, burnt alive, strangled. People were slaughtered by the thousands so much so at one time it was hard to keep up to the burying. Between the years of 1954 when Arbenz resigned till 1990, 'more than 100,000 civilians were murdered by the successive military regimes.'

Hoover report 1954 says this "It is clear that we are facing an implacable enemy whose avowed object is world domination. There are no rules in such a game. Hitherto accepted norms of human conduct do not apply. If the United States is to survive longstanding concepts of fair play must be reconsidered. We must learn to subvert, sabotage and destroy our enemies by more clever, more sophisticated, more effective methods than those used against us." What does this sound like? It was a fundamental principle of the (Jesuit) order that the end justifies the means. By this code, lying, theft, perjury, assassination, were not only pardonable but commendable, when they served the interests of the church. Under various disguises the Jesuits worked their way into offices of State, climbing up to be the counselors of kings, and shaping the policy of nations.

Who is that enemy to which they refer? The Communist regimes. In Revelation 10 we have one of three powers that rise from the bottomless pit of war and confusion. How do we know this? Communism was a result of the French revolution when the people rose against the abuse of the papacy and is identified by a time line and the appearance is of an nonentity and also by its description as attacking God's two prophetic witnesses the Old and New Testament. The strategies of the Jesuits meant that "The Jesuits alone flourished in the decaying nation, and ruled with dreadful tyranny over churches and schools, the prisons and the galleys." {GC88 279.1} The importance in understanding this is outlined in this statement: "At the same time anarchy is seeking to sweep away all law, not only divine, but human. The centralizing of wealth and power; the vast combinations for the enriching of the few at the expense of the many; the combinations of the poorer classes for the defense of their interests and claims; the spirit of unrest, of riot and bloodshed; the world-wide dissemination of the same teachings that led to the French Revolution--all are tending to involve the whole world in a struggle similar to that which convulsed France. {Ed 228.2}

It is Islam and communism that gives way from corrupt Christianity or is a product of catholicism. In the war against communism described here since WWII, communism is defeated giving rise to two

dominate world powers. Communism rose as the church declined as also God's church came out from under the shadows of the Jesuit inquisition and the dark ages. Islam and apostate Christianity which had previously ruled for many centuries. However, the final battle is between the King of the North Vatican and king of the South Islam.

When God was on Israel's defense here was nothing like this- lying, murder, stealing but rather this was the abomination of the nation as all around her. The USA has a greater responsibility for purity because of the opportunities and great light of the gospel that has shone on her path. Zechariah 5:1 Then I

turned, and lifted up mine eyes, and looked, and behold a flying roll. 5:2 And he said unto me, What seest thou? And I answered, I see a flying roll; the length thereof [is] twenty cubits, and the breadth thereof ten cubits. 5:3

Then said he unto me, This [is] the curse that goeth forth over the face of the whole earth: for every one that stealeth shall be cut off [as] on this side

according to it; and every one that sweareth shall be cut off [as] on that side according to it. 5:4 I will bring it forth, saith the LORD of hosts, and it shall enter into the house of the thief, and into the house of him that sweareth falsely by my name: and it shall remain in the midst of his house, and shall consume it with the timber thereof and the stones thereof. 'Lying cheating and stealing reminds you of the glory of the American experiment.' Says Mike Pompeo three 3 year into his appointment as secretary of State for the Trump administration. As CIA director he attended regular Bible studies, as secretary of state he hosted the first worldwide conference on religious freedom, and made faith apart of his first major speech as secretary of State and says he keeps a Bible open on his desk to remind him of God and His word! These words do not reflect the pledge of allegiance or the foundation of American Christian ideals.

God will shake the nations and it will shake some to reality with coming judgments because of the absolute immorality. The judgments come as weather calamities not just for destroying the planet only but for wickedness of men. Job 38:22 Hast thou entered into the treasures of the snow? or hast thou seen the treasures of the hail,

38:23 Which I have reserved against the time of trouble, against the day of battle and war?

For the wickedness of the cities and for the sake of the children, “The Lord calls for His people to locate away from the cities, for in such an hour as ye think not, fire and brimstone will be rained from heaven upon these cities. Proportionate to their sins will be their visitation. When one city is destroyed, let not our people regard this matter as a light affair, and think that they may, if favorable opportunity offers, build themselves homes in that same destroyed city. . . .” {LDE 95.3}

Manuel Artime an example of Jesuit espionage

U.S. President John F. Kennedy, October 24, 1963 “I believe that there is no country in the world including any and all the countries under colonial domination, where economic colonization, humiliation and exploitation were worse than in Cuba, in part owing to my country’s policies during the Batista regime. I approved the proclamation which Fidel Castro made in the Sierra Maestra, when he justifiably called for justice and especially yearned to rid Cuba of corruption. I will even go further: to some extent it is as though Batista was the incarnation of a number of sins on the part of the United States. Now we shall have to pay for those sins. In the matter of the Batista regime, I am in agreement with the first Cuban revolutionaries. That is perfectly clear.” —

Attorney Fidel Castro and his brother Raúl meet in Mexico City Shortly after the U.S.-backed coup in Guatemala, to plan the overthrow of the “U.S. puppet” Batista.

“It is clear that counterterror became the strategy of the Batista government. It has been estimated by some that as many as 20,000 civilians were killed.”

“At the beginning of 1959 United States companies owned about 40 percent of the Cuban sugar lands - almost all the cattle ranches - 90 percent of the mines and mineral concessions - 80 percent of the utilities - practically all the oil industry - and supplied two-thirds of Cuba's imports. ”

“Fulgencio Batista murdered 20,000 Cubans in seven years ... and he turned Democratic Cuba into a complete police state - destroying every individual liberty. Yet our aid to his regime, and the ineptness of our policies, enabled Batista to invoke the name of the United States in support of his reign of terror.

Administration spokesmen publicly praised Batista - hailed him as a staunch ally and a good friend - at a time when Batista was murdering thousands, destroying the last vestiges of freedom, and stealing hundreds of

millions of dollars from the Cuban people, and we failed to press for free elections.” A telephone made of pure gold is one of the many gifts from the Americans to Batista who flees with family to the US.

Manuel Artime code name **AMBIDDY-1**, was the nephew of popular Cuban poet José Ángel Bueza, and was raised as a devout Catholic by Jesuits. In 1957 he became a **member of the Radical Liberation Party (PLR), a Christian democratic group**. He graduated as a doctor and planned to become a psychiatrist.

Artime was involved with Castro in the guerrilla wars alongside Castro for the removal of Batista in 1957 who flees to the US and Castro forms government. Manuel Artime fell out with Castro as the government turned communist and with his resignation from the revolutionary army which is put on the front page of the newspaper, he seeks asylum in the Havana Jesuit college. A CIA plane picks him up and takes him back to the US. In Florida he is involved with the CIA (E Howard Hunt) in recruiting and organizing Cuban exiles; a 'Christian catholic cell group to return to Cuba to assassinate Castro. Artime is the overall leader and part of a special group of trained CIA operatives associated with the infamous the Bay of Pigs and is caught while in hiding and at a later time released from prison and sent back to Miami where a photo is shown of him saluting next to president Kennedy. His records show an extravagant lifestyle (he buys his mistress a house in 1964 for \$85,000) and what the CIA considered problems with women for which they had some concern-

Patron being the former mistress of Batista and also of the former mistress of Venezuelan President, Marcos Perez Jimenez. He died at the age of 45 some say in unusual circumstances. Can you imagine the money that is being poured out on such covert cooperation such as this?

The amazing thing is that Pope Francis meets with Castro near the end of His life. Now a Jesuit Pope has found a resolution to the American Cuban conflict remembering the attempted assassination on Castro's life was from a Jesuit trained operative.

"I thanked the Pope for what he did," Castro told reporters as he left the Vatican, adding he was *"really impressed by his wisdom and his modesty."* *"When the pope goes to Cuba in September, I promise to go to all his masses, and with satisfaction... If the Pope continues this way, I will go back to praying and go back to the church, and I'm not joking,"* the Cuban leader said, *AP reported.* Now back to the beginning Castro was Jesuit trained! Of course, the whole situation in relations between the US and Cuba reversed with Donald Trump's presidency. During his time Castro was visited by three popes, Pope John Paul II, Francis and Benedict XVI.

While former President Obama proceeded to restore ties with Cuba thanks to the intermediary work of Pope Francis, obviously the evangelicals were not so thrilled. The following statement by President Trump was made at the Manuel Arttime theater in Miami. 'President Donald J. Trump announced a change to U.S. Cuba policy in a speech in Miami on Friday, criticizing his predecessor's policy toward the communist country. "I am cancelling the last administration's completely one-sided deal with Cuba," Trump said."

Addressing veterans from the 'Bay of Pigs' war in Cuba John Bolton called Nicaragua, Venezuela and Cuba "the troika of tyranny" with restriction of travel to these counties by US citizens. The aim is to bring economic sanctions against Cuba. There is never an apology for past interferences in these smaller countries like we have seen with that recognition through native title or straight forward pleasant negotiations between leadership which an unfortunate legacy for Protestant America.

Cocaine in a drink to the expulsion of an elected Chilean President. 9-11 is a very ominous day. September 11, 1973 was the day of the American coup of Chile and so far, reaching were US activities in other nations as to lead to another monumental day 28 years later. Richard Nixon, then president of the United states received a personal call from

Donald Kendall, Chairman of Pepsi Co. Nixon who had formerly served the company as its corporate attorney so Kendall arranged for the owner of the company's Chilean bottling operation to meet with the then National Security Adviser Henry Kissinger on September 15, 1970. That same day, Nixon called in his CIA chief, Richard Helms, and, according to Helms's handwritten notes, ordered the CIA to prevent Allende's inauguration as president of Chile who had been democratically elected.

September 11, 1973 also marks the day Allende committed suicide during which his Army Commander rebelled, and became President. The sum of \$10,000,000 was given to Pinochet to overthrow the government

In 2000 just before the US 9-11 documents were released of "CIA Activities in Chile" which revealed CIA supported the overthrow of Allende and made many of Pinochet's officers into paid contacts of the CIA or US military. "He (Pinochet) shut down parliament, suffocated political life, banned trade unions, and made Chile his sultanate. His government disappeared 3,000 opponents, arrested 30,000 (torturing thousands of them) ... Pinochet's name will forever be linked to torture and the Caravan of Death. Those is opposition to the elected president in Chile were the land owners, financial institutions, the far right and the catholic church. Pinochet continued as a despot for many years until 1987 when a visit from John Paul II to Pinochet opened the country up to democratic elections. "I received a letter from Pinochet in which he told me that, as a Catholic, he had listened to my words, he had accepted them, and he had decided to

begin the process to change the leadership of his country' says John Paul II. 'By October of the following year, Pinochet organized a plebiscite asking the Chilean people if they wanted Pinochet to extend his rule by another eight years or if they wanted a return to civilian rule. They chose the latter option.'

Argentina's dirty wars

'Kissinger took a similar line as he had toward Chile when the Argentine military, led by Jorge Videla, toppled the democratic government of Isabel Perón in 1976.' Kissinger urged Videla to move against the government before the U.S. Congress reconvened. Argentina's coup of 24 March 1976- 83 has the reputation of the most vicious coup equal only to that of the dreadful deeds of the Nazis.

At that time of the dirty wars, Pope Francis was then head of the Jesuits in Argentina. He was part of Gladio and is the only Pope to have war crime charges held against his name and the only ever Jesuit Pope- John L Williams Journalist and consultant to FBI. Some questioned Bergoglio's relationship to the Argentina war crimes at his appointment as Pope but this was short lived.

This was condoned under the Ford, Carter and Reagan administrations. The US ambassador to Argentina reported to Kissinger that there would be 'a fair amount of repression, probably a good deal of blood.' To which Kissinger replied 'yes that's in our interest.' Archbishop of Parana, Adolfo Tortolo gave his blessing to the coup. Vicar for the army, Bishop Victorio Boamin, said the campaign was the defense of morality, human dignity and to defend God... Therefore, I pray for divine protection over this 'Dirty War' in which we are engaged.' Amongst deeds of horror, thousands were taken by plane and dropped from the sky both dead and alive. But perhaps it was worse on the ground. People were tortured by electrocution with probes attached to people genitals both male and female, which would cause people to loss their bowl motions and other body functions under what could only be described as the work of Satan.

At that time Pope Francis then was head of the Jesuits in that country. He is the only Pope to have war crime charges held against his name but Argentine authorities were unable to prosecute him due to his high ranking in the church. The laws of this catholic country allow senior church officials such as Cardinal Jorge Mario Bergoglio to request exemption from trial.

This coup involved anti-Jewish sentiment with synagogues, businesses and shops bombed. The death of Jesuits under his charge brought him under suspicion. Of course, a Jesuit in charge of any country has a good idea and involvement in political movements around him.

Christian von Wernich sent to jail

‘Catholic priest Christian von Wernich was found guilty of complicity in 7 homicides, 42 kidnappings, and 32 instances of torture, and sentenced to life imprisonment in 2007.’

Venezuelan President, Dead at 58

That was the news in March 2013. “Hugo Chávez, the Venezuelan president famous for anti-American rhetoric, **died** Tuesday. He referred to the United States as “a bad person,” “an assassin,” and “a violent invader.” He wondered aloud whether the United States was **responsible for a spate of cancer diagnoses** among Latin American leftists. Perhaps most famously, Chávez called George W. Bush the devil and claimed the U.S.

president **left a sulfur smell** around the U.N. speakers’ podium. What did the United States do to make Hugo Chávez so mad?” This article from Brian Palmer an American journalist says it was because he hated free trade.

The idea of the Americans giving cancer to the South American presidents and causing weather manipulation as spoken of by Chavez, was reported as absurd by the main stream journalists of the West. On top of that Chávez said that the earthquake in Haiti was caused by the Americans from what he had been told by Russian intelligence sources.

Notice “However in a secret US cable published online by WikiLeaks, former ambassador to Venezuela, William Brownfield, outlines a comprehensive plan to infiltrate and destabilize former President Hugo Chavez’ government.

Dispatched in November of 2006 by Brownfield — now an Assistant Secretary of State — the document outlined his embassy’s five core objectives in Venezuela since 2004, which included: “*penetrating Chavez’ political base,*” “*dividing Chavismo,*” “*protecting vital US business*” and “*isolating Chavez internationally.*”

This has become typical of USA dealings with other countries that don’t submit to their democratic advances. “Few in the west realize that extreme poverty has been cut drastically and unemployment has been halved so that no more than 7% of the population is out of work” by the leadership of Hugo Chávez

1992 coup attempt

“WikiLeaks cables have revealed that Catholic bishops played a key role in 2002’s abortive military coup in Venezuela....”

Among the latest revelations to emerge from WikiLeaks is that, in 2002, as plotters in Venezuela’s capital Caracas were liaising with the US authorities about the conspiracy to topple President Hugo Chávez, the leaders of the Catholic church in that country were defying the instruction of Pope John Paul II to desist from having anything to do with the coup d’état. Instead they threw their lot in with Pedro Carmona, the extremist right-wing businessman, who took office for less than 48 hours during a brief military coup in April 2002.” The Guardian July 2011

We see that the Pope is ever the middle man while his priests undertake HIS work. Again, in this country as so many times before the Church is in league with the CIA and where possible using its civil arm for religious turned political wars.

The 24-hour coup of Hugo Chávez was a protest of the people against the American lead coup because of the way his leadership had provided for the publics needs from their national oil interests which brought him quickly back to office. When a priest thought to hand him his resignation papers, he told the priest that he better be going because he was back in office. ‘The proven **oil reserves in Venezuela** are recognized as the largest in the world, totalling 297 billion barrels’ as of 2014. The petrol companies of the US have already divided the spoils and it’s just a matter of time till they have their industries under US control. The 2019 coup looked certain to succeed with oil cheap and inflation and food prices out of control.

The IMF controls countries and God forbid if a country follows a different route.

“The free market has transformed the countries of the south into bazaars filled with imported trinkets most people see but not touch.....In Venezuela’s supermarkets I have seen little plastic bags of water from Scotland to drink with your whiskey. In Central America’s cities, where rocks sweat bullets, I have seen fur stoles on fancy ladies. In Peru, I’ve seen German electric floor waxers for homes with dirty floor and have no electricity; in Brazil, plastic palm trees bought in Miami.” P395

Now Chávez is gone the country is facing real problems between President Nicolás Maduro and US sanctions. In the Bible the USA is described as having lamb-like horns but speaks as a dragon. Although this is principally to do with God’s people who keep His law, the measures that so called ‘Christian leaders’ take against their fellow man reveals to whom is their master.

For the person lost in the sea of events in Venezuela where food and just existing is an issue they want a change no matter what just so they can live. President Nicolás Maduro no doubt may have many faults in the leadership of Venezuela but what is the US and UN’s justification and how will it meet the tribunal of God?

In a typical round of events the CIA, the church and in that country the Jesuit general would be shaping the outcome of the country. Juan Guaidó the un-elected self-proclaimed president was trained at the Washington university. George Washington’s main Foggy Bottom Campus is located in the heart of Washington, D.C., **where the International Monetary Fund and the World Bank located.**

“The US sanctions are illegal under international law because they were not endorsed by the UN Security Council, Mr de Zayas, an expert on international law and a former senior lawyer with the UN High Commissioner for Human Rights, said. “Sanctions kill,” he told *The Independent*, adding that they fall most heavily on the poorest

people in society, demonstrably cause death through food and medicine shortages, lead to violations of human rights and are aimed at coercing economic change in a “sister democracy”.

The International Criminal Court investigate economic sanctions against Venezuela as possible crimes against humanity under Article 7 of the Rome Statute."

See how this always works and notably under those that say they hold a Christian banner whether it is Protestant America or the Church of Rome. They undermine the country and then call for justice and after everything falls apart, they are involved in humanitarian aid and at the same time installing their own business interests in that country.

Spellman's "war for civilization" in Asia

Jesuits were the first missionaries into Vietnam to present 'Christianity.' While the Jesuits revived Christianity in the counter reformation throughout Europe they had little success in Asia. President Ngô Đình **Diệm** was a member of the Catholic Vietnamese minority while Buddhism was a majority. Spellman described the Vietnam was as one "war for civilization" and "Christ's war against the Vietcong and the people of North Vietnam."

Buddhists were severely treated and discriminated against and this followed with hundreds of Monks protesting in the streets followed by the Graphic burning of a Buddhist monk Thích Quang Duc setting himself alit as protest to the persecution by the minority Catholic government supported by the USA. This image shocked the world and would eventually lead to the assassination of the Ngô Đình **Diệm**.

When the flow of drugs was compromised war erupted.

The gulf of Tonkin was a false flag

operation in which 1.3 million people were killed in the

'Holy War' because of a lie.

Around one million northerners, mainly minority Catholics, fled south, fearing persecution by the communists, following an American propaganda campaign using slogans such as "The Virgin Mary is heading south", and aided by a U.S. funded \$93 million relocation program, which included ferrying refugees with the Seventh Fleet.

- It is estimated that as many as two million more Northerners would have left had they not been stopped by the Viet Minh. The northern, mainly Catholic refugees were meant to give Diem a strong anti-communist constituency. Diem later went on to staff his administration's key posts mostly with northern and central Catholics.
- Vietnam is known as a drug war and one of great controversy. Saigon was overflowing with drugs and it is said that 30% of servicemen were heroin addicts. Saigon was renamed Ho Chi Minh City after revolutionary leader Hồ Chí Minh and is a one-party communist state today after the protracted war.
- Operation Popeye was the first time that the Americans used weather manipulation in warfare to expend the monsoonal season against the Vietcong. This is an important basic point to understand in the global warming debate- what they were considering and playing with so long ago. Today they have much more sophisticated means.
- The ground in Vietnam was bombed and napalmed like nothing seen before in history. Monsanto the chemical giant has always been part of military strategy and responsible for the crimes in this country.
- The New York Times reminds us of the pollution of the Vietnam war as 'an eight-year smuggling conspiracy brought heroin into the United States inside the bodies of soldiers killed in Vietnam.' What an insult to the people of America. What a filthy war!
"Heroin is known to be bought in kilogram lots in Thailand for \$1,700, smuggled into the United States sewn into the bodies of war victims and then sold for up to \$20,000 a kilogram, the authorities testified yesterday."

- As we now know the CIA were using drugs for their clandestine campaigns and heroin being the third most valuable commodity in the world, was a valuable commodity to protect. Military planes and CIA clearances could easily bring large amounts of drugs into many countries. So today we have the authorities looking for people hooked on heroin or smuggling through borders which was initially and still is funnelled through CIA activity. “Federal agents told of an abortive raid on a military transport plane at Andrews Air Force Base outside Washington last Monday in which the bodies of war victims were searched for smuggled drugs.” December 17, 1972, on Page 21 of the New York edition with the headline: DRUG FEARED SENT IN BODIES OF G.I.'S.
- Heroin was not just like picking a poppy but a complicated process in which great care had to be taken and volatile at certain points of the process. “The Corsican mafia gained mastery of this process through years of working amongst the Cambodian, Laotian and Vietnamese technicians in French Indochina.” Operation Gladio by P. Williams p54
- The church committee congressional hearing in 1975 led by Senator Frank Church found that the NSA’s project MINARET targeted civil rights leaders, journalists and senators by interception of phone calls including prominent U.S. journalists and athletes who criticized the Vietnam War.
- Revelation 13:10 He that leadeth into captivity shall go into captivity: he that killeth with the sword must be killed with the sword....Gladio! 13:11 And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon.
- Republicanism and Protestantism. These principles are the secret of the USA’s power and prosperity as a nation. Those who first found an asylum on the shores of America rejoiced that they had reached a country free from the arrogant claims of popery and the tyranny of kingly rule. They determined to establish a government upon the broad foundation of civil and religious freedom.
- The US has become instrumental in Vatican wars and the fact so concealed that most would never realize it. It has become one of the seven heads of the beast of Revelation 17.

Who is like unto the
beast? Who is able to
make war with him?
Revelation 13:5

US President Donald Trump has praised China’s use of the death penalty

for drug smugglers and even appeared to suggest that capital punishment might be a good way to “end the drug problem” in the US. The point being that the US special services is responsible for the drug culture that has plagued the West. Unfortunately, there is be a price to pay somewhere down the line.

‘The Constitutional Coup,’ that ended Australian independence

Australia has always been considered America’s close ally but it will also mean our downfall but it’s not just us its America’s people too.

When a change in Australian government sprouts nationalistic ideals for industry and threatens Pine Gap and Nurrungar, questioning the sovereignty of American bases on Australian soil, the US sort to change the government. A labor Prime Minister also meant that troops would be withdrawn from Vietnam. ‘He (Whitlam) believed that a foreign power should not control his country’s resources and dictate its economic and foreign policies. He proposed to “buy back the farm”When his ministers publicly condemned the US bombing of Vietnam as “corrupt and barbaric”, a CIA station officer in Saigon said: “We were told the Australians might as well be regarded as North Vietnamese collaborators.” Gaudian John Pilger 23rd October 2014. America decided that newly elected Prime Minister had to go.

Pine gap and Nurrungar were strategic bases for the cold war intelligence, the Vietnam war and pinpointing targets for bombing Cambodia and also in the Persian Gulf wars which also resulted in a disaster that killed 18 Americans and over 100 injuries. Pine gap is today in the hands of the NSA.

The prime reason for Whitlam’s dismissal is the importance of its surveillance to US interests at the

time of SALT agreements between the US and USSR.

In early 1974, Marshall Green of the East Asia division of the CIA spoke to the Australian Institute of Directors with a speech intended to cause incitement against the Australian Government. Green told Australian business leaders they "could expect help from the United States, which would be similar to the help given to South America." One big thank you America!!

Sir John Kerr- Governor General using his own authority under the Queen of England sacked the Prime Minister. During the Second World War he had been working for an Australian intelligence organization, associated with the OSS. Former Prime Minister Paul Keating words for John Kerr was he was a person of substance but in the end that substance has to be followed with integrity and He had witnessed his deception of the Prime Minister, the person who had appointed him to the position and went down in history by many as a despised man. 'The Americans turned to "our man Kerr," as the CIA called him. Kerr had a long history of association with the CIA going back to its WWII predecessor, the OSS, and various CIA fronts like the Asia Foundation and the Australian Association for Cultural Freedom. "All this was on the record," writes Pilger'

CIA/ triad activities in Australia- The Nugan Hand Bank, an Australian merchant bank that collapsed in 1980 after the suicide of the one of the cofounders- Australian lawyer Francis John

Nugan. The bank's links were to the CIA and the TRIAD and there were some pretty shady money transactions going down. The Nugan Hand Bank was an employer of many retired CIA agents and heavily involved in narcotics trafficking. 'The bank cultivated corrupt Australian politicians, Sydney crime syndicate, a fraternity of ex-CIA arms dealers, and the U.S. Central Intelligence Agency.'

Nugan's death was suspicious which raised media attention with two gunshot wounds found on Nugan's body. It was Michael Jon Hand who was in the US military as a green beret who made associations with Murray Riley, a corrupt police officer to then start transferring money into the Nugan Hand's Hong Kong branch. Having dismissed the Whitlam government under an American led coup the Prime Minister Frazer found the Nugan Bank scandal on his watch. Former

Prime Ministers Gough Whitlam and Malcolm Frazer once opponents and on opposite political parties came to be friends in their latter years and viewed foreign affairs in a similar light. **Ex- Prime Minister Frazer had very pointed comments and concerns about Australia's future and sovereignty in relation to the US as we head into the future.**

Australia like most countries of the west has a high drug problem and has we can see we need not thank the CIA for their corrupt contributions in what they would call their national interest.

Now what of Australia today? High land and house prices pay for an economy that is in debt and everything privatized. We are high in resources and have the third largest gold deposits in the world but to where are the profits going? Both sides of politics – liberal and labour are Jesuit trained according to several newspaper articles written around the time of the Tony

Abbott government. The Jesuits influx into politics occurred during the time of the 10 year reign of the Howard government. Tony Abbott was getting his advice from Cardinal Pell how to run the country. Many people consider the Jesuits intelligent men but question the poor quality of leadership in Australia. I would say to you that Jesuit trained men are not intelligent in admirable qualities but in the snakes and ladder games of the world that instil their own theories and practices for their own gain and we see the results with rich and poor, sending in the way of most western countries to a poor globalist future.

“Tony Abbott, Bill Shorten and Barnaby Joyce, as well as Joe Hockey and

Christopher Pyne, were educated at elite private high schools run by the Society of Jesus, or the Jesuits – the same Catholic order to which the recently appointed Pope Francis belongs. The representation of Jesuit-educated politicians in the Australian political scene is disproportionately high,

Jesuit trained Australian Politicians is not a conspiracy theory but reality. Abbott the ex-Prime Minister is appropriately named. Abbott was often found getting his advice from Cardinal Pell.

us

given that there are only four such schools, all male only, in the country. Even Malcolm Turnbull was apparently received into the Catholic faith by a Jesuit priest.”

Of course, the conviction of Cardinal Pell was an interesting turn of events. The Vatican Bank being in trouble, Pope Francis promotes cardinal Pell to oversee financial affairs knowing of the previous turmoil in which Pell is seen to be complacent in Paedophilia amongst priests under Pell’s leadership. The resignation of Pope Benedict was most likely to do with dealing with these looming issues. To many people’s surprise Pell is also convicted, hitting worldwide news but with a media ban in Australia.

But at the end of the day Pell is released by overturning the decision of the jury for his conviction by the High court in April 2019. **‘Today, the High Court granted special leave to appeal against a decision of the Court of Appeal of the Supreme Court of Victoria and unanimously allowed the appeal.’** A supreme court judge, jury and some of the best lawyers and barristers were present at the original court proceedings and conviction of cardinal Pell in 2019. However, an unprecedented move the decision was overturned by a panel of supreme court judges. They failed to uphold the original court decision.

Matthew 18:5 And whoso shall receive one such little child in my name receiveth me. 18:6 But whoso shall offend one of these little ones which believe in me, it were better for him that a millstone were hanged about his neck, and [that] he were drowned in the depth of the sea.

18:7 Woe unto the world because of offences! for it

must needs be that offences come; but woe to that man by whom the offence cometh!

Cardinal Pell under arrest for Paedophilia

In democratically elected countries control is through money lent to that country from the international money fund or the world bank which tells elected leaders to privatize companies and how many migrants it must take. In Britain Brexit was in opposition to this fact.

“What do the Prime Minister, the prospective leader of the Labor Party and the Deputy Leader of the Nationals have in common with the Pope?

Cold blooded war in Europe

Gladio started in 1945 and was a war on communism by the collusion of the CIA, NATO. organised crime, radical Muslim and the Church of Rome. Hundreds of covert stay behind units throughout Europe had to be funded so they funded them through drug money.

Here are a few examples which by no means underscore the extent of their operations. The Piazza Fontana Bombing occurred December 1969 when a bomb exploded at the headquarters of National Agrarian Bank in Piazza Fontana 200 metres from the *Duomo* in Milan, Italy, killing 17 people and wounding 88. Three more bombs were detonated in Rome and Milan, and another was found unexploded.

May 1972 an anonymous phone call to the police leads to an investigation of an abandoned car in the Italian forest in Peteano which was booby trapped killing 3 police men. Felice Casson a young Italian judge found that the explosives used were not just any explosives but linked to NATO. This was found after discovering around one hundred underground arsenals. The investigations led to finding the secret service and NATO involved in the bombings that had been blamed on the communist party. In 1990 Felice finds documents from the secret service confirming a stay behind army and the judge has the Prime Minister announce the stay behind army Gladio to the Italian parliament. Innocent men were killed to get public opinion against the communist party, a signature of the many terrorist attacks across Europe before terrorism became part of our common language.

In 1972 bombs was placed in a trash can at the east end of the Piazza della Loggia killing 8 and injuring 102.

1980, bombs are left at the Bologna train station killing 85 with over 200 injured. Eventually the massacre is traced to right wing terrorist that was blamed on the communists.

1981 in Munich a massacre killed 13 and wounded 213.

Between 15000 false flag attack by the CIA were blamed on the communists.

In 1985 Belgium innocent families including girls around 9 and 14 with parents were shot at point blank after three terrorist fired shots indiscriminately into a shopping mall. 28 were killed and many injured. Those responsible 'stay behind SDRA8, the Belgium. Gendarmerie SDRA6, the Belgium right wing group WNP and the pentagon secret service DIA.' This is the calibre of high-ranking NATO military who again were behind

assassinations, torture and terrorist attacks along with CIA. American special forces would parachute into Belgium and raid an arms depot and stage a terrorist attack.

Would such people stage a 9-11 or worldwide coronavirus coup?

1969- 1987 15000 false flag attack by the CIA were blamed on the communists.

From Italy across Europe to turkey the terrorism from CIA NATO activities was extensive in coups assassinations, shootings of innocent people carried and directed by people without a souls and to the most part running errands for CIA and ultimately the war for Rome.

Ustashe in Europe

'Fear of war is separable from human rights and a free will.'

'The ideology of the movement was a blend of fascism, Roman Catholicism and Croatian.' Between 1929 and 1945 the Ustashe murdered hundreds of thousands of Serbs, Jews, and Romanians as well as political dissidents in Yugoslavia during World War II. According to Phayer, "at the end of the war, the leaders of the Ustasha movement, including its clerical supporters such as Bishop Šarić, fled the country, taking gold looted from massacred Jews and Serbs with them to Rome." Franciscan monks had aided the movement of Nazi war criminals through these countries after WWII. And the American had used some of the Ustashe war criminals for the CIA.

KLA was a jihadist terrorist group that the CIA and with the help of both al-Qaida and the United States, formed an army of 30,000 with sophisticated weaponry, including anti-tank rocket launchers, mortars,

recoilless rifles and anti-aircraft machine guns. They conducted attacks on Serbian special-forces police units. The 'Racak Massacre' of Jan. 15, 1999, when the bodies of 45 Albanians were discovered in a gully within the village of Racak."

Milosevic insisted the bodies had been placed there by the KLA to implicate the Serbs and justify Western intervention.

In the war in Kosovo Germany was allowed to carry out military campaigns with NATO for the first time since WWII with the encouragement of the US. So, Germany revisited the country it had waged war against in WWII so to speak. Today Germany is the biggest arms dealer in Europe since 2011. The Balkans have strategic importance to the US in a continent not of its own and to the Russians being on its doorstep and arms are building again in Serbia with interests both sides and with Serbia now a NATO member.

'Flying 37,465 missions, destroying 400 Serbian artillery positions, 270 armored personnel carriers, 150 tanks, 100 planes, killing 10,000 Serbian soldiers and causing 1.4 million Kosovars to flee for their lives.' No surprise that Tony Blair also joined forces with Bill Clinton in this campaign.

The reason for the intervention was mass genocide of the Muslim population and the US had come as the saviour but in Rwanda it didn't matter.

In the Kosovo war there were no American casualties as bombs from a high altitude rained down on the civilian population which was meant to be aimed at military installations.

Experimental bombs were used to cut power and cluster bombs which other countries deemed evil. The bombing of a civilian train with about 60 casualties. Despite

the first hit the attack continues. The train attack was 'unfortunate' but unavoidable says Wesley Clark.

Today after all that bloodshed, Serbia having had thousands of tons of bombs dropped on targets from one end of Serbia to the other, the Western Balkans is the strongest military power, with Albania a distant second. Kosovo is home to Camp Bondsteel, one of the largest air bases in Europe today.

The same pretext as in other interventions- no social/ communist remnants were to remain from what was Yugoslavia. The Jesuits who lost their presence in the Balkans since communist rule, have 'made a full

recovery since their communism-era losses, maintains regional offices in Albania, Bosnia and Croatia.’ **We expect that the Jesuits will increase their educational, missionary and charity activities in the Balkans, complementing Vatican and EU interests.**

What is left behind after the war is a high Islamic presence central to Europe with the church wanting the American troops to remain to protect the churches from vandalism.

The reason for the war in Kosovo by all accounts of history appears to have been very poorly stated except for an American mission of mercy. Kosovo was hailed as a victory without losing any American lives.

Another example of Clinton administration wars- Waco massacre & torture

Another Bill Clinton legacy was ‘Waco.’ It shows what the American government will do without repercussions when dealing with its citizens. 76

Branch Davidians, 25 innocent children were murdered. WACO ‘The rules of Engagement’ is a totally different documentary to Paramount’s more recent portrayal of events. DeGuerin and Zimmerman, criminal defence attorneys were the only ones that had contact with the Davidians during the siege. Zimmerman a retired military judge had this to say with the investigation that ensued, “The way things are meant to happen in this country is when someone is suspected of a crime even if its child abuse, even if it is capital murder we give them a trial, then the jury finds them guilty beyond reasonable doubt before they go to sentencing, the jury

or the judge sentences them, then the appeals court makes sure the court was conducted with due process and then only then do we kill them!” Evidence to the event went missing or confiscated. The event was blamed on the Davidians as suicide when infrared

footage and audio painted a totally different picture. The events were something from a horror movie as people were burnt alive and an army tank got stuck as it ran over a dead body.

Those trapped in the building were not able to escape the fire and the cyanide gas as they were under rapid fire from machine guns. The narrative was that the Branch Davidians decided to burn themselves up rather than come

out but the infrared footage and recorded broadcast tell us exactly the opposite, that these people including children were killed screaming in agony as died, as they were not allowed to escape by federal agents. It not so much a portray of truth but rather shows the way government agencies deal with their enemies and sanitise murder.

The agonising death of the 25 children in Waco is due to be spasmic death by cyanide poisoning. The cyanide makes the muscles contract so violently that they can break bones.

*The
wall
came
down*

The Wall coming down between East and West Germany is probably one of the greatest symbols of the abolition of communism as a worldwide threat and the alliance of the US and Vatican to see it through. “Reagan and the Pope John Paul II agreed to undertake a clandestine campaign to hasten the dissolution of the communist empire.” June 7, 1982.

While communism was falling fast under Putin Russia would gather strength again much to the dismay of America through promoting the Russian orthodox church with an emphasis in his speeches on traditional Western Christian values. But is a crude form of freedom which is also present in China. The

Russian orthodox church and the catholic church is recognized by the state whereas in 2017 Jehovah Witnesses were outlawed from practicing their religion and persecuted following Russian anti-extremism laws that were extended to non-violent groups in 2007. Of course, we can see the trend of events in the west by Jesuit inspired leaders to follow the same course- it’s only a matter of time.

Under hate speech laws in Australia former Prime Minister Turnbull said “We know that our precious freedoms, our freedom of speech, is the very foundation of the nation.” But such statements though sincere are being made literally under Jesuit inspiration and the meaning is not freedom of speech to speak the truth but to say nothing in a corrupt system design to take individual freedoms which was the underpinning of the West’s and America’s real greatness. This work is the dream of no other than the Vatican to recover world domination.

Dreams of a New World Order

The Jesuits in fact admire communistic ideals rather than democratic ideals which they tolerate and this ideal is now being implemented by a technocracy under

Catholic leadership in Western countries with climate change and technology pulling the strings.

‘The 4 June 1989 elections in Poland where anti-communist candidates won a striking victory sparked off a succession of peaceful anti-communist revolutions in Central and Eastern Europe known as the Revolutions of 1989. Solidarity's example was repeated in various ways by opposition groups throughout the Eastern Bloc, eventually leading to the Eastern Bloc's effective dismantling, and contributing to the collapse of the Soviet Union, in the early 1990s.’ Liberation theology **is a form of Christianity influenced by Marxism and Communism** and is opposed to materialism and is for equal rights for the minority and the poor even if it is immoral rights!

‘In a speech at the Brandenburg Gate commemorating the 750th anniversary of Berlin on June 12,

1987, Ronald Reagan challenged Mikhail Gorbachev, then the General Secretary of the Communist Party of the Soviet Union, to tear down the wall.’ The catholic church and CIA made the day possible with the CIA supplying faxes and communication technology and intelligence support and the church communicating through their congregations and of course their intelligence networks.

Reagan was just the front man actor as was John Paul II—literally both trained as actors, who had become friends through similar circumstance when receiving bullet wounds at attempted assassinations. At the time of John Paul’s injury through the Fatima messages he said that the Virgin Mary had saved his life. It is the Vatican’s intent to win Russia to the ‘immaculate heart of Mary’ following Fatima and Pope John Paul’s vision for the country and for the world. The Fatima messages interpreted Russian as the biggest threat to global peace. But it’s fact the one who sent the message who is the biggest threat to humanity. After John Paul II’s attempted assassination 13th May 1981 (the same year Reagan attempted assassination) John Paul’s thoughts turned to the concealed messages of Fatima. His prayer was to consecrate the world to the Immaculate Heart of Mary which was read in Basilica of Mary Major church in Rome as he was not able to attend. This day marked 1600th anniversary of the First Council of Constantinople and the 1550th anniversary of the

Council of Ephesus. *'Mother of all individuals and peoples, you know all their sufferings and hopes. In your motherly heart you feel all the struggles between good and evil, between light and darkness, that convulse the world: accept the plea which we make in the Holy Spirit directly to your heart, and embrace with the love of the Mother and Handmaid of the Lord those who most await this embrace, and also those whose act of entrustment you too await in a particular way.* Take under your motherly protection the whole human family, which with affectionate love we entrust to you, O Mother. May there dawn for everyone the time of peace and freedom, the time of truth, of justice and of hope"- this is known as the Act of Entrustment.'

Worship Mary- Mary is with us in our struggles, Pope Francis teaches. The worship of Mary is an occult practice." Mary ... has of course already entered, once and for all, into heavenly glory. But this does not mean that she is distant or detached from us," "Rather Mary accompanies us, struggles with us, sustains Christians in their fight against the forces of evil." Said Pope Francis
Daniel 11:37 Neither shall he regard the God of his fathers, nor the desire of women, nor regard any god: for he shall magnify himself above all. 11:38 But in his estate shall he honour the God of forces: and a god whom his fathers knew not shall he honour with gold, and silver, and with precious stones, and pleasant things.

"Ever since the Council of Ephesus, it [sacred art] has pictured Mary as Queen and Empress, seated on a royal throne, adorned with royal emblems, crowned with a diadem, surrounded by Angels and Saints, and dominating not only the forces of nature but also the evil influence of Satan." (E p. 81)

Jeremiah 44:25 Thus saith the LORD of hosts, the God of Israel, saying; Ye and your wives have both spoken with your mouths, and fulfilled with your hand, saying, We will surely perform our vows that we have vowed, to burn incense to the queen of heaven, and to pour out drink offerings unto her: ye will surely accomplish your vows, and surely perform your vows. 44:22 So that the LORD could no longer bear, because of the evil of your doings, [and] because of the abominations which ye have committed; therefore is your land a desolation, and an astonishment, and a curse, without an inhabitant, as at this day. 44:23 Because ye have burned incense, and because ye have sinned against the

LORD, and have not obeyed the voice of the LORD, nor walked in his law, nor in his statutes, nor in his testimonies; therefore this evil is happened unto you, as at this day.

“Acts of God” occurred when Brzezinski’s (US national security advisor) confidant, Cardinal Wojtyla, was elevated to the title of Pope John Paul II. ‘In great secrecy, he [Brzezinski] initiated what historians . . . would see as a major Cold War move, working with the man whose power and influence inside the Holy See were second only to the Pope’s himself. Meet Agostino Cardinal Casaroli, Vatican Secretary of State—a

near-septuagenarian whose manner was mild, even wispy, but whose subtle negotiating skills, a mixture of toughness and tact, had led veteran Curia-watchers to call him “Kissinger in a cassock.” He and Zbig were busy hooking up the Vatican Hotline, that Brzezinski brainchild whose contributions toward Soviet Cold War defeat would be the luckless Deacon’s [Carter’s Secret Service code name] least known achievement.’

Emigration Museum in Gdynia has kept copies of Brzezinski’s letters to the Pope which he donated to the opening of the museum.

Meanwhile America celebrated the end of the USSR and negotiated weapons reduction while still maintaining its arsenal and Gorbachev was sprouting New World Order rhetoric when America was fulfilling its dreams as hegemony.

What Catholicism created by the revolt of the French people against the abuses of the church in the French revolution it would come to defeat and reinvent through its own wars of stealth through post World War II America.

Another form of the surveillance state and fascism was to exhibit itself and it is rising before our eyes in the US today. Some have called it technocracy rising or New World Order but whatever you want to call it understand the chief players behind it are the CIA/ Vatican alliance.

Gary Webb investigative journalist found dead

August 1996, Gary Webb an investigative journalist for the San Jose Mercury News wrote 'dark alliance' 'For the better part of a decade, a San Francisco Bay Area drug ring sold tons of cocaine to the Crips and Bloods street gangs of Los Angeles and funnelled millions in drug profits to a Latin American guerrilla army run by the U.S. Central Intelligence Agency, a Mercury News investigation has found.

This drug network opened the first pipeline between Colombia's cocaine cartels and the black neighbourhoods of Los Angeles, a city now known as the "crack" capital of the world. The cocaine that flooded in helped spark a crack explosion in urban America . . . and provided the cash and connections needed for L.A.'s gangs to buy automatic weapons.'

Gary was found dead in 2004 with two gunshot wounds to his body with a lot of questions being asked about his suicide.

9-11- A Crime against US citizens & democracy

in 'The Security Strategy of the United States of America.' Hegemony

- In "The national Security Strategy of the United States of America" the President outlined American aims come post September 11.
- 'American internationalism to actively work to bring hope of democracy, development, free markets and free trade to every corner of the globe'
- **A grand purpose for a people chosen to extend freedom and democracy**
- 'We must build our defences beyond challenge'
- 'Act preemptively' so as to attack before being attacked
- Unilateral agreements
- See The Boyer Lectures No 2 The taking of Utopia by Owen Harries

The Security strategy of the USA set out what had been determined many years before George Bush made this declaration after 9-11. "The plan is for the United States to rule the world. The overt theme is unilateralism, but it is ultimately a story of domination. It calls for the united states to maintain its overwhelming military

superiority and prevent new rivals from rising up to challenge it on the world stage. It calls for domination over friends and enemies alike. It says not that the United States must be more powerful, or the most powerful, but that it must be absolutely powerful.: p518

Kissinger made a brief appearance to head the commission to investigate 9-11 as appointed by President Bush. The New York times said: 'It is tempting to wonder if the choice of Mr Kissinger is not a clever manure by the White house to contain an investigation it long opposed.' New York Times Nov 2002. When the widows who had pushed for the commission had audience with Kissinger, they questioned him on own business dealing suggesting conflict of interests,

with ties to several organizations and public figures in Saudi Arabia and to Bin Ladin. 'One wonders about

how diligently Kissinger, a long-time friend of the Saudi royal family, just like the Bushes, will pursue these and other matters that step on politically, diplomatically or economically sensitive toes.’ Chicago Tribune Dec 2002. Kissinger soon resigned and the commission reformed.

Philip Zeliko then took on the role as executive director and of course with ties to the Bush administration. As a lawyer he authored the 2002 National Security Strategy (as outlined above) including a new direction for the US in pre-emptive strike- ‘turning military doctrine on its head.’ Zeliko therefore also proved to be in conflict of interest to the role of the commission. If you want to manipulate the scene pay a lawyer many of whom are men without souls. There was no independent investigation into 9-11.

This was a new step up in aggression and direction for the United States with the 2002 National Security Strategy. Revelation 13 tell us the beast with lamblike horns representing its power through Protestantism and Republicanism will have control over the earth by controlling individual’s power to buy and sell and causes fire to come down from heaven in the sight of men. But the Bible gives this warning also. Revelation 13:10 He that leadeth into captivity shall go into captivity: he that killeth with the sword must be killed with the sword. Here is the patience and the faith of the saints.

But what does it tell us in the book ‘Keys of this Blood’ by former Jesuit Malachi Martin? When the US is finished as a nation, Rome shall place its power in Europe. How would he know all this? Has he been studying SDA Bible prophecy? On the contra he knows the aims and ambitions of the Papacy with ‘eyes of man’ considering and speaking great things. To get into a US government position the best way is through a Jesuit school such as Georgetown University or Notre Dame. The Jesuits hold key positions in western governments. The Jesuits own more than 50% of the bank of America as exposed by Karen Hudes former lawyer for the world bank. The Jesuits have placed a ‘strategy of tension’ in society polarizing the western world by religious liberty – a Vatican model which means the opposite of what the US constitution was founded on and liberation theology or in other words minority rights such as native title rights and gay rights and so they play both sides of the fence with the goal of coming out the victor. That US is on a dead-end course and prophecy says the same.

There will be a national apostasy in the *USA*, which will end only in national ruin. --Manuscript 51, 1899.

{Ev 235.1} While the USA has visions of grandeur, Rome figures it is an expendable power, as are all under its sway and will be dispensed with when it no longer serves the purpose. Rome understands that controlling the USA is the key to controlling the world.

9-11 was a pivotal point for the USA to assert world dominance and finish its mission in the middle east. The response to 9/11 was to make a public declaration of that which was previously determined- to show its muscle as the world's bully and world dominating power. There is nothing good in it for the American citizen.

The religious war was brought onto US soil

Statue of Liberty with the surrounding scene of devastation represents a world in which liberty is lost.

Having dealt with socialistic communism the US now turned to the second beast from the bottomless pit, to implement the final strategy for world domination- control in the middle east (the Iraq war). While Rome is steering the beast till it is spent, Rome is the ultimate victor.

"It was strange that the CIA had all left the building before the twin tower attacks. In May 2007, senators from both the Democratic Party and the Republican Party drafted legislation that would openly present an internal CIA investigative report. One of the backers, Senator Ron Wyden stated "The American people have a right to know what the Central Intelligence Agency was doing in those critical months before 9/11.... I am going to bulldog this until the public gets it." The report investigates the responsibilities of individual CIA personnel before and after the 9/11 attacks. The report was completed in 2005, but its details have never been released to the public."

America embraces Augustine principals for 'Just war.' "Christian just war doctrine" was originally developed by Saints Ambrose and Augustine and later refined by Thomas Aquinas and others. Just war doctrine provided a middle road between the pacifism of the early church on the one hand and on the other hand as in the crusades the unrestricted use of force in God's service. Just war standards have come to be worked out in response to four basic questions: (1) Who has the authority to order that force be used? (2) What reasons are necessary and sufficient for such an order? (3) What special, additional

considerations ought to govern the decision to employ force? And (4) what is acceptable conduct, under conditions of armed conflict, in respect both to armed antagonists and to unarmed

bystanders? (See David Little, "Introduction," in David Smock, Religious Perspectives on War, U.S. Institute of Peace Press, 2002).

THE INSTITUTE The United States Institute of Peace is an independent, nonpartisan federal institution created by Congress to promote the prevention, management, and peaceful resolution of international conflicts. Established in 1984... BOARD OF

DIRECTORS Chester A. Crocker (Chairman), James R. Schlesinger

Professor of Strategic Studies, School of Foreign Service, Georgetown University." The crazy thing is the institute of peace is created for justification of war. This doctrine has been taught to the troops in Iraq and it is a Catholic doctrine that through the ages has menaced society. The Jesuits followed the teachings of Thomas Aquinas and without stating the rest of the board we note the chairman is from the Jesuit school Georgetown. While this committee pontificates on the justification of the war in Iraq most sensible people realize that this war was a crime against humanity and was created on a false premise.

Thomas Aquinas (1225–1274) a Dominican monk laid out the conditions for a justified war but were the wars of church and state and the inquisition ever justified? Never, that why this little / beast power is distinguished above his fellows, because of its immoral brutality on God's people and humanity all in God's name. The Dominicans gave the reigns of the inquisition to the Jesuits who followed the philosophies of Thomas Aquinas.

- Just war must be by the authority of the state.
- It must not be for self-gain or for its own power but to restore good • Peace must be a central to its purpose in the midst of violence

Ultimately the question is how can the USA justify its crimes against humanity just like how can the church of Rome likewise justify its crimes against humanity? Are they not modern crusades influence by the Church of Rome?

The policies the US has taken as their God given right since 9-11 have made the nations angry. Revelation 11:18 And the nations were angry, and thy wrath is come, and the time of the dead, that they should be

judged, and that thou shouldest give reward unto thy servants the prophets, and to the saints, and them that fear thy name, small and great; and shouldest destroy them which destroy the earth.

We live in a time just before the total outbreak of war that has been propagated by the 'little horn.' A time of trouble is about to erupt such as never was since there was a nation and Michael shall stand up to judge the earth. Daniel 12:1

"In October 2001, Congress passed the Patriot Act, which granted the administration broad powers to fight terrorism. The Bush administration used these powers to bypass the FISC and directed the NSA to spy directly on alQaeda via a new NSA electronic surveillance program. The NSA is also tasked with the protection of U.S. communications networks and information systems. The NSA relies on a variety of measures to

accomplish its mission, the majority of which are clandestine.'

'In October 2001, President George W. Bush issued Executive Order 13228 — referred to as the Terrorist Surveillance Program (TSP) — that authorized the National Security Administration (NSA) to track communications between individuals abroad and domestic American suspects." Clandestine means usually pretty dubious forms of money raising.

It was not until December 2005 that the existence of the program was exposed by the New York Times.

As you drive through Hawthorn Nevada past a military installation there is a series of signs dedicated to American wars and ending with this dedication to veterans of the global war on terror. 9-11 made the world its battlefield without limitations. **The war on terror is really a war on you.**

9-11 was instrumental for enacting laws worldwide for surveillance which we would never have known about except for whistle-blowers such as William Binney who developed 'thinthread' which after 9-11 was further developed into 'stellar wind' in what is known as *"NSA wiretapping" and "NSA warrantless surveillance. Binney developed thinthread to target individuals involved in terrorist activities. Several weeks before 9-11 the program was terminated. After 9-11 through other associates Binney found the program had been used, changed and expanded to spy on even American citizens. He was outraged by the thought of this anti-constitutional action and blew the whistle on the program and what happened next was early morning he was arrested by a team of FBI agents with a gun pointed his way while in the shower. "*Through

the George W. Bush administration's President's Surveillance Program (PSP). Binney calculates that the facility at Bluffdale, Utah has the capacity to store 100 years of the world's electronic communications. When Binney realized that it was not other countries but US citizens being spied on, he began to speak. The magnitude of the problem is beyond what anyone might ever have imagined. They can target after the fact by keeping private

information on record and build profiles on that person. Stellar wind violated the constitutional law and in 2004 Justice Department officials threatened to resign over the matter. Basically, what Binney is talking about is totalitarian or a fascist state like Germany. Dick Chaney was responsible for changing the surveillance program from targeting an individual to mass surveillance. The metadata includes phone calls of all who you are speaking with which is a violation of the US constitution and basic liberty. This includes recordings of phone calls, the content of email messages, entries on Facebook and the history of any internet user's access to websites – all of which is deemed legal, even though the warrant system was supposed to limit interception to a specified range of targets.

The upgrade to fibre optic helps gather this information. The Five Eyes electronic eavesdropping alliance, comprising of US, UK, Canada, Australia and New Zealand. GCHQ and the NSA are consequently able to access and process vast quantities of communications between entirely innocent people, as well as targeted suspects. Having backed the mujahedeen and other terrorist organization with weapons and cash with training camps even on US soil to fight communism, the terrorist attack comes knocking at America's door. Now according to a recent study, the majority of Americans believe that preserving the rights of US citizens is more important than preventing terrorist attacks. Their liberties and rights that made the US a great country is sold.

People say well I've got nothing to hide! Shall we live comfortably and leave unsaid the corruption in high places until it comes to knock at your door and destroys even those that wanted to have their heads buried in the sand? Because it will come as death and destruction.....

- Inspired by the thoughts of world domination handed to the American from not the American fore-fathers but the Vatican led militia, the US will stop at nothing and by any means until it has achieved world domination. **'Keys of this blood' book by catholic priest and author Malachi Martin --1990**

This highly acclaimed book states on pages 15-16: "Willing or not, ready or not, we are all involved in an all-out, no-holds-barred, three-way global competition. Most of us are not competitors, however, we are the stakes. For the competition is about who will establish the first one-world system of government that has ever existed in the society of nations. **It is about who will hold and wield the dual power of authority** and control over each of us as individuals and over all of us together as a community... "The dual hegemony is the very thing Revelation 13 is describing. Who are the three competitors? They all are given prophetic time periods and ascend out of the bottomless pit as described in the book of Revelation. Apostate Christianity – a dual hegemony between the Vatican and the USA, atheistic communism and Islam.

"The competition is all-out because, now that it has started, there is no way it can be reversed or called off. No holds barred because, once the competition has been decided, the world and all that's in it - our way of life as individuals and as citizens of the nations; our families and our jobs; our trade and commerce and money; our educational systems and our religious and our cultures; even the badges of our national identity, which most of us have always taken for granted - all will have been powerfully and radically altered forever. No one can be exempted from its effects. No sector of our lives will remain untouched." Keys of this Blood by Jesuit Malachi Martin.

This dual hegemony will restrict religious liberty by following the Vatican II model of 'religious liberty.' Revelation 13:15 And he the beast with lamb-like horns (USA) had power to give life unto the image of the beast (a reflection of the beast or Papal power of the dark ages), that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed. Satan has a

thousand masked batteries which will be opened upon the loyal, commandment-keeping people of God to compel them to violate conscience.--Letter 30a, 1892. {LDE 147.3}

'In the long run, global politics are bound to become increasingly uncongenial to the concentration of hegemonic power in the hands of a single state. Hence, America is not only the first, as well as the only, truly global superpower, but it is also likely to be the very last.' **Zbigniew Brzezinski**

9-11-The largest bailout in history?

1 Unaccounted money

A speech by Donald Rumsfeld the day before 9/11 said there was money wasted and a huge lack of accountability for military spending to the tune of 2.3 trillion dollars. The pentagon had undergone its first ever audit in 1996. For the FY (fiscal year) 1999 financial statements, the auditors concluded that \$2.3 trillion

transactions of the \$7.6 trillion entries to the financial statements were "unsupported". By 2015 the amount unaccounted for was 6.5 trillion for the army alone. The Department of Defense Office of Inspector General's study found that Army and Defense Finance and Accounting Service "did not document or support why the Defense Departmental Reporting System . . . removed at least 16,513 of 1.3 million records during Q3 FY 2015. Mark Skidmore, a professor of economics at Michigan State University, found that \$21 trillion in unsupported adjustments for that year. *Trump in his state of the union address took off defense budget restraints made in 2013 with a time of unlimited spending on the military.* No money was ever lost but its accountability has never been fully disclosed. This whole post WWII history is about coverup and unaccountability but presenting a veneer of credibility.

Every minute money that could be spent enriching American lives is spent by the millions on the war machine and its war crimes while the poor go without basic necessities.

2 Economic war

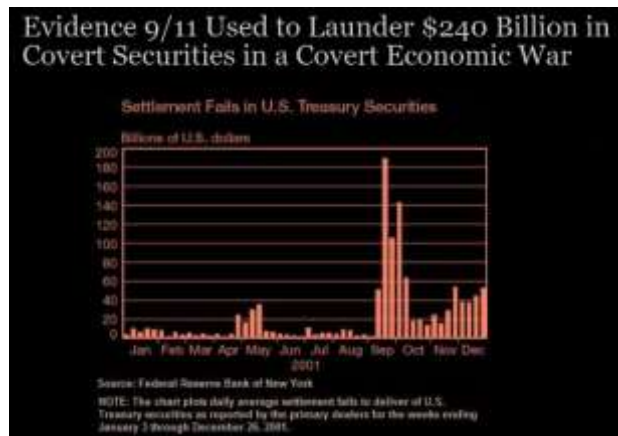

Chart by Federal Reserve Bank of New York

‘There is strong evidence that 9/11 was used to facilitate a great financial crime – the laundering of \$240 billion in covert securities.’ Fred Burks in his statement made in the American Herald Tribune, follows E.P. Heidner’s summary who was a former employee of the DIA Office of Naval Intelligence. His department was investigating the money laundering and was hit by the plane that ran into the pentagon.

In an economic war with the USSR initiated by George H W Bush, it is highly likely that \$240 billion in fake government securities were created out of thin air in 1991 that never had to be accounted for due to the 9/11 attacks. The creation of this wealth was through the federal reserve and the Bank of New York -Remember the Federal Reserve is a private bank owned by The Four Horsemen of Banking (Bank of America, JP Morgan Chase, Citigroup and Wells Fargo) own the Four Horsemen of Oil (Exxon Mobil, Royal Dutch/Shell, BP and Chevron Texaco); in tandem

Gold deposits were said to have been taken from 9-11 buildings. Whatever the situation these criminals were changing worthless paper into assets for themselves

with Deutsche Bank, BNP, Barclays and other European old money behemoths. Also recall that CIA chiefs such as Helliwell and Casey, virtually all of them were lawyers and bankers. The bank security notes had a

It is highly likely that \$240 billion was handled by Greenburg’s company AIG with connections to Bank of New York. Later AIG would be involved in one of the greatest bailouts in history 2008 because of its place in underpinning the rest of the financial sector

10-year life which meant they had to be honoured and cleared or upgraded by September 12 2001- just like writing a cheque which is government backed which had to be honoured. The money was used to buy Russian companies and assets by unsuspecting Americans. This money was also under investigation having no real security but were all electronically cleared in the destruction of the twin towers by the Federal reserve (private corporations) who invoked emergency powers and allowed such clearances over a 15 day period. Cantor Fitzgeralds managed these funds and they were cleared by the Bank of New York. AIG American International Group the largest insurance company in

the world is an insurance group insuring the money market, insurance companies, banks and superannuation in 130 countries. 'The men behind the insurance unit were OSS head William "Wild Bill" Donovan and California-born insurance magnate Cornelius V. Starr.' *The Secret (Insurance) Agent Men* MARK FRITZTIMES STAFF WRITER Los Angeles Times. Of course, insurance holds detailed accounts of assets and so particularly important knowledge in war. Maurice Greenburg took over the company and was given advantage in overseas insurance by the US Government leverage on the company's behalf. He was past chairman, deputy chairman and director of the Federal Reserve Bank of New York. In 1987 Greenburg appointed Kissinger as chairman of AIG's International Advisory Board. Maurice Greenburg's name was nominated for director of the CIA.

3 Insider trading

'This could very well be insider trading at the worst, most horrific, most evil use you've ever seen in your entire life.' Professor Marc Chesney shed light on 9-11 concerning financial fraud and crimes that were never fully investigated. He says that investigation in the financial events such as insider trading has received little attention likely because it could potentially put at risk the careers of financial experts and journalists. "Our empirical findings suggest that periods leading up to certain events such as the takeovers of AIG, Fannie Mae/Freddie Mac, the collapse of Bear Stearns Corporation and public announcements relating to large losses/writedowns are preceded by abnormal trading activities in options. Realized gains amount to several hundreds of millions of dollars." Detecting Abnormal Trading Activities in Option Markets: Marc Chesney University of Zurich and Swiss Finance Institute† Remo Crameri University of Zurich and Swiss Finance Institute‡ Lorian Mancini EPFL and Swiss Finance Institutes, January 22, 2015.

38 companies were suspected of insider trading, United Airlines was number 1, being suspected by security exchange. Kroll was bankrolled by AIG and became a subsidiary and was given the contracts for the twin towers buildings security following the 1993 World Trade Centre bombing.

So, what do we have here? Private companies of bankers & insurance groups, oil companies that run the American economy with some congress oversight but the politicians are financed by big business and the CIA having virtually no oversight of its money laundering and drug trafficking activities.

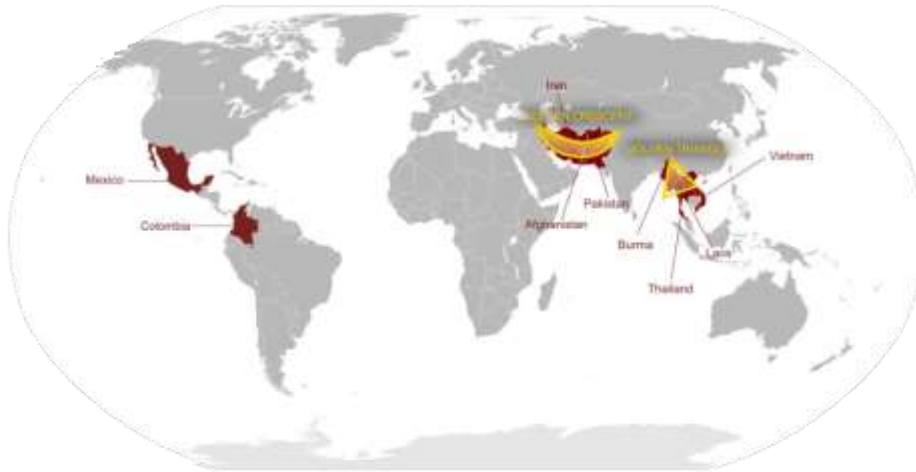

Richard Andrew Grove's story:

Richard Andrew Grove was working with Silverstream Software, a software development company and found that the company had over charged Marsh & McLennan \$7 million dollars. When this was brought to Silverstream's management's attention he was dismissed by Silverstream. Grove was on his way to meet with the staff of Marsh & McLennan to voice his concerns but traffic held him up. Being late saved his life from the 9-11 attacks. All the staff of Marsh & McLennan lost their lives. When a person comes to a near death experience and at the same time being true to others it changes his perceptive on life. There was a reign of evil events that almost cost him his life and so he is going to expose it- he speaks out. And Jesus speaking unto us says, All power is given unto me in heaven and in earth. Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you alway, [even] unto the end of the world. Matthew 28:18-20 And that's a good thing because it is the end of the world

Following the September 11, 2001, attacks, Silverstein may not have been the mastermind behind 9-11 but he profited very well, claiming for 2 sperate terrorist attacks and winning the claim.

Poppy fields

The Russians supported a coup in Afghanistan for communist rule which was fought by the tribal resistance as a communist government came to rule the country. The US armed the Mujahideen who from tribesmen became warlords. The Taliban

(Sunni Islamic fundamentalists) came to Afghanistan in 1996, after the soviets left and the war lords were in control of the country. 'The CIA's secret war against the Soviet occupation of Afghanistan helped transform the Afghani-Pakistani borderlands into a launchpad for the global heroin trade.' Afghan-Pakistan frontier. That region soon became the world's largest heroin producer. By 1984, it supplied a staggering 60% of the US market and 80% of the European. The Afghan fields supply 90% of the world heroin, a multibillion trafficking industry. The Afghanistan Pakistan and Iranian borders was known as the golden crescent.

While Trump does not lead the assault in the drug trade the US does represent the Vatican in its wars that Rome is powerless to perform through the CIA, just as the Rothchild's are the front men for the Vatican banking.

The end justifies the means and so the CIA didn't not mind the arms and drug trade as it fought the soviets. A communist government under Mohammad Taraki sort to eradicate the poppy production and also advocated reforms such as equality for woman's education and prohibited arranged marriages. Resistance was given by the tribesmen led by the warlord **Gulbuddin Hekmatyar** with large amounts of aid from Saudi Arabia, Pakistan and the United States. In September 79 Taraki was killed in a coup organized by the military and Admin was installed who had been trained at Columbia and Wisconsin Universities.

Faith has survived against all the forces of evil says Binladin.

"According to the official version of history, CIA aid to the Mujahideen began during 1980, that is to say, after the Soviet army invaded Afghanistan, 24 Dec 1979. But the reality, secretly guarded until now, is completely otherwise. The Brzezinski Interview with Le Nouvel Observateur (1998)

Islamburg

(this one has to take the cake- training Muslim terrorists on US soil.)

Paramilitary activities of racial Islam took place on American soil. At Islamburg in upper New York and other similar installations there were bunkers, high powered weapons and training funded by the CIA.

Hundreds of Islamic clerics were sent to the USA for training to fight the Soviet Union starting in 1979.

The US had it sights on Eurasia for its immense wealth and to maintain the balance of power as

Zbigniew Brzezinski, former Secretary of writes:

For America, the chief geopolitical prize is Eurasia. . . . Now a non-Eurasian power is preeminent in Eurasia and America's global primacy is directly dependent on how long and how effectively its preponderance on the Eurasian continent is sustained. . . . To put it in a terminology that harkens back to the more brutal age of ancient empires, the three great imperatives of imperial geostrategy are to prevent collusion and maintain security dependence among the vassals, to keep the tributaries pliant and protected, and to keep the barbarians from coming together.

Gulen was an Islamic preacher preaching a new Islamic world order and is able to spread this message through radio and television and through the universities and started a new political party which tried to topple the existing government in the 1990s. The Iran- contra affair

August 1985 to March 1987- The hearing stopped the nation as it was broadcast across the country. Oliver North states at the congressional hearing, 'Covert operation are a lie.' There is great deceit practiced in covert operations.' But then he went on to say that does not mean we don't need them. This is the mentality of men that leads to great crimes though it doesn't start out as such but it develops that way. North was military aid to in Reagan's national security council working closely with CIA chief Casey. Reagan's presidency was in question when it was revealed 'profits from weapons sales to Iran were funnelled by the CIA to right-wing rebels in Nicaragua who were fighting the country's socialist

government.' This operation was illegal as Congress had passed an earlier amendment that prohibited government funds or military support from being given to the contra rebels. He was convicted of obstructing justice submitting a false timeline of events to Congress, shredding government documents as news of the deal became public, accepting an illegal gift of a \$13,800 home-security system and forging letters showing he paid for it. He didn't have to go to prison, but he was ordered to do 1,200 hours of community service and pay a \$150,000 fine. Before North went to trial CIA's man George H W Bush had already given North pardon. After all he was just following the chain of command. The important thing was there was a trial and that was that. No need for head hunting higher up of course.

Today Oliver North is president of the National Rifle association which seems quite ironic.

The oil fields of Iraq were set alight to months testified to the real nature of the conflict

Tony Blair converted to Catholicism after leaving his job as prime minister. Many British citizens wanted him jailed for taking their country to an unjust war!

If ever there was a war so obviously disconnected from the reasons given for it to take place it is the post 9-11 war in Iraq in 2001, another war following on from the initial Desert Storm war carried out by CIA man Bush senior. There were no weapons of mass destruction and the independent

inspectors were reported as being CIA men. To the

credit of the British they made efforts to bring Tony Blair to trial but Michael Moore wants to know why Bush, Cheney and Rumsfeld are not in jail? It saw the death of Dr. David

on Iraq. The BBC report, in May 2003, cast doubt on the government's claim that Iraq had weapons of mass destruction capable of being deployed within 45 minutes.

Bush's "**axis of evil**" was comprised of Iran, Iraq, and North Korea and the three amigos the US, Britain and Australia made up the trinity of the 'Coalition of the Willing'- we are willing to allow innocent people to die is what it really means. It saw the pollution of oil wells set on fire in the desert and the end of America's one-time ally Saddam Hussein who the US had previously courted. 'Before the 2003 invasion, Iraq's domestic oil industry was fully nationalized and closed to Western oil companies.'

Iraq's domestic oil industry was fully nationalized and closed to Western oil companies.' The notion that Saddam Hussein government had ties to Al-Qaeda only spotlighted the US in the minds of many around the world as a terrorist sponsoring organization. 'Counter-terrorism expert Rohan Gunaratna has called the invasion of Iraq as a "fatal mistake" that has greatly increased terrorism in the Middle East.' And is no one understood that, they should have no doubt by the message Saddam Hussein sent by the burning hundreds of burning oil well across the country which burnt out of control. 'The total amount of oil burned is generally estimated at about one billion barrels of the entire one hundred four billion supply.' 'This regionalization is in keeping with the Tri-Lateral Plan which calls for a gradual convergence of East and West, ultimately leading toward the goal of one world government. National sovereignty is no longer a viable concept.' **Zbigniew Brzezinski**

Above the Law

Executive Order 13228 initiated by Bush — referred to as the Terrorist Surveillance Program (TSP) — that authorized the National Security Administration (NSA) to track communications between individuals abroad and domestic American suspects.

Expansion of Presidential powers (Caesars): The invasion of Iraq was against the UN charter which of course the US is a major signatory. The US is making the Munroe doctrine fit any circumstance and the President's power is overtaking the power of congress.

In Britain whether it is May or Blair, Syria or Iraq, they don't bother with parliament agreeing to go to war they just do it

There should not be no secret laws and they are being abused by people part of secret societies such as the Bush 'skull and bones.' Secret taping and surveillance of citizens worldwide was post 9-11 initiative under Bush came up only for question with the Snowden revelations. All the CIA had left their building before the 9/11 incident, so the question arises were the CIA privy to that information of the attack, something which senator Ron Wyden also questioned but received no answer.

There are serious constitutional concerns that came with the FISA amendment act. Authorized under the **Foreign Intelligence Surveillance Act of 1978 (FISA)** to oversee requests for surveillance warrants against foreign spies inside the United States by federal law. **'NSA had been querying business records metadata "in a manner that appeared to the Court to be directly contrary" to the court's order allowing it to so.'** If the history of the intelligence services were squeaky clean perhaps it would be less worrying to have information in their hands but they proved to have a criminal history or should I say have acted immorally without the scrutiny of the law in most instances.

We can now clearly see how men and women are prevented by the US from buying or selling, except under certain conditions by the use of mass surveillance in reference to the prophecy of Revelation 13

13:16 And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:

Following Edward Snowden's revelation of American mass surveillance questions arose as to the activities of the spy agencies against their own people.

senator Ron Wyden about mass surveillance on the American people. Despite committing perjury and having many complaints brought against him after 5 years no charges are brought against him and can never be brought against him after that time. He should have been given up to a 5-year jail sentence.

Americans only get disturbed if the spying is turned on themselves. Obama could have taken an executive order to stop what was unlawful but he did not. 'Interception of private communications via electronic surveillance has become a critical tool of law enforcement and has been

James Clapper former director of national intelligence under Obama

used for decades to assist in gathering evidence.' And so, it is a creeping expansion on what the USA has been doing for a long time. It questions individual rights according to the 1st and 4th amendments of the constitution. 9-11 was responsible for this expansion of mass surveillance.

In 2013 James Clapper director of national intelligence lies to congressional hearing when questioned on surveillance.

A little-known agency-the CIA/ NSA investigation

In the need to develop a capacity to know what potential enemies are doing, the United States government has perfected a technological capability that enables us to monitor the messages that go through the air. (...) Now, that is necessary and important to the United States as we look abroad at enemies or potential enemies. We must know, at the same time, that capability at any time could be turned around on the American people, and no American would have any privacy left: such is the capability to monitor everything—telephone conversations, telegrams, it doesn't matter. There would be no place to hide.

If this government ever became a tyranny, if a dictator ever took charge in this country, the technological capacity that the intelligence community has given the government could enable it to impose total tyranny, and there would be no way to fight back because the most careful effort to combine together in resistance to the government, no matter how privately it was done, is within the reach of the government to know. Such is the capability of this technology. (...)

There is an ever-increasing number of private contractors or mercenaries being used in war post 9-11.

Erik prince (set up the Black water company one amongst many) sees himself as a modern crusader against radical Islam and not surprisingly he is a son of Rome. “As a U.S. military field manual states: Contractor employees are not subject to military law under the UCMJ [Uniform Code of Military Justice] when accompanying US forces, except during a declared war.” Oct 21, 2004

Prince moved to Arab Emigrants to avoid legal repercussions because of massacres and mismanagement from Blackwater's involvement in the Iraq war. He was not able to work for the US with the Obama administration because of what happened in Iraq but in the emirates he has given advice on Libya, Syria and Yemen. He returned with Trump's presidency through a meeting with a Russian banker. Prince was there the night Trump was elected seeing an opportunity with private contracting in Afghanistan and Venezuela. He is very interested in an Iran conflict.

Obama surrounded by Roman catholic/ Jesuit Trained Intelligence Leaders

President Barack Obama meets with Director of National Intelligence James Clapper, right (Alma Mater St. Mary's University, Texas), in the Oval Office, Sept. 9, 2010. Also attending are, clockwise from left, Robert Cardillo, DIA Deputy Director (and now Director of National Intelligence for Intelligence Integration and schooled at Georgetown), Deputy National Security Advisor Tom Donilon (Donilon attended La Salle Academy, earned a B.A. at The Catholic University of America in 1977 and is connected personally to the Biden family), Rodney Snyder, Senior Director for Intelligence Program, NSS (Can not find any kind of BIO on him), John Brennan, Assistant to the President for Homeland Security and Counterterrorism (Attended private catholic schools from his youth, is Alma mater at Fordham University and is former CIA), and National Security Advisor Gen. James L. Jones (Alma Mater Georgetown University). (Official White House Photo by Pete Souza)

Obama was a very pleasant orator but he leant himself to drone operation in which many lives were lost and fought against whistle blowers. He was surrounded by Jesuits with the new world order in mind which was really starting to grate on public opinion because of job loss and things such as privatization. In his final meeting in Europe he gives to us words of comfort that the new world order has not disintegrated but will endure despite the change of direction for the nation, something that Hilary has also alluded to. The structure behind new world order such as the world bank, Vatican influences, the policy changes and its theology in the universities is not going to go away.

In 2014 President Barack Obama has named Jesuit Father Thomas J. Reese as the newest member of the United States Commission on International Religious Freedom (USCIRF),” and in 2016 Reese “will take over as the chair of the organization, an independent, , bipartisan commission that monitors and reviews religious freedom violations around the world, and makes policy recommendations to the Secretary of State, Congress and the president.” How well does that fit with the history of the Jesuits who took over the reins of the inquisition! Reese had previous come under fire as editor of the magazine *America* for its position on condoms to prevent HIV/AIDS, religious pluralism, homosexual priests, and supporting pro-choice Catholic politicians.

There were many whistle-blowers during the Obama presidency. Most notable to gain public attention were Chelsea Manning, Julian Assange and Edward Snowden.

Assange gave us idea of the corruption and extent of American globalization. Edward Snowden gave us the extent of NSA spying on a worldwide extent and gave us an idea of the coming power of American control of the world. Snowden showed us that the NSA had capabilities to get information of individuals worldwide.

Obama stated this, though 'globalization had fueled a "sense of injustice" and needed a "course correction" to address growing inequality....."there will not be a return to a world before globalization."

"Germans and Americans must take the opportunity to shape globalization according to our values and ideas. We are committed to broadening and deepening our cooperation with our businesses and our citizens, indeed the whole of the world community,"

'So as part of that magnificent global dream Merkel would rather give up data protection and gather citizens personal details. Philipp Albrecht, a member of the German Green Party said proposed legislation change is a violation of EU law. It is plain that many citizens of the west are thoroughly sick of their leadership and their own agenda for globalist plans as seen in the change of leadership at the ballot box.'

As the Vatican insider Malachi Martin once said, 'there is no way it can be reversed or called off. our way

of life as individuals and as citizens of the nations; our families and our jobs; our trade and commerce and money; our educational systems and our religious and our cultures; even the badges of our national identity, which most of us have always taken for granted – all will have been powerfully and radically altered forever.' He is right for they are the conspirators of such plans.

'People, governments and economies of all nations must serve the needs of multinational banks and corporations.' **Zbigniew Brzezinski**

I think people were tired of what little they know of the whole plan, it's an ideology that springs from Romanism with the unknown consent of the people.

God also has His agents among the leading men of the nation. The enemy moves upon his servants to propose measures that would greatly impede the work of God; but statesmen who fear the Lord are

influenced by holy angels to oppose such propositions with unanswerable arguments. Thus a few men will hold in check a powerful current of evil.

‘The enemy moves upon his servants to propose measures that would greatly impede the work of God; but statesmen who fear the Lord are influenced by holy angels to oppose such propositions with unanswerable arguments. God also has His agents among the leading men of the nation. Thus a few men will hold in check a powerful current of evil.’ Dr Ron Paul went up against Obama & big business in the run for president (2008, 2012). To his credit integrity was more important than the win. His message- mind our own business, look after Americans and bring the troops back home. The USA lost a golden opportunity for change, to stop its aggression against other nations and to care for its own people. The call for liberty as God made all men free continues to this day at the age of 82. Ron Paul practices and uphold his Christian principals.

Pope in session 2015

The Papacy was growing in influence over the decades shown by the ex-presidents representing the United States at the funeral of John Paul II. It represented a real change in where Protestant America had been and where it was going. ‘Pictured from left, President George W. Bush, Laura Bush, former President George H. W. Bush, former President Bill Clinton, Secretary of State Condoleezza Rice and White House Chief of Staff Andy Card pay their respects to Pope John Paul II as he lies in state in St.

Peter's Basilica at the Vatican Wednesday, April 6, 2005.' George Bush junior had said that he saw God in the eyes of the Pope. They all were Vatican influence people leading the United States.

Pope Francis visit to US congress in 2015 was historical in the fact he being the first Jesuit Pope and was

addressing the congressional law makers of the United States.

Two figures particularly solicited the Pope's visit to the US were two house speakers, John A. Boehner and Nancy Pelosi (consider the liberal antichristian campaign she is advancing today.) John

Boehner was in tears by listening to the Pope's moving words. Note image from the main Jesuit church in Rome. The Jesuits crushing Protestant heresy under their feet.

It was an historic moment to have the first Jesuit Pope addressing the American law makers for the first time in history. The Jesuit's formation was military in nature and to tread Protestantism under their feet as represented by the image on the head Jesuit church in Rome.

Quotes Jesuit James Martin, S.J. "In May 1816, Adams wrote to Jefferson about the "restoration" of the Society of Jesus: "I do not like the reappearance of the Jesuits.... Shall we not have regular swarms of them here, in as many disguises as only a king of the gipsies can assume, dressed as printers, publishers, writers and schoolmasters? If ever there was a body of men who merited damnation on earth and in Hell, it is this society of Loyola's. Nevertheless, we are compelled by our system of religious toleration to offer them an asylum." It's not surprising that Adams would despise us. The Society of Jesus was founded on obedience ...to a foreign power (Adams was deeply suspicious of most things European).

And in 1821 he asked, "Can a free government possibly exist with the Roman Catholic religion?"

Let the history of the Jesuit organization speak aloud for itself in answer to that question! To what obedience was the Jesuits founded? To the Pope. To what would they resort as free thinkers to achieve their end? 'The blood of prophets, and of saints, and of all that were slain upon the earth.' The mission

of the Jesuits was to stamp out Protestantism as seen in this photo on the front of the Jesuit church in Rome and how has it altered Protestantism inside America today! The roots of Protestantism and the name has almost vanished.

America in 2015 was leading globalists nation under Obama with Jesuit advisors all around him. We see

Nancy Pelosi also in the photo with Francis. The result in the USA following the financial melt-down in 2008, together with people losing their homes, having no work and privatization and also anti-

Christian rhetoric gave Trump a landslide victory. People were sleeping in the parks, houses were for sale for cash at ridiculous prices, car yards empty and people begging for work and money at every traffic light as I witnessed in Florida. Will the same scenes return in 2020?

Liberty under threat as he brings his Marxist ideology. The USA is to the main player for the New Roman Empire. From Cuba to climate change, he has revitalized the Vatican's role in global diplomacy. Now he's bringing his activist agenda to the U.S.' Time magazine

In 1960 presidential candidate Kennedy had to vow that he would not take orders from the Vatican but in 2015 the first Jesuit Pope addresses congressional leaders marking the shift in values and attitude. . 'Pope Francis became the first pope to address a joint session of the United States Congress, at the invitation of House Speaker John Boehner and Minority Leader Nancy Pelosi, both Catholics.' 25th September the Pope met with the United Nations and by

12th December an historical agreement was made on climate change that was to be endorsed 2020- the Paris Agreement.

Climate change is one of the cornerstones of a Jesuit papacy. Dr. Charlie Camosy of Fordham University said 'Think 10 years isn't enough time for such dramatic changes to take hold? You underestimate the power of changing hearts to bring about life-changing legislation. In 2004, GOP operatives put anti-same-sex marriage policies on state ballots to draw out voters who were opposed to the practice. By 2014, American culture had transformed so dramatically on gay and lesbian marriage that pushing legislation barring it would have been political suicide. Our culture could also have an ecological conversation in a similar timeframe. Perhaps even faster, given the new technologies. Let's get to work. <https://religionnews.com/2019/04/26/pope-francis-laudato-si-v-the-greennew-deal/>

The Pope's call for Global Compact on Education based on the Pope's encyclical is now set for October 15 2020 in which he has called on world educators to educate the young in his encyclical and a global response to climate change.

Jesuit Theologian Predicts that 'Laudato Si' will become Law in 10 Years or Less

Vatican Bank trouble

Most Reverend Paul Marcinkus, from Chicago, had been appointed by Pope Paul VI in 1971 to head the Vatican Bank in 1971. The archbishop had no previous specialist knowledge of international banking but was sent to Harvard University for a six-week crash course to learn international banking.

During the 1980s, the archbishop got involved with a Mafia-linked Sicilian banker called Michele Sindona, and then with an Italian financier called Roberto Calvi, president of the Banco Ambrosiano, which eventually collapsed with huge debts involving losses of at least \$250m.

Roberto Calvi eventually ended up dead, hanging from a rope on Blackfriars Bridge in London, victim of a faked suicide. The archbishop was wanted for questioning by Italian prosecutors, not in connection with what turned out to be a Mafia murder, but over the Vatican Bank's losses incurred through the setting up of phony offshore shell

companies in the Bahamas. The bank consisted of a desk a secretary and a telephone and could receive up to \$75m dollars in deposits in a single day in cash! Sent back to the Vatican and for purchasing arms, for coups, funding right wing groups.

So, following the Jesuit Pope's promise to clean up the Vatican bank Pell was brought in to clean up finance someone with questionable links and brushes with the law over Paedophilia.

Triumphant Trump

The presidency of Trump was a surprise for most. I had a good idea of him becoming America's next president from what an evangelical lady from Michigan had said to me and from unfolding news stories, together with what prophecy said- that there would be a religious political event in the US that would alter the course of the world in the near future.

Another thing it taught us and we should have learnt from the Obama run for the presidency is that the opinion polls are used for persuasion and are not accurate. Opinion polls were not accurate in the Ron

Paul's run for the presidency nor for Trump nor for the recent Australian federal elections

Paula White prosperity Pentecostal leader admired by Trump, Mike Pence waiting in the wings to take the reigns as a born again evangelical catholic. Prophecy & prayer & daily worship are part of this Administration. It teaches us that prayer alone does not put us on God's side but doing His will which is expressly stated in the 10 commandments.

When I heard this comment from the American lady of the evangelical support for Trump at the same time TIME magazine published an article on 900 evangelicals meeting with Trump at the Trump tower in June 2016 and introduced to the evangelical leaders by

former presidential running mate, Dr Ben Carson. 'On the role of Dr. Ben Carson, who pulled out of the race for Republican nomination earlier this year and endorsed Trump, Moore said the retired neurosurgeon will convene the meeting and deliver an address to all those in attendance.' I believe Ben Carson has made a mistake to become involved in politics and what his influence on June 2016 may have created. Those who claim to believe the truth, and yet spend their time in making political speeches, are changing leaders. They cannot claim the privilege of being subjects of the heavenly kingdom.-- Manuscript 177, 1899, p. 8. ("The Medical Missionary Work," May 10, 1899.)

When Trump said making America great again, I wish it was that which the founding father of America had laid down in the constitution to make it a great nation. 'Republicanism and Protestantism became the fundamental principles of the USA' with the pledge of allegiance in 'God we trust' as illustrated by a beast coming out of the earth with two lamb like horns- one horn representing Republicanism and the other Protestantism.

However, in Trump's speech at the Al Smith Memorial Dinner he says, "We can also agree on the need to stand up to anti-Catholic bias, to defend religious liberty and create a culture that celebrates life." Such a statement shows the way the thinking has changed by 'protestants. The tables have turned

away from the reformation ideals that made the US great, to tout religious liberty views as rewritten by Vatican-II, as if they were the heralds of religious freedom but in fact the Jesuits were the emissaries of despotism and torture. That is a fact of history! (The Al Smith Memorial Dinner is the who's who in the American Catholic world. To the right Trump, Archbishop Timothy Dolan and Hillary Clinton.)

Trump and Hillary court Arch Bishop Timothy Dolan @ Al-Smith memorial dinner prior to election day

"Only by terrible struggles has the right of religious liberty been maintained. When the stake and the scaffold proved

ineffectual to destroy the Reformation in Germany, popery summoned her armies, the Catholic States banded together to crush out Protestantism....The reaction of Christians to antichristian laws was to have someone to enforce such by the state in their favour and for the first time it was possible through Trump. This was a Jesuit 'strategy of tension' ideology which had permeated western society.

Trump's timeline of Presidency

June 2016: Nearly 1000 right wing conservatives met in the Trump Tower to better understand their policy positions.

November 2016: Winning 80-81% of white evangelicals to help him to the presidency

November 2016: Mike Pence was elected Vice President with an interesting description of his faith as a born again evangelical catholic which describes the interesting blend of religious belief dominating politics in USA today

January 2017: Travel ban of migrants to US triggers religious uproar

February 2017: Appointment of Neil Gorsuch with evangelical background to the supreme court, seen as a victory for conservative Christians who wanted to retake the balance of power on the court

May 2017: Trump signs executive order limiting the power of the Johnson Amendment allowing funding for political Christian candidates for US office.

May 2018: New U.S. embassy opens in Jerusalem backed by many conservative Christian and Israel seen as a step toward the building of the third temple.

May 2018: Prominent evangelicals appointed to the U.S. Commission on International Religious Freedom.

Tony Perkins, head of the Family Research Council, was appointed by Sen. Mitch McConnell in May 2018, but Trump himself soon appointed two others: Gary Bauer, another former president of the Family Research Council and director of the Christians United for Israel Action Fund; and Johnnie Moore, a former vice president of Liberty University and long-time faith adviser to Trump.

July 2018: Brett Kavanaugh appointed to Supreme Court seen as a “warrior” for religious liberty. At the circuit court level, Trump has installed 51 judges, or about 30% of all active judgeships, just one step before the US supreme court. Another report says 200 other judges with lifetime appointments to lower federal courts. Together these judges wield immense power over who gets to vote, who gets to marry, who has access to healthcare, who carries a gun, who is branded a criminal, who may join a union, who is protected from discrimination and who has permission to discriminate on religious grounds. Experts advise that it could take five years or more for the full picture to develop of how Trump’s judges are changing the courts...

December 7, 2018 William Barr appointed US Attorney General (the main legal advisor to the government), President Donald Trump announced Barr's nomination to succeed Jeff Sessions. Barr is a member of the Knights of Columbus a Catholic brotherhood formed in USA. Barr helped pave the way for the return of the death penalty after 17 years. Second term as Attorney General previously under Bush (1991–1993). ‘In 1992, Barr launched a surveillance program to gather records of innocent Americans' international phone calls. The DOJ inspector general concluded that this program had been launched without a review of its legality.^[50] According to *USA Today*, the program "provided a blueprint for far broader phone-data surveillance the government launched after the terrorist attacks of Sept. 11, 2001.’ Known for Presidential coverups particularly the Iran contra scandal where weapons sales to Iran paid for the US fight against the contras in Nicaragua.

December 2018: Criminal Justice reform passed with ample support from evangelical leaders The law was seen as a triumph for many groups, but also evangelical Christians, who played an outsized role in getting both Trump and members of Congress to back the bill.

September 2019: Trump joins Modi at a rally shortly after India’s Kashmir decision

October 2019: Pastor Andrew Brunson released after imprisonment in turkey for 2 years

November 2019: Paula White appointed to head the White House Faith & Opportunity Initiative. Paul White is a popular televangelist Pentecostal who has been a faith mentor to Trump over the last 15 years.

December 2019 to FEBRUARY 2020: Impeachment debate Congressional lawmakers on both sides of the aisle traded theological barbs over the issue, with representatives citing Scripture to defend their arguments and House Speaker Nancy Pelosi saying she was praying for the president throughout the impeachment process.

January 2020: Trump appears at March for Life Many participants — which included thousands of conservative Catholics and evangelicals — wore red hats and shirts emblazoned with Trump's campaign slogan “Make America Great Again.”

May 2020: Trump declares churches “essential” conservative Christians in particular argued that banning worship infringed on religious liberty. Trump eventually weighed in and declared places of worship “essential,” setting up a standoff between his administration and state governors, who ultimately have the authority to ban churches within their borders.

June 2020: The Bible photo-op is a sign of Trump allegiance to the Christian community though it does not go down well with some.

June 2020: Uighur Human Rights Act signed the Uighur Human Rights Policy Act of 2020 sanctioned the Xinjiang Communist Party Secretary Chen Quanguo and other Chinese officials over detention camps in China said to hold more than 1 million members of the country’s Uighur Muslim minority. John Bolton’ book also released at the time claimed that Trump encouraged Chinese President Xi Jinping to continue building the camps.

Trump Prophecies

There was a U-turn with trump presidency gaining control through the evangelical's support- a very strategic move against the New World Order

movement. This made the Bible prophecies interpretations based on Seventh-day Adventist historical teachings very clear as to the future not though the United Nations agenda alone but through the eyes of the but still a United nations agenda as described in Revelation 17 will be carried forward.

Expect the evangelical prophecies to gain a greater momentum at this time. There are many evangelical prophecies besides claims by people like Mark Taylor 'who heard a special message from God about change in our nation' back in 2008 and said that Trump would win the presidency. Isaiah 8:20 To the law and to the testimony: if they speak not according to this word, [it is] because

[there is] no light in them. Do these prophesiers follow all the commandments? The fourth commandment? No! Review John 14:21-23.

The evangelicals have never had such power and direct access to their president and never have they ever been so far away from the roots of Protestantism. At this time Trump has started to restore Christian virtues through the power of the state but this simply means that as in the days of Constantine he stopped the persecution of Christians for a short time while compromising the church and led to the Papal persecutions.

The Jews and evangelicals are particularly excited for the restoration of Israel on this earth and call Trump another Cyrus. This is in line with their prophetic vision of Israel restored on earth but the restoration will appear but by the enemy of souls posing as Christ- the antichrist. John 18:36 My kingdom is not of this world: if my kingdom were of this world, then would my servants fight, that I should not be delivered to the Jews: but now is my kingdom not from hence.

Understanding the commandments of the Kingdom of heaven in relation to salvation and understanding the gospel is vital. Most churches are following a false gospel which allows them to dismiss as old hat the day Jesus chose as a signature of himself in relation to our creation and the day which by example He kept.

1 Timothy 4:16 Take heed unto thyself, and unto the doctrine; continue in them: for in doing this thou shalt both save thyself, and them that hear thee.

This says & I say it also in respect, 'Today is Sunday, the Day of Worship. Dear God, Please Watch Over President Trump, as He Works to Restore the Republic, and Make America Great Again.' Yes, but it is not the commandment God gave us as a signature of his creation to make us great again.

This zealous fervor for God without keeping the commandments of God or being controlled by the the Spirit of Christ can lead down a dangerous path.

We need not be surprised at anything that may take place now. We need not marvel at any developments of horror. Those who trample under their unholy feet the law of God have the same spirit as had the men who insulted and betrayed Jesus. Without any compunctions of conscience they will do the deeds of their father the devil.--3SM 416 (1897). {LDE 147.4} The persecutions of Protestants by Romanism, by which the religion of Jesus Christ was almost annihilated, will be more than rivaled when Protestantism and popery are combined.--3SM 387 (1889). {LDE 147.2}

Strange events of a supernatural occurrence will happen like Mark Taylor who says he has been given words from God through angels and the dead appearing with messages to confirm falsehood when the Bible plainly says that the dead know not anything. Ecclesiastes 9:5

I Thessalonians 4:13 But I would not have you to be ignorant, brethren, concerning them which are asleep, that ye sorrow not, even as others which have no hope. 4:14 For if we believe that Jesus died and rose again, even so them also which sleep in Jesus will God bring with him. 4:15 For this we say unto you by the word of the Lord, that we which are alive [and] remain unto the coming of the Lord shall not prevent them which are asleep. 4:16 For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first: 4:17 Then we which are alive [and] remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord.

We have just touched a pinhead here on what is a ground swell in evangelical fervor that will explode across the nation with supernatural events, Satan also wants this nation that was made so great through a commandment keeping church being founded on its soil. Other countries such as Brazil are also exploding with evangelical fervor.

*Jared Kushner and Ivanka Trump
keep the true the Sabbath as they
follow the Jewish faith*

Evangelicals leaders including Kenneth Copland and Tony had met mid 2014 in a private meeting and by October 24th,

2017 Kenneth Copland held an ecumenical meeting in Kansas City Missouri with Pope Francis by video saying the Protestantism had ended. It was shortly after this date

that the Pope celebrated in Sweden with the Lutherans the 500-year anniversary of Protestantism (October 31, 1517) saying 'Now we have a new opportunity to accept a common path. We have the opportunity to mend a critical moment of our history by moving beyond the controversies and disagreements that have prevented us from understanding one another.'

One of the first stories of the Bible should warn us of false worship & the actions of right and wrong. Of persecution in the name of God.

Divide & Conquer in the Middle East

Operation Ajax

Trump is calling Iran "No.1 provocateur of terror." That's quite a statement considering post world war II history of the USA. Maybe No.2.

No1 is the King of the North, No. 2 the King of the South.

The 1953 coup comes from declassified CIA documents since 2013 until now however most of the records of the coup were destroyed

Prime Minister Mohammed Mossadegh called for the nationalization of British oil fields. The British intelligence were concerned about the nationalization of the petrol industry in Iran and called to the assistance of the American CIA. Any such moves are labelled socialist communist by the Americans. The shah or the monarch of Iran dismissed Mossadegh who's interest was with pro- western elites but this caused riots and he was brought back to power. At that point the CIA worked with the Shah to overthrow Mossadegh. Mossadegh heard of the plan and had people protested on the streets. The CIA worked through the Iranian military and pro shah forces bribing and forcing its way to power and then arranging its own protests with the backing of the military. The shah who left the country for health reasons returned to power while Mossadegh was imprisoned and later died under house arrest. Nationalization of industry is a fatality that calls for US intervention unless it the USA itself, which is following a very protectionist policy under the Trump administration. 40% of the oil fields were signed over to US companies. Oil of course is one of the most valuable commodities in the world. During the 5070s US aid flowed into Iran until 1978 when anti shah and American protests erupted.

Daniel 11:40-43 And at the time of the end shall the king of the south push at him: and the king of the north shall come against him like a whirlwind, with chariots, and with horsemen, and with many ships; and he shall enter into the countries, and shall overflow and pass over. He shall enter also into the glorious land, and many [countries] shall be overthrown: but these shall escape out of his hand, [even] Edom, and Moab, and the chief of the children of Ammon. He shall stretch forth his hand also upon the countries: and the land of Egypt shall not escape. But he shall have power over the treasures of gold and of silver, and over all the precious things of Egypt: and the Libyans and the Ethiopians [shall be] at his steps.

U.S General Wesley Clark Retired 4-star U.S. Army general, Supreme Allied Commander of NATO during the 1999 War on Yugoslavia), words went viral 'shortly after the attacks of 9/11, the Pentagon adopted a plan to topple the governments of seven countries; Iraq, Libya, Lebanon, Syria, Somalia, Sudan, and Iran.' The plan was while there was a vacuum in power in the middle east that the US would go through seven countries in five years until it reached Iraq.

The history of Iran of course is Persia the kingdom that followed Babylon.

Image from Sibel Edmonds

illustrating the tended invasion of Iran from US.

While Daniel 11 polarizes the world

between two great religions,

Revelation mentions 3 powers. The

King of the North is pagan Rome to then become the church of Rome to then be revived as the ecumenical church of Rome while Egypt is pagan, then apostate Christian and then Islamic. Most have not arrived at a rational, logical understanding of these difficult prophecies and are ridiculously dogmatic and un-pragmatic about it. The prophecies describe our world as we see it today that has developed from the nation's histories of conflict.

The first two woes of Revelation relate to the power of the Ottoman empire. The final woe and the last great woe are the revival or healing of the church of Rome and the coming of antichrist.

With Trump following the evangelical's understanding of prophecy and influence, in moving the US embassy to Jerusalem, telling Israel to take the Golan heights, Daniel 11's last verses are set to take place. This will indeed make the Arab world rethink their position with the US considering their Islamic background and its unpopular position with the US for many Islamic people.

Daniel 11:44 But tidings out of the east and out of the north shall trouble him: therefore he shall go forth with great fury to destroy, and utterly to make away many.

11:45 And he shall plant the tabernacles of his palace between the seas in the glorious holy mountain; yet he shall come to his end, and none shall help him.

And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.

But tidings out of the east and out of the north

shall trouble him: therefore he shall go forth with great fury to destroy, and utterly to make away many.

A COUP ATTEMPT AGAINST THE FIRST AMENDMENT

The statement that has gained traction, 'Fake news is an enemy of the people' is far reaching in its

importance. We see Assange liked or disliked on a mission to expose Government corruption of all types, US or otherwise. The charges against Julian Assange under the espionage act, is one to test the American first Amendment putting on trial a non-American citizen not living in the US. Not only that but the first amendment states that there should be freedom of the press. Many argue that the state should hold military secrets in

the interest of the US. But what if there is the highest order of corruption? And it is an avalanche of misconduct for world domination in the which the end justifies the means. Of course, the aim of the indictment was to say that Assange is not a journalist and to twist the events to make a legal case. And so, this whole idea of the sacrifice of truth for the good of the nation is played out over and over again. John 11:50 Nor consider that it is expedient for us, that one man should die for the people, and that the whole nation perish not.

The **first amendment** to the Constitution says: Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

The matter runs down to something much deeper. When the US realizes that it is being exposed for something that should be corrected, it treats them as enemies. Present truth does not paint a pretty picture of the USA as foretold in prophecy.

The same treatment will be given to God's servants as predicted in the following statement: In performance of their duties without coldly calculating the consequences of speaking to the people the word which the Lord had given them. They have not consulted their temporal interests, or sought to preserve their reputation or their lives. Yet when the storm of opposition and reproach bursts upon them, some, overwhelmed with consternation, will be ready to exclaim, "Had we foreseen the consequences of our words, we would have held our peace." They are hedged in with difficulties. Satan

assails them with fierce temptations. The work which they have undertaken seems far beyond their ability to accomplish. They are threatened with destruction. The enthusiasm which animated them is gone; yet they cannot turn back. Then, feeling their utter helplessness, they flee to the Mighty One for strength. They remember that the words which they have spoken were not theirs, but His who bade them give the warning. God put the truth into their hearts, and they could not forbear to proclaim it. {GC88 608.2}

Those who honor the Bible Sabbath will be denounced as enemies of law and order, as breaking down the moral restraints of society, causing anarchy and corruption, and calling down the judgments of God upon the earth. Their conscientious scruples will be pronounced obstinacy, stubbornness, and contempt of authority. **They will be accused of disaffection toward the government.**--GC 592 (1911). {LDE 146.5}

All who in that evil day would fearlessly serve God according to the dictates of conscience, will need courage, firmness, and a knowledge of God and His Word, for those who are true to God will be persecuted, their motives will be impugned, their best efforts misinterpreted, and their names cast out as evil.--AA 431, 432 (1911). {LDE 147.1}

Just as the Munroe doctrine is sighted for a pretext for foreign invasion in war when it was written for the very opposite reason, so the first amendment is manipulated by excuses to make it appear otherwise and bring legal proceedings against an innocent man when war mongers should be the ones on trial.

Also associated with WikiLeaks the mysterious death of Arjen Kamphuis a Dutch security expert who was on holiday in Norway, when he mysteriously disappeared.

The threat to WikiLeaks to discredit it and prosecute it by counter intelligence goes back as far as 2008. ``The identification, exposure, termination of employment, criminal prosecution, legal action against current or former insiders, leakers, or whistle-blowers could potentially damage or destroy this center of gravity and deter others considering similar actions from using the WikiLeaks.org Web site.

July 12, 2007, Baghdad airstrike which killed innocent French journalists and injured and killed children was a gross injustice in a war that should never have happened. The word from the commander was to kill everyone on the street, women and children. A soldier describes the incredible scene on the ground

as he attempts to save a young boys life- but his commander is not interested.

Who ends up with the prosecution the ones who exposed the incident- Manning and Assange. Manning having been pardoned by Obama was sent back to prison after refusing to testify against Assange while under the trump administration. Pompeo had said that WikiLeaks was a hostile intelligence service and said Assange and Snowden care nothing of the lives they put at risk and the damage they cause. Well Pompeo let's see what a righteous God

might think about such evident acts of shame that should have been punished. The CIA is a hostile intelligence service imbedded by Papal state actors. This organization should never have been formed. Lying, cheating, stealing and murder are their tool of trade. The CIA is not a champion of liberty but perversity. Matthew 23:27 Woe unto you, scribes and Pharisees, hypocrites! for ye are like unto whited sepulchres, which indeed appear beautiful outward, but are within full of dead [men's] bones, and of all uncleanness.

The Bible says, John 8:32 And ye shall know the truth, and the truth shall make you free.

*Can you discern the face of the sky and understand the
signs of the times?*

Matthew 16:3

When I was a child, I had a very simplistic view of the world from Revelation 11:18 which says I will destroy those that destroy the earth and I related that to pollution and war and the end of the world but I did not have the big picture that only a post 9-11 world would reveal. But a cunning twist to this is seen in the post-world war when its history was exposed. Some perpetrating the wars and chaos are calling for climate action.

There is truly a need for action against war and chemicalization of land and to prevent genetic modification. There is a crime against humanity in the growing cancer rates and the wonton destruction

“Rio was publicly described as a global negotiation to reconcile the need for environmental protection with the need for economic growth. The cognoscenti understood that there were other, deeper goals. These involved the shift of national regulatory powers to vast regional authorities; the opening of all remaining closed national economies to multinational interests; the strengthening of decision making structures far above and far below the grasp of newly minted national democracies; and, above all, the integration of the Soviet and Chinese empires into the global market system. There was no name for this very grand agenda that I had heard anyone use, so later I named it myself—the Global Governance Agenda.” Cloak of green **Elaine Dewar** - 1995

of the environment and the cruel treatment of animals.

While there have been many climate summits since 1972 Rio set a benchmark for 2020 agenda and the 2030 agenda.

A lady related to me her story of when she was just 5-year-old in Hiroshima. She said when she looked at the sky, she was fascinated by

how pretty it was. Later she would see people bleeding from every orifice and a lady squatting on the street to go to the toilet and blood coming from her. Her story had meaning describing many skies to follow.

In 1958 having realized the potential of atomic energy, Operation Argus would detonate atomic weapons in outer space, creating an artificial radiation belt in Earth’s magnetic field that would supposedly fry incoming Soviet warheads in flight.

A key player in Argus was America’s latest satellite, Explorer 4. *It was to rival the soviet’s sputnik.*

67 nations came together to explore and study the planet that they all shared, in a spirit of complete scientific openness and collegiality. But as its builder, the physicist James Van Allen, knew quite well, Explorer 4’s true purpose would be to study the effects of Argus.

The pentagon’s secret was leaked and became public. **The Atlantic MARK WOLVERTON NOVEMBER 24, 2018**

In 1962 a series of tested Nuclear explosions known as Project Starfish would seriously damage the Van Allen Belt. "One kiloton device, at a height of 60 km and one megaton and one multi-megaton, at several hundred kilometers height" The effect of the blast was to cause an aurora to be seen thousands of kilometers away. 'In Hawaii it blew out hundreds of streetlights, and caused widespread telephone outages.

Other effects included electrical surges on airplanes and radio

blackouts.' At least six satellites failed and other damages occurred to satellites in these early days of space exploration.

Remember what the lady said about the beautiful sky in Hiroshima when the atomic bomb went off.

A **Van Allen radiation belt** is a zone of energetic charged particles that holds the field for the world's radio waves and if there is **no Van Allen belts, the earth would not have a magnetic field. When they are testing the ionosphere, this charged area starts from 70km up to 300km and totally disappears at 1000KM.**

On day 1 (Exodus 1) if you recall God created the canopy for life.

In 1981 the Shuttle injected gases into the ionosphere to discover they could "induce ionospheric holes" and began to experiment with these holes over Millstone, Connecticut, and Arecibo, Puerto Rico. (Advanced Space Research, Vo1.8, No. 1, 1988).

Now let's go back in time to one of the first weather experiments. It is reported that in the 1930s the USSR had a rainmaking research installation. The USA was experimenting with the concept by the end of WWII. As early as the 1950s Australia through the CSRIO was conducting rainmaking experiments and had ground-based installation on the western side of Kosciusko. In 2001 the British government acknowledges their experimentation with rain making in operation cumulus during the 1950s.

The USA was first to use cloud seeding to extend the monsoonal season against the Vietcong which those who went to war at that time and many to this day are unaware of. By 1972 the USA wanted to bring the nations to an agreement not to use weather as a weapon.

National Security advisor Zbigniew Brzezinski to Jimmy Carter who formed the trilateral commission stated in his book "Between Two Ages" published 1970, "*Technology will be made available, to leaders of major nations, techniques for conducting secret warfare, of which only a bare minimum of security forces need be appraised...* Techniques of weather modification could be employed to produce prolonged periods of drought or storm."

By 1977 in Geneva the nations signed an agreement not to use weather for destructive purposes and warfare and this came into effect in 1978. 'The Convention bans **weather warfare**, which is the use of **weather modification** techniques for the purposes of inducing damage or destruction.' Wikipedia

In 1993 HAARP **High Frequency Active Auroral Research Program (HAARP)** was initiated as an ionospheric research program jointly funded by the U.S. Air Force, the U.S. Navy, the University of Alaska Fairbanks, and the Defense Advanced Research Projects Agency (DARPA). DARPA is the cutting-edge technology for warfare department of the Pentagon. By changing the electron density in the ionosphere scientists could alter the generation of radio signals and that discovery led to the development of ionospheric heaters to study these and other effects creating an artificial Northern aurora.

Remember what the lady said about the beautiful sky in Hiroshima when the atomic bomb went off.

Here was a change of developments what was chemical driven which became electrical based.

Electricity had its very important place in the creation of the earth.

Day 1 And God called the firmament heaven

Atmosphere or firmament. In biblical cosmology, the **firmament** is the structure above the atmosphere of Earth, conceived as a vast solid dome.

Day 2 Let there be Light

Day 4 Then why the sun, moon and stars on day 4?

Sir Isaac Newton proved that white light was composed of all the colours of the rainbow. The rainbow is that which surround the throne of God.

Waves of electromagnetic fields is what we call light.

Quantum mechanics say we are made up of fields- this is building block of life. We came to these conclusions through the work of two early Christian scientists Faraday and Maxwell who first demonstrated that light is electricity. This led to the development of radiowaves. To the right Quantum mechanics is being explained at the

Royal Institution at the **Faraday** Museum where Faraday held his Christmas demonstrations.

Everything in life depends on electricity to function.

There is life in the seed, there is power in the soil; but unless infinite power is exercised day and night, the seed will yield no return. The showers of rain must refresh the thirsty fields; the sun must impart warmth; electricity must be conveyed to the buried seed. The life which the Creator has implanted, He alone can call forth. Every seed grows, every plant develops, by the power of God. Ed 104.4

"The seed is the word of God." "As the earth bringeth forth her bud, and as the garden causeth the things that are sown in it to spring forth; so the Lord God will cause righteousness and praise to spring forth." Luke 8:11; Isaiah 61:11

God gave man opportunity by allowing discoveries but in his hands, they would be fatal causing life's destruction. Instead of learning from nature he would use nature to destroy itself but God allowed this knowledge to also give the last warnings to a dying world.

"Neither the official delegations nor the environmental action groups participating in the Hague Conference on Climate Change (CO6) (November 2000) have raised the broad issue of "weather warfare" or "environmental modification techniques (ENMOD)" as relevant to an understanding of climate change." **Michel Chossudovsky**

.....neither will the Pope (if anyone in the world is well informed on US technology development it is the vatican where the CIA had its seat and many of the military documents.)

Australians have little idea that ionospheric heaters already existed on the Western side of Kosciusko from the 1950s

let alone any further developments since that time. And environmental minister Malcolm Turnbull who later became the Australian Prime Minister had this snippet of news that could only leave speculation and with links to Rupert Murdoch.

\$10 million was given for trials to 'trigger rainfall from the atmosphere, even when there are no clouds.' Results unknown.

"Climatic manipulations under the HAARP program (whether accidental or deliberate) would inevitably exacerbate these changes by weakening national economies, destroying infrastructure and potentially triggering the bankruptcy of farmers over vast areas. Surely

national governments and the United Nations should address the possible consequences of

HAARP and other "non-lethal weapons" on climate change." **Michel Chossudovsky Former professor of economics at the University of Ottawa and the president and director of the Centre for Research on Globalization. There are multiple HAARP installations around the world. In answer to Michel Chossudovsky comments this is what exactly they would do destroy economies to rebuild a New World order.**

In 1996 (notice the ideology did not cease in 1977) a research paper is presented to the US Air force, weather as a force multiplier- owing the weather by 2025 which "offers the war fighter a wide range of possible options to defeat or coerce an adversary", capabilities, it says, extend to the triggering of floods, hurricanes, droughts and earthquakes:

'Weather modification will become a part of domestic and international security and could be done

unilaterally... It could have offensive and defensive applications and even be used for deterrence purposes. The ability to generate precipitation, fog and storms on earth or to modify space weather... and the production of artificial weather all are a part of an integrated set of technologies."

In 2010 Bill Gates was busy in many fields including his support of the Rockefeller foundation and climate change, promoting cloud whitening to reflect the heat of the sun back into the atmosphere to protect us against global warming. In 2020 the news reports that Great Barrier Reef was using this technology to protect the reef's future.

When you have evolutionary scientist working from a wrong premise that is, we evolve to improve on nature rather than improving by working with nature and learning from the creator you have a serious problem.

Higher learning integrated in the war machine

Harvard radio research lab ran all electronic warfare in WW11. This was directed by the Father of electronic warfare- Frederick Emmons Terman who was a Stanford university engineer 1926 also the Father of silicon valley. It was this man who encouraged his students William Hewlett and David Packard to start their companies.

Terman recruits 11 former radio research lab personnel into the Stanford University where they set up a new lab and the naval department gives them their first contract in research into microwaves. In the 1950's the engineering department becomes also involved. The Korean war and the cold war era lead to doubling the size of Stanford electronic departments. (The USA was two weeks from a set date to drop an atomic bomb on Korea.) Stanford become a full partner with the military and NSA, CIA etc. Cold war was an electronic war- track and monitored behind closed walls.

Silicon Valley started to participate in electronic surveillance system to go on planes using microwave technology @150- 140,000 Mz. Stanford designs/ Silicon Valley built.

Terman becomes "Chief Academic Officer" or provost in 1955 and systems engineering lab emerges. Advances research & development for NSA & CIA throughout the cold war. He encourages students to leaves and start companies and professors to consults for companies and become part of company boards so that technology transfer becomes easy and licensing became easy. Others were led to start companies and the researchers would sit on the company boards. Silicon Valley explodes with companies doing microwave research and development work.

Shockley's attempts to commercialize a new transistor design in the 1950's and 1960's also led to California's Silicon Valley. He had worked on air ground radar during the WW11.

USA become big on radio astronomy which was in fact was used to pick up Russian signals.

You see all our most recent communication convinces and technology is built literally on human warfare and death. The first satellites were electronic intelligence built by the US Naval. The first Research Department (NRL) project GRAB after United States U2 spy planes was shot down over the Soviet Union airspace. The first internet communication was in 1969 at Stanford developed by DARPA and carried to commercial success by Bill Gates .

Articles would continue to appear from 2013 up to 2019 of the creation of an artificial Northern Aurora as scientist were studying weather patterns.

'When HAARP is fired, the radio-waves are broad-casted straight up or straight down. When fired up, all of the antennas shoot powerful waves into the ionosphere, the upper most part of the atmosphere. During this process, the radio-waves heat the ionosphere, creating irregularities that allow the ionosphere to bounce powerful radio signals back to earth. When aimed down, these powerful waves shoot into the earth hitting fault lines at the resonant frequency that is capable of producing violent earthquakes.'

Hugo Rafael Chávez in 2010 'citing a report from a Northern Russian fleet said the 7 magnitude Haiti earthquake was caused by the US test of an experimental shockwave system that can also create weather anomalies to cause floods, drought and hurricanes.' Western media called him a crackpot.

"My uncle used to tell me about nuclear before nuclear was nuclear," Trump said in one interview, according to the *New Yorker* magazine. When Nikola Tesla was found dead in January 1943 in his hotel room in New York City, representatives of the U.S. government including John Trump collected Tesla's research papers as having national military importance. Tesla amongst many of his experiments throughout his life had looked at radio frequency and resonance energy.

In 2019 NASA Created Artificial Auroras in the Sky Above Norway through the EISCAT Scientific Association, an international research organization operating three incoherent scatter radar systems, at 931 MHz, 224 MHz and 500 MHz, in Northern Scandinavia measuring disturbances in the ionosphere and magnetosphere.

On Thursday 18 August, the sky above the Allgäu Public Observatory in southwestern Bavaria Germany August 2011, was an example of two very different phenomena: one an example of advanced technology, and the other of nature's dramatic power. Laser guided lightning strike. Lightning takes the path of least resistance and laser experimentation is perfecting this. USA is using laser as part of their weaponry. HAARP / Spacelab/ rocket combination can deliver very large amount of energy, comparable to a nuclear bomb, anywhere on earth via laser and particle beams.

Secretary of Defense William S. Cohen April 1997

"There are some reports, for example, that some countries have been trying to construct something like an Ebola Virus, and that would be a very dangerous phenomenon, to say the least. Alvin Toffler has written about this in terms of some scientists in their laboratories trying to devise certain types of pathogens that would be ethnic specific so that they could just eliminate certain ethnic groups and races; and others are designing some sort of engineering, some sort of insects that can destroy specific crops. Others are engaging even in an eco- type of terrorism whereby they can alter the climate, set off earthquakes, volcanoes remotely through the use of electromagnetic waves.

So there are plenty of ingenious minds out there that are at work finding ways in which they can wreak terror upon other nations. It's real, and that's the reason why we have to intensify our efforts, and that's why this is so important."(CIA website)

In Japan massive peace demonstrations broke out in 2015 as the US coerced Japan to build up military power once more. The US had been using Japan for its technological advantage by buying its military innovations, now called it to build up military strength ready for war.

The US leads Japan into a constitutional change in 2015. 'They demanded that Prime Minister Abe strike the war legislation and step down. On August 30, tens of thousands of people (120,000, according to organizers), protested outside the Japanese parliament against new military legislation that would allow the military to fight abroad. This would happen for the first time since World War II to Japanese troops. According to its constitution, Japan is barred from using force to resolve conflicts except in cases of legitimate defense. But a re-interpretation of the law will now allow "collective self-defense"- using force to defend allies under attack. The demonstrators protested in front of the Japanese Diet to the cry of "Save Japan from Abe." ' LEFTEAST Mattia Gallo *October 5, 2015.*

Germany and Japan are integral parts of the US war machine through technology supply. It started with operation paperclip in which Germany scientists, even with a history of war crimes were taken to the US to work for the government. By 2011 it was reported that Germany was the biggest arms supply in Europe (today France has overtaken Germany's position as one of the largest arms dealers and the US is the biggest arms dealer worldwide.) A disgrace and insult to those soldiers that fought in World War II. Germany had entered the war with Clinton also changing its post-world War II constitution for defence in cooperation with the USA to bomb Serbia, once an American ally of the second World War. Germany planes flew for the first-time post second World War, in the Croatian war of 1992. But the Japanese people's stand against militarisation was honourable. It tells us that the forces of evil which drove Germany and Japan against the West were utilised and taken into the USA. Hitler's Pope became America's Pope at the time of Japan's largest demonstrations against war in 2015..

Destructive policies

In the midst of the drought leading to the largest fire storm Australia has ever experienced the UN stopped the building of a dam wall for Sydney Australia. It's an insult to national sovereignty and of course it's meant to be. 'A UN committee including members from China, Cuba, Uganda and Burkina Faso

will oversee key decisions on Sydney's future water supply, flood mitigation and flight paths from the new international airport.' July 2019. Notice who are the board members, halting the extension of the dam. In other places however- the Murray- Darling basin, many dams have been built destroying the river system which means Australians will not have enough water to supply the country's needs within 10 years. Many of these companies are Chinese investments.

The goal of the UN for global sustainability is to move people out of the rural areas and into the large cities. Globalisation is not imposed as a total movement for it would never be accepted but in increments through

regionalisation. Corporation, non“Over \$200 million was spent on dam-related projects [in the Murray-Darling Basin] according to official data, although not all of this will have been specifically on dams,” it says,

Maryanne Slattery, senior water researcher at the institute, said politicians don't want to talk about these dams because “they do nothing for drought-stricken communities, the health of the river or struggling farmers”.

“These dams have been built on private land and are for the exclusive use of corporate agribusiness, such as Webster Limited,” she said.

“Politicians are reluctant to talk about why millions of taxpayer dollars have been spent subsidising dams that make the problems of the Murray Darling Basin worse”. The Conversation Michelle Grattan

governmental organisations and government cut out individual rights. There is an attack on western national infrastructure.

“Politicians are reluctant to talk about why millions of taxpayer dollars have been spent subsidising dams that make the problems of the Murray Darling Basin worse”.

The United Nation has an insidious and increasing control over the member nation's action as part of Global governance such as urban development which is implemented under local councils without the ratepayers ever knowing or and land swaps for poor countries which is an exchange of land to wipe debt that countries would never be able to repay. Its influence is in the conservation movement and disaster action plan when Australia should have been following the indigenous plan of back burning rather than UN green policies. People such as Obama, Pope Francis, the UN and many others pointed to what was gross negligence as an example of climate change. February 2009, 173 people died during massive fires in Victoria through these very same policies, and I suppose we took it for granted that authorities may have learnt better strategies for dealing with a problem that saw a record number of deaths because of gross negligence through poor conservation management. People should have been held responsible for the fires but in government they just continue to be paid for legislative incompetence. This was just a sample of what was to come 10 years later. In 2019 the fires raged for about 6 months following the east coast of Australia. We found the fire storms so hot that they created their own storm ahead of the furnace including heavy wind and lightning and it was one of the first exercises in partial national shut down and restricted movement.

Pictured Cobargo's main street where historic shops and restaurants burnt to the ground. In some places no fire truck was available to fight the fires and the fires would flow creek and grass fires burnt down the houses. The prayer of Christ has real relevance for this time- 'deliver us from evil.'

Similar reports to Australian fires of 2019-20 followed in California with thousands of lightning strikes setting the stage for an apocalyptic scene.

The tempest is coming and we must get ready for its fury by having repentance toward God and faith toward our Lord Jesus

Christ. The Lord will arise to shake terribly the earth. We shall see troubles on all sides. Thousands of ships will be hurled into the depths of the sea. Navies will go down, and human lives will be sacrificed by millions. Fires will break out unexpectedly and no human effort will be able to quench them. The palaces of earth will be swept away in the fury of the flames. Disasters by rail will become more and more frequent. Confusion, collision, and death without a moment's warning will occur on the great lines of travel. The end is near, probation is closing. Oh, let us seek God while He may be found, call upon Him while He is near!—Messages to Young People, 89, 90 (1890).

Climate change is through human intervention on a massive international scale amongst governments

first and foremost and then its citizens not the other way around. In wars and intentional manipulation and experimentation with the weather.

And using it as a political tool then to bring about economic change. They don't want to go to new currency system but integrated into the cloud. This is a backup system and the way they have access to your data through multiple servers. This is at a time when the Pentagon rethinks part of \$10 billion JEDI cloud contract awarded to Microsoft.

Figueres: First time the world economy is transformed intentionally
 Tuesday, 03 February 2015 16:34 PDF (PUB)

3 February 2015 - The Top UN Climate Change Official is optimistic that a new international treaty will be adopted at Paris Climate Change conference at the end of the year. However the official, **Christiana Figueres, the Executive Secretary of UNFCCC**, warns that the fight against climate change is a process and that the necessary transformation of the world economy will not be decided at one conference or is one agreement.

"This is primarily the most difficult task we have ever given ourselves, which is to intentionally transform the economic development model, for the first time in human history", Ms Figueres stated at a press conference in Brussels.

"This is the first time in the history of mankind that we are setting ourselves the task of intentionally, within a defined period of time to change the economic development model that has been reigning for at least 150 years, since the industrial revolution. That will not happen overnight and it will not happen at a single conference on climate change, be it COP 15, 21, 40 - you choose the number. It just does not occur like that. It is a process, because of the depth of the transformation."

'The **2030** Agenda for Sustainable Development was agreed by 193 Member States at the United Nations Sustainable Development Summit in New York in September 2015.' "This is probably the most difficult task we have ever given ourselves, which is to intentionally transform the economic development model, for the first time in human history", Ms Figueres stated at a press conference in Brussels. This is the first time in the history of mankind that we are setting ourselves the task of intentionally, within a defined period of time to change the economic development model that has been reigning for at least 150 years, since the industrial revolution. That will not happen overnight and it will not happen at a single conference on climate change, be it COP 15, 21, 40 - you choose the number. It just does not occur like that. It is a process, because of the depth of the transformation." Christiana Figueres, the Executive Secretary of UNFCCC. This declaration followed the popes visit in September to the United nations delegates in New York of the same year and is based on the Pope's encyclical. It spells New World order.

Through these issues on climate change the Pope in 2015 published his encyclical called Laudato Si, the same year as the above statement from Figueres was made. "A global consensus is essential for confronting the deeper problems, which cannot be resolved by unilateral actions on the part of individual countries. Such a consensus could lead, for example, to planning a sustainable and

One of the greatest crimes against humanity is chemicalizing the earth causing cancer escalation and contamination of food sources. A young child could acknowledge the problem is so easy to understand. Top PHD Researchers tell us the answer is just around the corner with the latest drugs. Either they are irrational, intellectually dishonest or highly intelligent but altogether compromised for wealth and power, for the medical researchers and doctors are silent on the obvious cause and do not speak out about cause to effect and use toxins for cure, that is radiation and chemo, the very things that can create cancer in the first place. Also note that WHO is one arm of the United Nations but it has little to say on global chemical pollutants. So, what is their function if they are not alerting and benefiting humanity? Very little besides governmental.

diversified agriculture, developing renewable and less polluting forms of energy, encouraging a more efficient use of energy, promoting a better management of marine and forest resources and ensuring universal access to drinking water."

"We know that technology based on the use of highly polluting fossil fuels – especially coal, but also oil and, to a lesser degree, gas – needs to be progressively replaced without delay."

On Sunday, our participation in the Eucharist has special importance. Sunday, like the Jewish Sabbath, is

The little horn has eyes of man, and a mouth speaking great things. Daniel 7:8 Implementing its power through its own times & laws

meant to be a day which heals our relationships with God, with ourselves, with others and with the world.

Sunday is the day of the Resurrection, the “first day” of the new creation, whose first fruits are the Lord’s risen humanity, the pledge of the final transfiguration of all created reality. It also proclaims “man’s eternal rest in God”. In this way, Christian spirituality incorporates the

value of relaxation and festivity. We tend to demean contemplative rest as something unproductive and unnecessary, but this is to do away with the very thing

which is most important about work: its meaning. ... Rest opens our eyes to the larger picture and gives us renewed sensitivity to the rights of others. And so the day of rest, centred on the Eucharist, sheds its light on the whole week, and motivates us to greater concern for nature and the poor. p, 237

Sunday observance for environmental reasons is inspired by the Papacy described in Daniel 7:25 as the ‘little horn’, ‘thinks to change times and laws.’ Times and laws are the source of her power and will bring the might and surveillance of the United States to affect the world- wide change.

It is likely that an electronic crypto currency will be put in place as we are phasing out cash which means that there will be no buying or selling except one receives the mark of the beast. Revelation 13:17

Young people such as Greta Thunberg are the front for the globalist agenda with millions of schoolchildren and students around the world marching or holding events as part of the movement. But she is not alone a film crew was filming her every movement through the journey.

Sustainable Development, Agenda 21 and Agenda 2030- This is a very insightful comment from a young person about the climate agenda. “The summit has attempted to involve otherwise powerless people of society in the process. But by observing the process we now know how undemocratic and

untransparent the UN system is. Those of us who have watched the process have said that UNCED has failed. As youth we beg to differ. Multinational corporations, the United States, Japan. The World Bank, The International Monetary Fund have got away with what they always wanted, carving out a better and more comfortable future for themselves...UNCED has ensured increased domination by those who already have power. Worse still it has robbed the poor of the little power they had. It has made them victims of a market economy that has thus far threatened our planet. Amid elaborate cocktails, travelling and partying, few negotiators realized how critical their decisions are to our generation. By failing to address such fundamental issues as militarism, regulation of transnational corporations, democratization of the international aid agencies and inequitable terms of trade, my generation has been damned.” The Rio de Janeiro Earth Summit- The United Nations Conference on Environment and Development (UNCED held in Rio de Janeiro from 3 to 14 June in 1992).

Note here that Rio summit was a very important event with

We see some of the goals of Agenda 21 having already to a large degree been achieved such as the end of national sovereignty with privatization of utilities and infrastructure, native title, laws on land ownership changing as well as urban development changes and the rising cost of private property in some countries. The restructure of family with gender roles changing and many other aspects of family life.

controlled and directed society. Such a society would be dominated by an elite whose claim to political power would rest on allegedly superior scientific know-how.

Unhindered by the restraints of traditional liberal values, this elite would not hesitate to achieve its political ends by using the latest modern techniques for influencing public behavior and keeping society under close surveillance and control.’ **Zbigniew Brzezinski**

The technocratic era involves the gradual appearance of a more controlled society. Such a society would be dominated by an elite,

unrestrained by traditional values. Soon it will be possible to assert

almost continuous surveillance over every citizen and maintain up-

to-date complete files containing even the most personal information about the citizen. These files will be subject to instantaneous retrieval by the authorities. **Zbigniew Brzezinski**

The Sunday movement is now making its way in darkness. The leaders are concealing the true issue, and many who unite in the movement do not themselves see whither the undercurrent is tending. . . .

They are working in blindness. They do not see that if a Protestant government sacrifices the principles that have made them a free, independent nation, and through legislation brings into the Constitution principles that will propagate papal falsehood and papal delusion, they are plunging into the Roman horrors of the Dark Ages.--RH Extra, Dec. 11, 1888. {LDE 125.3}

'The trajectory is to have 626 million face recognition cameras installed by 2020 in China. That is one camera for every 2.2 people using artificial intelligence soft wear.' China is surprisingly a model of the world to be. The Jesuits might have had some problems with communism as it once appeared at Tiananmen square but not a problem with the changes brought about since with the technocracy model of china today with absolute surveillance and control and state recognized churches. Pope Francis like many other Jesuits admire a form of Marxist communism and oppose western materialism. The earth has actually become greener since the 1990s according to satellite images due to the Chinese and Indian environmental programs. A Chinese citizen is given a score and according to that score the future citizen will be allowed educational and work opportunities, housing. This will involve him or her also being a model environmentalist and the future key to environmental issues amongst other things is to have a worldwide Sunday family and environmental day. The Papacy's power lies in the times and laws that the world follows- this is its distinguishing mark; for example we follow the Pope Gregory calendar, Easter, Sunday worship instead of the day given in the commandments of God. Evangelicals in American office are also keen to legislate 'Christian values and worship.' So the mark is placed on the hand by force or in the forehead by a conscience agreement.

The above quote and thoughts on agenda 21 and sustainable development through technocracy by Patrick Wood.

The Jesuit and UN agenda are one

Fr General Arturo Sosa SJ, Superior General of the Society, on 19 February 2019 announced the four new Universal Apostolic Preferences (UAPs), or priorities. The Society of Jesus has named climate change, migrant rights and social exclusion among its priorities for the next decade, and says it wants to promote the Spiritual Exercises of St Ignatius as an alternative to modern secularism. The Jesuit general also known as the Black Pope, will attend the upcoming climate summit in New York September 2019. Ignatian delegates at the New York summit in 2019 included the Black pope.

Ignatian (Jesuit) delegates to the UN. The Sphere within a Sphere is a statue also known as "Sfera con Sfera". The Sphere within a sphere is located in the Vatican Museums. It is part of a series of bronze sculptures on this theme that can be found in prime locations all over the world such as: the Headquarters of the UN in New York; The Christian Theological Seminary in Indianapolis, USA; Trinity College in Dublin; the Hirshhorn Museum and Sculpture Garden in Washington D.C; the de Young Museum in San Francisco, USA ;The Tehran Museum of Contemporary Art; the Columbus Museum of Art in Columbus and the Tel Aviv University in Israel.

The world bank and international money fund are American based banks that are trading debt of the poorer nations for land corridors under the control of conservation. An example of the activities of the world bank years ago is India who were told to allow international fishing trawlers into their waters leaving the locals without food and work. The point is they dictate to a country under debt their terms for that country's social fabric. This is why in democratic country's politicians never deliver what the people want as given in election promises.

The world health organization in espousing to reduce diabetes worldwide never present a cure or that is according to Biblical health laws or following basic health principals but is boxed and diced by big pharma and allopathic interests which are educated through the universities. For example, diabetic educators follow world health protocol and are assessed and maintained to that standards by their association which they have to join to practice.

Sustainable development is where resources are owned by a few and everyone gets to operate with these resources at their discretion. The aim of big business is to remove borders and shift workers as they please and also goods with minimum wages under a surveillance state. The aim of Rome is one and the same.

Having placed countries in irreversible debt by institutions such as the world bank, land for 'ecological purposes' is swapped for debt allowing resource control of the rich over the poorer nations.

The work of the people of God is to prepare for the events of the future, which will soon come upon them with blinding force. In the world gigantic monopolies will be formed. Men will bind themselves together in unions that will wrap them in the folds of the enemy. A few men will combine to grasp all the means to be obtained in certain lines of business. Trades unions will be formed, and those who refuse to join these unions will be marked men.--Letter 26, 1903. {CL 10.3} Trades unions will be formed, and those who refuse to join these unions

Pelosi & House Democrats Pass Major Climate Bill May 2019. The bill is passed by congress to prevent the US from withdrawing from the Paris climate agreement 2016.

Is there a need for world ecology? Yes, the Israelites were to have a sabbath to the land every 7 years in which the land was to rest and rejuvenate. There are vast areas of degraded land and deserts in the world resulting in poverty and it is because this principal was not followed. But notice the theme God has given which is 7 the day of restitution. If God's Word was followed it would provide livelihood and work for millions of people and micro climate change to the areas were this is followed.

Leviticus 25:1-5 And the LORD spake unto Moses in mount Sinai, saying, ² Speak unto the children of Israel, and say unto them, When ye come into the land which I give you, then shall the land keep a sabbath unto the LORD. ³ Six years thou shalt sow thy field, and six years thou shalt prune thy vineyard, and gather in the fruit thereof; ⁴ But in the seventh year shall be a sabbath of rest unto the land, a sabbath for the LORD: thou shalt neither sow thy field, nor prune thy vineyard. ⁵ That which groweth of

its own accord of thy harvest thou shalt not reap, neither gather the grapes of thy vine undressed: for it is a year of rest unto the land.

⁸ And thou shalt number seven sabbaths of years unto thee, seven times seven years; and the space of the seven sabbaths of years shall be unto thee forty and nine years. ⁹ Then shalt thou cause the trumpet of the jubile to sound on the tenth day of the seventh month, in the day of atonement shall ye make the trumpet sound throughout all your land. ¹⁰ And ye shall hallow the fiftieth year, and proclaim liberty throughout all the land unto all the inhabitants thereof: it shall be a jubile unto you; and ye shall return every man unto his possession, and ye shall return every man unto his family. ¹¹ A jubile shall that fiftieth year be unto you: ye shall not sow, neither reap that which groweth of itself in it, nor gather the grapes in it of thy vine undressed.

Leviticus 26:32-35 And I will bring the land into desolation: and your enemies which dwell therein shall be astonished at it.³³ And I will scatter you among the heathen, and will draw out a sword after you: and your land shall be desolate, and your cities waste.³⁴ Then shall the land enjoy her sabbaths, as long as it lieth desolate, and ye be in your enemies' land; even then shall the land rest, and enjoy her sabbaths.³⁵ As long as it lieth desolate it shall rest; because it did not rest in your sabbaths, when ye dwelt upon it.

Chronicles 36:21 To fulfil the word of the LORD by the mouth of Jeremiah, until the land had enjoyed her sabbaths: for as long as she lay desolate she kept sabbath, to fulfil threescore and ten years.

Mark of the beast or the seal of God

Exodus 31:13 Speak thou also unto the children of Israel, saying, Verily my sabbaths ye shall keep: for it [is] a sign between me and you throughout your generations; that [ye] may know that I [am] the LORD that doth sanctify you.

31:14 Ye shall keep the sabbath therefore; for it [is] holy unto you: every one that defileth it shall surely be put to death: for whosoever doeth [any] work therein, that soul shall be cut off from among his people. 31:15 Six days may work be done; but in the seventh [is] the sabbath of rest, holy to the LORD: whosoever doeth [any] work in the sabbath day, he shall surely be put to death. 31:16

Wherefore the children of Israel shall keep the sabbath, to observe the sabbath throughout their generations, [for] a perpetual covenant. 31:17 It [is] a sign between me and the children of Israel for ever: for [in] six days the LORD made heaven and earth, and on the seventh day he rested, and was refreshed.

Having been most specific and detailed in this commandment the Christian community as a whole have kept a day dedicated to the sun god and observed by a corrupt compromising church.

Revelation 22:14 Blessed [are] they that do his commandments, that they may have right to the tree of life, and may enter in through the gates into the city.

The mark of God is a day and it is the day the Son of God kept. The mark of the beast is a day and it is not the day specified or kept by Christ. This detail in hour of creation-ship and a mark allegiance.

People have problems understanding prophecy because they follow the ideas of men in a gospel that that does not follow the example and commands of Christ. They subtract from the Bible the Old Testament leaving it as a dead letter thereby destroying also the new and their keys to understanding this life and they life to come. They disregard the keys to the kingdom in John 14:21-23.

The mark of the beast is not hard to understand if we understand the importance of the law in relation to the gospel as Jesus stated in John 14:21-23. The sign or mark of God is clearly stated in exodus 31:12-18. The mark of the beast is the very opposite of the mark of God.

It appears almost too obvious that the trail of research on the part of the Chinese that coronavirus is a 'lab- driven' by Shi Zhengli and her team of virologists. They were able to isolate the protein that is a key to human cell receptors and were able to make an artificial virus that is self-replicating by cutting and pasting two different viruses with similar genetic sequencing to HIV. 'Researchers in China are warning that similar characteristics and tactics used by both HIV and SARS-CoV-2 could mean that humanity will have to adapt to life with the coronavirus, perhaps indefinitely.' The Chinese had accomplished cross species infection. The virus can be easily placed in an aerosol but the details of initial transmission no one will ever know. The virus comes at amazingly close proximity to Wuhan markets where the outbreak was first said to have occurred.

(Consider that China is the model of technocracy and leading the way in green & surveillance technology and deep state is making way for inclusive capitalism, a socialist system driven by climate change something that the Vatican supports and the Vatican has also heavily invested in China)

Most scientists being evolutionists come up with this idea: 'The way the virus' spike proteins interact with a part of human cells called ACE2 is most likely the result of **natural selection**....' The premise on which they start is evolution and so the result of their finding is flawed. So instead of working with nature they are destructive.

Finding how to cure disease the cause to effect has to be determined. The Spanish flu was brought back from the WWI in which men fought and died in inhuman and unhygienic conditions. Ebola virus came from the civil war in Sierra Leone with cannibalism and no basic sanitation.

'Pope Francis has said the coronavirus pandemic is one of "nature's responses" to humans ignoring the current ecological crisis.' Daniel 7:25 the key to Vatican power it's through the times and laws it has instituted which are in direct opposition to God's laws..

There have been calls from many quarters for Sunday observance for ecological reasons since the shutting down of world economies and the ecological advantages that have ensued.

At least one societal change resulting from the quarantine could do wonders to reinvigorate our national sense of family, faith, and community. Let's give serious thought to reinstating at least some of the timehonored Sunday closure laws, sort of a one-day-per-week modified stay-at-home request. Such action would rededicate our society to a regular day of rest, family meals, civic associations, and religious observance. Joseph Tortelli April 1, 2020

When comparing data on the number of deaths from this virus with other disease worldwide (such as measles 180,000 from 2017-2018) people are questioning the total shutdown that has resulted. There was a remarkable coincidence with an expected financial crash that was said to be looming.

At seventy-nine, Fauci (known as America's doctor) has run the National Institute of Allergy and Infectious Diseases for thirty-six years, through six Administrations and a long procession of viral epidemics: H.I.V., SARS, avian influenza, swine flu, Zika, and Ebola among them. The New Yorker Michael Specter April 10, 2020

"Former Rep. Ron Paul on Thursday called for the firing of Dr. Anthony Fauci, the infectious disease specialist leading President Trump's medical response to the coronavirus pandemic. Even the bad guys are admitting it, and that is they made these dire predictions so that they could go ahead and destroy peoples' civil liberties and spend a lot of money and make up an excuse on why the stock market actually went down — all kinds of things by having this coronavirus event blown way out of proportion," Mr. Paul said. "He should be fired," Mr. Paul said about Dr. Fauci. "But if you don't do it in the literal sense, the people have to fire him. And they have to fire him by saying 'he's a fraud.'"

Says Fauci “The Jesuit order of the Roman Catholic Church “is driven by intellectual curiosity—rigorous

Xavier used many Malayalam Vedas texts on Science, Medicine and Mathematics just as the Jesuit spread the teachings of Confucius to Europe as stated in the book ‘The Jesuits’ by Thomas Worcester. It is from Xavier that Europe came to know about medicinal leech vaccination (among other things) , and later Freemason Edward Jenner made a name for himself. The ancient Maharishis from Kerala, like Imhotep, has been vaccinating the Pharaohs of Egypt, 6500 years before Edward Jenner. (the Hindu sexual rites in temples promoted homosexuality and sex with animal and where portrayed on the temple walls as stated in the Vedas texts. It was a filthy religion as seen in the state of the people under Hinduism)

The practice of introducing the content of a pustule from an infected person to a healthy person to protect against subsequent smallpox exposures was known as variolation The practice of variolation extended from China and India to western Asia and Africa, and arrived in England and continental Europe by the mid-18th century [11–13]. Despite the success of this procedure, variolation was

responsible for a myriad of unwanted side effects: severe scarring, transmission of the infection to others, and transmission of syphilis, as well as fatal outcomes in nearly 2% of cases [1, 10, 11].

The following scenario was put forward in 2010 by the Rockefeller Foundation and Global Business network, that matches exactly the COVID 19 pandemic of 2020. In 2012, the pandemic that the world had been anticipating for years finally hit. Unlike 2009's H1N1, this new influenza strain — originating from wild geese — was extremely virulent

and deadly. The pandemic also had a deadly effect on economies: international mobility of both people and goods screeched to a halt, debilitating industries like tourism and breaking global supply chains.

*Even locally, normally bustling shops and office buildings sat empty for months, devoid of both employees and customers. The mission of the **Biosecurity Engagement Program (BEP)***

Now take a look another scenario. Criminal networks also grew highly skilled at counterfeiting licit goods through reverse engineering. Many of these “rip-offs” and copycats were of poor quality or downright dangerous. In the context of weak health systems, corruption, and inattention to standards — either within countries or from global bodies like the World Health Organization — tainted vaccines entered the public health systems of several African countries. In 2021, 600 children in Cote d’Ivoire died from a bogus Hepatitis B vaccine, which paled in comparison to the scandal sparked by mass deaths from a tainted antimalarial drug years later. The deaths and resulting scandals sharply affected public confidence in vaccine delivery; parents not just in Africa but elsewhere...

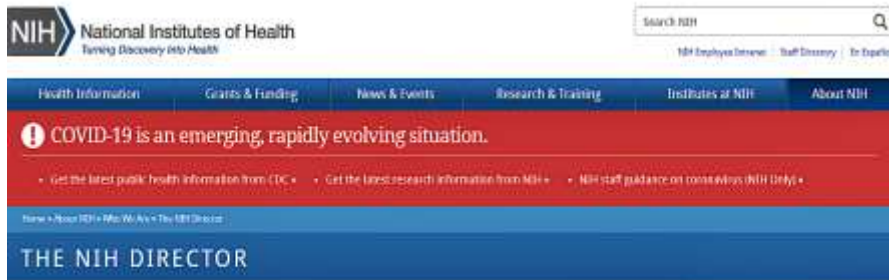

'The US National Institutes of Health, a government agency, awarded a \$3.7million research grant to the Wuhan Institute of Virology. The lab is the center of several conspiracy theories that suggest it is the original source of the coronavirus outbreak. The institute experimented on bats from the source of the coronavirus. They were captured more than 1,000 miles away in Yunnan. Sequencing of the Covid-19 genome has traced it to bats to Yunnan's caves. The U.S. government funded research on coronavirus transmission in the lab over the past decade.' By FRANCES MULRANEY and GLENN OWEN

There be many results of the pandemic including an oil price crash and a monopoly will result as it fits into the global warming agenda.

Professor Chumakov, chief researcher at the Engelhardt Institute of Molecular Biology in Moscow, said: 'In China, scientists at the Wuhan Laboratory have been actively involved in the development of various coronavirus variants for over ten years. 'Moreover, they did this, supposedly not with the aim of creating pathogenic variants, but to study their pathogenicity. They did absolutely crazy things, in my opinion. For example, inserts in the genome, which gave the virus the ability to infect human cell.

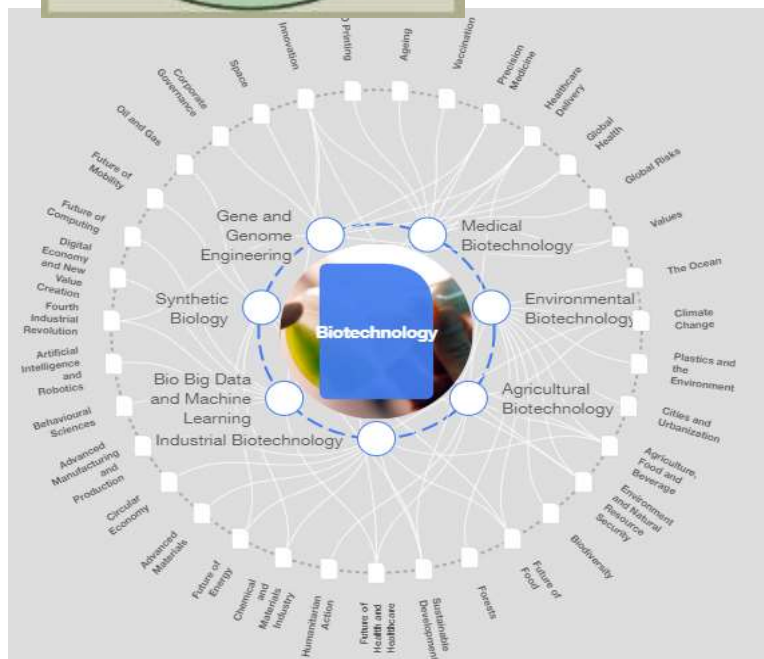

There are US biolabs set up all of the world experimenting with viruses using gain of function techniques to make more virulent strains of the virus.

Research article states 'Gain of function' research as risky in 2014

The battle for the soul is physical, intellectual and moral. This is a spiritual battle on all fronts. Those who have had opportunity but have rejected the health message are disqualifying themselves for the service of God and the endowment of the Holy Spirit.

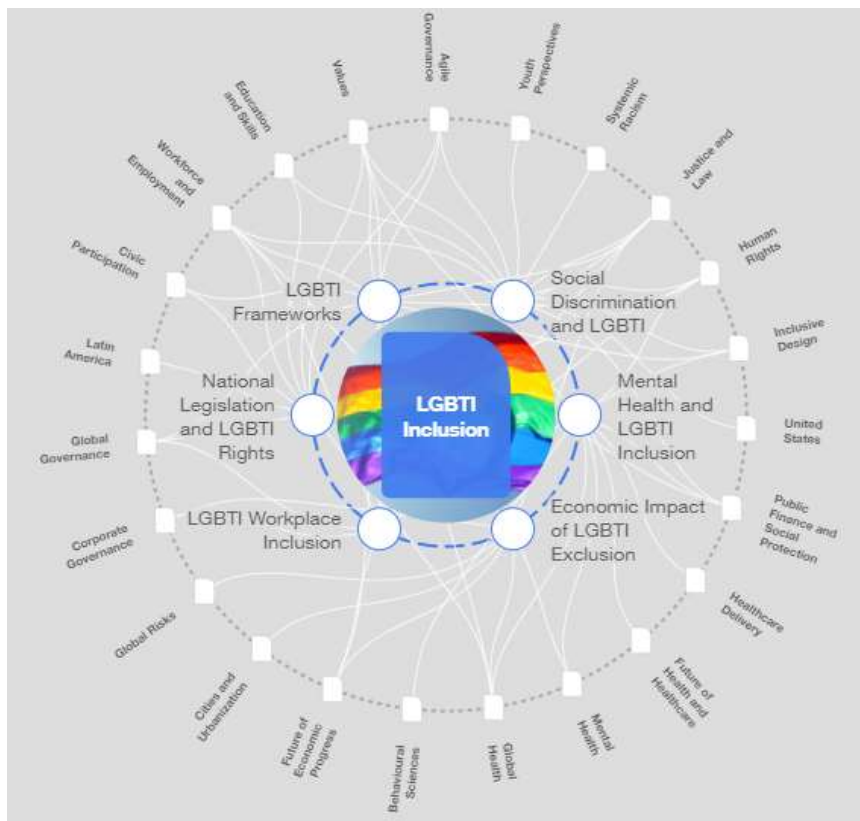

They may be found as the 5 foolish virgins without oil in their vessels and miss the bridegroom. God's word is tested, the intellect is tested as is faith in whom God's people will choose to believe in. Will they be swept into the tide of delusions?

Today the world is under a black and white Pope- the very nature of man or of the beast is black and white, good and evil. 'Francis' appointment of Jesuits to lead Vatican offices an 'anomaly' in church's history' The National Catholic reporter Nov 2019. 'Very frequently we forget that the pope is not the chief of the Church, he's the Bishop of Rome," Fr. Sosa told EWTN in an interview Oct. 15. Says Fr. What DARPA started with the creation of the internet can be used through the COVID 19 pandemic to create a broad identification system- bio ID to bring electronic health record to track individuals. This system of health care and government benefits and commerce will exclude any person that does not have the approval of the system. The climate change drive morphs into the vaccine drive morphs into the biometric ID drive ties into the cashless society drive. Rockefeller foundation and gates foundation of whom Dr Fauci belongs to, have been implementing this system over the last decade.

In western countries Jesuit ideology is permeating everywhere; on the one hand we have liberation theology with minority rights but that's not the right to speak the truth but gay rights, indigenous rights, even satanic church rights – some of these rights are good in themselves and some are evil and on the other hand we have religious liberty as legislated through the state and nationalism. This is totally against the American foundation of separation of church and state- a religious liberty issue, carrying the name religious liberty and following the Vatican II model.

From the Strategic intelligence chart - World Economic Forum which the American democrats are following.

Was this something from the French revolution? People mugged on the street and murdered by roaming gangs. Blacks killing blacks and committing felonies against whites or anyone who was in their way. Burning police precincts. It was chaotic but organised.

What do the police have to say in New York? 'Stop treating us like ANIMALS and THUGS': NY police union boss EXPLODES on politicians and the press.

"Likewise also as it was in the days of Lot; they did eat, they drank, they bought, they sold, they planted, they builded, but the same day that Lot went out of Sodom it rained fire and brimstone from heaven and destroyed them all. Even thus will it be in the day when the Son of man is revealed." The story of Sodom is not only about sodomy but they would take Lot by force to take the two men who had visited the city to warn Lot and his family of the coming destruction. The judgement of God in the land are soon to arrive as demonic spirit take possession of many in the cities.

On May 25, 2020, footage showed George Floyd shouting "I cannot breathe" and "Don't kill me!" George Perry Floyd, a black man, brutally and unnecessarily killed by police in Minneapolis, United States. Protests began in Minneapolis that ended up in curfews across at least 40 cities and the situation was reminiscent of the 1990s LA race riots with perhaps greater ferocity and being more wide spread. Not only protests were marshalled worldwide including riots in France in typical French style, in London Winston Churchill memorial was violated during the protests. There were peaceful but illegal protests in Australia (due to the Covid 19 restrictions) with thousands turned out in solidarity. So, the people went into lockstep

and did what they were told until these protests were marshalled. Leading the pack is the media. Today the media is finely tuned to direct the public into a future of oblivion. Riots are called protests and police abuse is focused on more than the need for a return to law and order while black lives matter turns into criminal violations. To silence Trump or anyone for that matter they just invoke copyright law. Both media and the medical profession can use copyright law to stop an opponent.

In the US this went beyond race riots to a civil war against the US government itself! During Russiangate Trump had said that if he was removed from office there would be a civil war and here it is. The greatest challenge to his presidency is this democracy riots on the streets. Here is demonstrated democracy as a lynch mob where the people run riot and burn down police stations and police and FBI in many instances are supporting by showing solidarity as do democratic state leaders also support the protestors.

‘Most Americans and even most Democrats, don’t want a president who would set out to abolish capitalism;’ that would be too extreme and, in your face, ‘instead, they appear to favor a president who is genuinely committed to making capitalism work for them.’ It’s called inclusive capitalism with climate change steering the way. Racial intolerance is a way forward the democrats to implement this change. Says Joe **Biden** said, “The next person that tells me I’m not religious, I’m going to shove my **rosary** beads up their ass.” Thanks for letting us know Joe!

‘Bishop Seitz and other Catholic clergy take the knee during a Black Lives Matter rally in Memorial Park, on June 1, 2020. The pontiff wanted to congratulate him for speaking out, Seitz said, telling him he also

called Archbishop Jose Gomez, the president of the U.S. bishops' conference, to convey support and solidarity during the civil unrest. Pope Francis spoke out against police brutality during his weekly Angelus prayer at the Vatican. ‘The first Catholic bishop to take the knee at a Black Lives Matter rally got a call from Pope Francis’ (K. Thor Jensen Jun 5, 2020)

In 2015 Pope Francis addressed congress alluded to the Black lives matter movement. Francis referred to “Merton a thinker who challenged the certitudes of his time,” a “man of dialogue, a promoter of

peace between peoples and religions,” wasn't afraid to challenge state authority in the name of justice. "The violence that threatens us to the point of possible self-destruction is endemic in the whole of society, and more especially in the establishment itself, the military, the police, the established forces of 'order' -- they are all infected with a mania for overkill, rooted in fear.....

“Instead of preaching the Cross for others and advising them to suffer patiently the violence which we sweetly impose on them, with the aid of armies and police, **we might conceivably recognize the right of the less fortunate to use force, and study more seriously the practice of non-violence and humane methods on our own part** when, as it happens, we possess the most stupendous arsenal of power the world has ever known." Thomas Merton, a Trappist monk.” Says the headline of the quotes from this article, ‘Pope Francis Basically Just Retweeted Black Lives Matter.’ His calls for justice and equality were unmistakable. Huffpost Ryan J. Reilly, Julia Craven

James Martin editor of America the Jesuit review says

‘The Holy Spirit is moving us to act against racism.’ (it is actually demonic spirits seen in terrorist acts across the nation actuated by liberation theology.) **“Racism, as St. John Paul II said, is one of the most “persistent and destructive evils” in the United States. Racism is, as, the Rev. Bryan Massingale, a Catholic theologian, says, a sickness of the soul. This sickness has been spread since the first Africans were forcibly brought to America and sold as slaves 400 years ago. Our nation is one founded and continuously shaped by white supremacy.**

“White supremacy,” writes Father Massingale, “fundamentally is the assumption that this country, its political institutions, its cultural heritage, its social policies and its public spaces belong to white people in a way that they do not belong to others.” **The Jesuits then would change the political institutions, do away with cultural heritage, change social policies and public space to reflect a catholic country and its institutions which are steeped in superstition and poverty in which they are the overlords. The Jesuits**

who with others priestly societies fuelled the civil war of the USA during Lincoln's time, are presently behind the ideology that drives this nation and through it the west to the brink of ruin. From the beginning of the foundation of the United States, Rome was at war with democracy and the constitutional foundation of America. The masters of the inquisition support the violence while condemning it and the Pope also adds his condemnation to racism. To the right picture of David Dorn, 77, shot in the torso about 2:30 a.m. He **died** on the sidewalk in front of the shop, Lee's Pawn & Jewelry while trying to stop the thieves. David was one of many black people assaulted or killed in the riots. Deliver us from evil....

‘The human cargo was loaded on ships at a bustling wharf in the nation’s capital, destined for the plantations of the Deep South. Some slaves pleaded for rosaries as they were rounded up, praying for deliverance.

But on this day, in the fall of 1838, no one was spared: not the 2-month-old baby and her mother, not the field hands, not the shoemaker and not Cornelius Hawkins, who was about 13 years old when he was forced onboard.

Their panic and desperation would be mostly forgotten for more than a century. But this was no ordinary slave sale. The enslaved African-Americans had belonged to the nation’s most prominent Jesuit priests. And they were sold, along with scores of others, to help secure the future of the premier Catholic institution of higher learning at the time, known today as Georgetown University.” The New York Times By Rachel L. Swarns. April 16, 2016.

The media is calling the riots protests, and democratic states are allowing the riots to go ahead therefore supporting the riots. The democrats also support the new world order and the destruction of nationalism just as the Pope, Bill Clinton and lady Rothchild all call for inclusive capitalism – a Marxist system with equal rights for the poor and marginalised including gay and indigenous rights, in other words liberation (Jesuit) theology which actually spells slavery. So, hiding behind the banner

for such human rights is the UN an American institution and behind the UN is the Pope with his encyclical which is the basis for the Paris climate agreement.

They are trashing the stores yet 'Many corporations, big and small, have joined the conversation, issuing statements vowing to stand with the Black Lives Matter movement. Some tech behemoths -- like Apple, Amazon, Microsoft' and others such as Walmart, target, home depot and fast food chains are sending millions --

In patterns seen in terrorist acts across Europe left wing groups were blamed by Trump and others. However, the class is right wing largely white, young, destructive element known as accelerationists. "Accelerationism" may also refer more broadly, and usually pejoratively, to support for the intensification of capitalism in the belief that this will hasten its self-destructive tendencies and ultimately lead to its collapse.'

Notice Karl Marx words on free trade agreement:
Karl Marx 1848 "On the Question of Free Trade":

But, in general, the protective system of our day is conservative, while the free trade system is destructive. It breaks up old nationalities and pushes the antagonism of the proletariat and the bourgeoisie to the extreme point. In a word, the free trade system hastens the social revolution.

It is in this revolutionary sense alone, gentlemen, that I vote in favor of free trade.

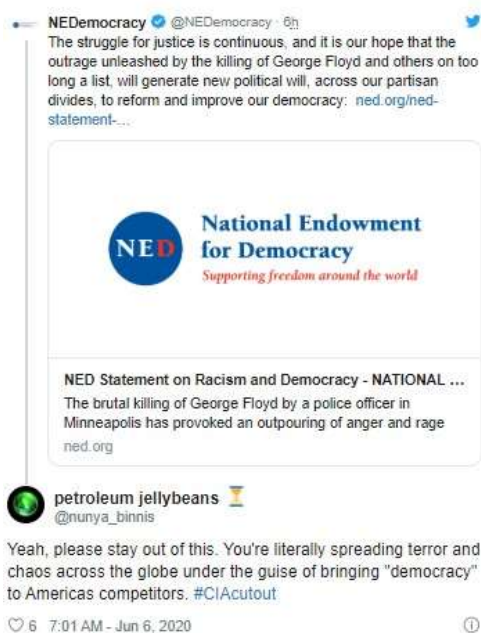

So, we have the work of government presidents using free trade agreements with countries on a totally different platform to their own, China most notably.

"Since Donald Trump tweeted recently that antifa would be declared a terrorist group, the term has gained broader currency on the American right and is seen as a dire threat. In fact, it simply means "anti-fascist" and is used to describe a wide spectrum of leftist and anarchist groups and individuals. It has no existence as a separate organization. The FBI has said there is "no evidence" NBC News has reported of antifa involvement in violence linked to the Floyd protests and one supposed antifa group posting violent rhetoric on the internet was in fact linked to white supremacists." Right-wing vigilantes on armed patrol after fake rumours of antifa threat. The Guardian June 6 Jason Wilson.

Who is behind the right-wing groups? Could it be CIA, special forces? If consistent with the post war history of Europe and who was behind the terrorist's attacks, then the answer is obvious.

The National Endowment for Democracy (NED) formed in the early 1980s, with the idea that American assistance on behalf of democracy efforts overseas has now looked with in to endorse protests against police brutality at home and at this time has this to say, ***"Such a movement is needed not just for the sake of our own country, but for the benefit of brave people on the frontlines of democratic struggles around the world."***

NED was accused of influencing the anti-Beijing sentiment in Hong Kong in recent years. Following the Rockefeller Commission, the Pike "Report," and the Church Committee the CIA had to find a new way to channel funds for countries who did not agree with U.S policy. Henry Kissinger, Zbigniew Brzezinski, Paul Wolfowitz, Madeline Albright, Elliot Abrams are among its board directors. That in itself should tell you enough.

'In interviews and posts on social media in recent days, current and former U.S. intelligence officials have expressed dismay at the similarity between events at home and the signs of decline or democratic regression they were trained to detect in other nations.' (oh surprise, surprise!)

"I've seen this kind of violence," said Gail Helt, a former CIA

analyst responsible for tracking developments in China and Southeast Asia. **"This is what autocrats do. This is what happens in countries before a collapse. It really does unnerve me."** The CIA because of its foundation as Catholic intelligence and as stated in Revelation 13 will destroy the United States bastion of the free world. Just exactly how is its demise stated? Here it is in plain English. 'Protestants will throw their whole influence and strength on the side of the papacy. By a national act enforcing the false Sabbath they will give life and vigor to the corrupt faith of Rome, reviving her tyranny and oppression of conscience.' Maranatha 179 1893.

Therefore, it is highly likely that Trump does not understand fully the forces at play around him as he vowed be against anything anti-Catholic. To respect all religions is great but when one is guilty of gross crimes against humanity through its leaders and military forces in the church then it needs to be called out just as surely as its crimes in paedophilia.

Archbishop Viganò name became headline news when the US bishop exposed the Pope's knowledge of paedophilia in 2018 through LifeSiteNews. He states the true nature of the conflict in his letter to the president. "For the first time, the United States has in you a President who courageously defends the right to life, who is not ashamed to denounce the persecution of Christians throughout the world, who speaks of Jesus Christ and the right of citizens to freedom of worship. Your participation in the March for Life, and more recently your proclamation of the month of April as National Child Abuse Prevention Month, are actions that confirm which side you wish to fight on. And I dare to believe that both of us are on the same side in this battle, albeit with different weapons."

"There are Bishops ... who, by their words, prove that they are aligned on the opposing side. **They are subservient to the deep state, to globalism, to aligned thought, to the New World Order** which they invoke ever more frequently in the name of a universal brotherhood which has nothing Christian about it, but which **evokes the Masonic ideals of those who want to dominate the world** by driving God out

of the courts, out of schools, out of families, and perhaps even out of churches." As ever there are priest aligned on both sides of the political fence aimed squarely at the USA as the key to world domination whether through the United Nations and the Popes encyclical on climate or through the ecumenism and its influence on the evangelicals.

Trump may know that the democrats, the New World Order with media and big business supporting it is fighting against him but it is Rome itself that is ready to bring the US, down to its knees to install a world Marxist system through the climate change movement.

Trump with Bible in hand drew criticism as he posed outside the St. John's Episcopal Church. It is significant as the church of presidents including Abraham Lincoln's attendance.

June 2020 House Speaker Nancy Pelosi (Trump's nemesis) reaffirmed her position as a liberation theology advocate as to Trump's dismay the supreme court voted in favor of LGBT and called for the Washington to erase monuments to the Confederacy.

Abraham Lincoln

June 8th, 1864,

"This war would never have been possible without the sinister influence of the Jesuits. We owe it to Popery that we now see our land reddened with the blood of her noblest sons. Though there were great differences of opinion between the South and the North, on the question of slavery, neither Jeff Davis nor any one of the leading men of the Confederacy would have dared to attack the North, had they not relied on the promises of the Jesuits, that, under the mask of Democracy, the money and the arms of the Roman Catholic, even

the arms of France, were at their disposal, if they would attack us. I pity the priests, the bishops and the monks of Rome in the United States, when the people realize that they are, in great part, responsible for the tears and the blood shed in this war; the later the more terrible will the retribution be. I conceal what I know, on that subject, from the knowledge of the nation; for if the people knew the whole truth, this war would turn into a religious war, and it would, at once, take a tenfold more savage and bloody character. It would become merciless as all religious wars are. It would become a war of extermination on both sides. The Protestants of both the North and the South would surely unite to exterminate the priests and the Jesuits, if they could hear what Professor Morse has said to me of the plots made in the very city of Rome to destroy this Republic, and if they could learn how the priests, the nuns, and the monks, which daily land on our shores, under the pretext of preaching their religion, instructing the people in their schools, taking care of the sick in the hospitals, are nothing else but the emissaries of the Pope, of Napoleon, and the other despots of Europe, to undermine our institutions, alienate the hearts of our people from our constitution, and our laws, destroy our schools, and prepare a reign of anarchy here as they have done in Ireland, in Mexico, in Spain, and wherever there are any people who want to be free, etc."

An autonomous zone was set up in Portland. 'The area was declared the Capitol Hill Autonomous Zone - or Chaz, for short. It was to be a police-free, self-governing utopia. A few days later, in an interview with CNN on 11 June, the city's Democratic mayor Jenny Durkan said the zone could herald a "summer of love".'

It was day 50 of the ongoing siege by demonstrators outside the federal courthouse in Portland, Oregon. One journalist sympathetic to the demonstrators dubbed her "*Naked Athena*" and a legend was born. Image below

After France had renounced the worship of the living God, "the high and lofty One that inhabiteth eternity," it was only a little time till she descended to degrading idolatry, by the worship of the Goddess of Reason, in the person of a profligate woman. When the goddess was brought into the Convention, the orator took her by the hand, and turning to the assembly said: "Mortals, cease to tremble before the powerless thunders of a

God whom your fears have created. Henceforth acknowledge no divinity but Reason. I offer you its noblest and purest image; if you must have idols, sacrifice only to such as this. . . . Fall before the august Senate of Freedom, oh! Veil of Reason!" {GC 276.1}

"The goddess, after being embraced by the president, was mounted on a magnificent car, and conducted, amid an immense crowd, to the cathedral of Notre Dame, to take the place of the Deity. There she was elevated on the high altar, and received the adoration of all present."--Alison, vol. 1, ch. 10. {GC 276.2}

This was followed, not long afterward, by the public burning of the Bible in France.

Likewise, a peaceful protest in Portland turned destructive over the night as protestors burned Bibles and the American flag. And to add insult with US

crowds chanting 'death to America,' something you would expect from the Ayatollah Khamenei. This is fact maybe designed to produce the opposite reaction and could be dealt with in dissidents

which could further destroy free speech in America. The US constitution is the greatest institution in the world provided it is held dear and not destroyed by wars and revolutions that should never have been their own.

The revolution in the USA that will affect every once free nation of the West.

Pictured the recent burning of cathedral of Notre Dame 15 April 2019, the place where martyrs died and the God of Reason replaced Deity all the work of the Jesuits.

In 1793 the Notre Dame de Paris cathedral was turned into a "Temple of Reason" and, for a brief time, the Goddess of Liberty replaced the Virgin Mary on several altars. Here is its shared symbol as a gift from France to the United States.

Now this prophecy from the early 1900s begins to make a lot of sense. The Lord calls for His people to locate away from the cities, for in such an hour as ye think not, fire and brimstone will be rained from heaven upon these cities. Proportionate to their sins will be their visitation. When one city is destroyed, let not our people regard this matter as a light affair, and think that they may, if favorable opportunity offers, build themselves homes in that same destroyed city. . . {LDE 95.3}

Let all who would understand the meaning of these things read the eleventh chapter of Revelation. Read every verse, and learn the things that are yet to take place in the cities. Read also the scenes portrayed in the eighteenth chapter of the same book.--MR 1518 (May 10, 1906). {LDE 95.4}

The call to defund and abolish the police following the riots

‘US President Donald Trump stands against defunding or abolishing the police, the White House said, after he tweeted about it and accused “radical left Democrats” of being insane for entertaining the proposal.’

‘Defunding the police is an extremely dangerous idea. I think it makes for a popular hashtag on Twitter, and you have a lot of Hollywood elites who are jumping in on this.’ Every nation has its laws, which command respect and obedience; no government could exist without them; and can it be conceived that the Creator of the heavens and the earth has no law to govern the beings he has made? Suppose that prominent ministers were publicly to teach that the statutes

which govern their land and protect the rights of its citizens were not obligatory,—that they restricted the liberties of the people, and therefore ought not to be obeyed; how long would such men be tolerated in the pulpit? But is it a graver offense to disregard the laws of States and nations than to trample upon those divine precepts which are the foundation of all government? {GC88 583.2} It would be far more consistent for nations to abolish their statutes, and permit the people to do as they please, than for the Ruler of the universe to annul his law, and leave the world without a standard to condemn the guilty or justify the obedient. Would we know the result of making void the law of God? The experiment has been tried. Terrible were the scenes enacted in France when atheism became the controlling power. It was then demonstrated to the world that to throw off the restraints which God has imposed is to accept the rule of the cruellest of tyrants. When the standard of righteousness is set aside, the way is open for the prince of evil to establish his power in the earth. {GC88 584.1} **Social benefits at the hand of the King**

“Paris became one vast almshouse, and it is estimated that, at the breaking out of the Revolution, two hundred thousand paupers claimed charity from the hands of the king. The Jesuits alone flourished in the decaying nation, and ruled with dreadful tyranny over churches and schools, the prisons and the galleys.” {GC88 279.1}

One Jesuit school statement in California says: ‘the United States was founded upon and its white citizens have prospered from 400 years of oppression of Africans and people of African descent in so many guises.’ (Santa Clara University CA USA) This is Liberation theology talk!

Yet it failed to say in their statement that the United States was founded upon separation of church as refugees fled the destruction and persecution of the Papal rule where millions of people were murdered and came to the United States for sanctuary from the church’s oppression.

That the Jesuits heavily participated in slave labour to build their own wealth and supported the confederate side of the war in revolution against the North.

The Jesuit Georgetown university used slave money for its university funds but has promised restoration by increasing student fees.

That the church has used racial tension to ignite a new American civil war in 2020

Let's not also forget the church is guilty of highly organised paedophilia like has never been seen in this world's history.

The Magna Carta and rational being tested

England was plunged into civil war after the Pope declared the charter Magna Carta invalid in the 1200s. This charter is echoed in the US declaration of independence and the universal declaration of human rights. It is an international symbol of liberty.

Independence was sort by refugees from the tyranny of church and state which founded the United States.

'The legal basis of the right to protest in *western nations* is the common law right to peaceful assembly, which can be traced back to the Magna Carta. The right is further protected by the Australian Constitution under the implied freedom of political communication.'

'The United States' First Amendment grants the absolute right to protest, such a right to protest may be a manifestation of the right to freedom of assembly, the right to freedom of association, and the right to freedom of speech.'

These rights are being aggravated and attacked by violent assembly and using Covid 19 to overrun the basis of western constitutions. There is always a balance and middle ground. At stake are western liberties which Popery abhors. An example of this was a mother arrested during protests in Sydney, Saturday 6th June 2020. The protest is about individuals exercising rights during coronavirus pandemic

NSW Police said the woman was arrested after for failing to give her details

They said the group were not complying with social distancing regulations. This right will be further tested in court as fines are placed on organizers.

Demonstrators in Melbourne held signs about 5G, China and the Murray-Darling River while chanting “arrest Bill Gates”.

Various speakers claimed Covid-19 was a conspiracy orchestrated by

“globalists”, while one of the main

organisers of the rally, Fanos Panayides, told the crowd he promised his father he would never be

microchipped. The “arrest Bill Gates” chant was started by far-right conspiracy theorist Alex Jones at a

*protest in Austin, Texas. More than 10,000 COVID conspiracy theorists gather in London **to demonstrate in***

the ‘Unite for Freedom rally’(August 2020) - which started at noon in the capital - called for an 'end to

Government lies' and the restoration of all

freedoms as they marched past Downing Street

towards the Houses of Parliament. Likewise,

around the globe in western countries people are

waking up to freedom that have been swept from

under their feet and protests are gathering

strength. But the real issue at stake are yet to be

clearly understood worldwide.

‘Victoria Police are continuing their crackdown on social media users supporting coronavirus protests, arresting another person accused of incitement on Friday. James Bartolo was arrested at his home after police broke through his front door and tackled him to the floor.’

In Australia not only were people charged and forced into quarantine, any form of protest against the Covid restriction allowed officers to use a search warrant and forced entry into the premise to seize computers and phones as evidence to be held against that person. Such laws came on the back of anti-

terrorist laws during the Howard government when Jesuit trained politicians were steadily increasing in numbers as reported by the Sydney morning Herald Oct 2013. 'The rise of Jesuit-educated politicians in Australia is a remarkable conjunction in political leadership: a situation so rare that it may even be a first in the Western world.'

We were ourselves refreshed by the Spirit of the Lord. That night I dreamed that I was in Battle Creek looking out from the side glass at the door and saw a company marching up to the house, two and two. They looked stern and determined. I knew them well and turned to open the parlor door to receive them, but thought I would look again. The scene was changed. The company now presented the appearance of a Catholic procession. One bore in his hand a cross, another a reed. And as they approached, the one carrying a reed made a circle around the house, saying three times: "This house is proscribed. The goods must be confiscated. They have spoken against our holy order." Terror seized me, and I ran through the house, out of the north door, and found myself in the midst of a company, some of whom I knew, but I dared not speak a word to them for fear of being betrayed. I tried to seek a retired spot where I might weep and pray without meeting eager, inquisitive eyes wherever I turned. I repeated frequently: "If I could only understand this! If they will tell me what I have said or what I have done!" {1T 577.2}

I wept and prayed much as I saw our goods confiscated. I tried to read sympathy or pity for me in the looks of those around me, and marked the countenances of several whom I thought would speak to me and comfort me if they did not fear that they would be observed by others. I made one attempt to escape from the crowd, but seeing that I was watched, I concealed my intentions. I commenced weeping aloud, and saying: "If they would only tell me what I have done or what I have said!" My husband, who was sleeping in a bed in the same room, heard me weeping aloud and awoke me. My pillow was wet with tears, and a sad depression of spirits was upon me. {1T 578.1}

The work which the church has failed to do in a time of peace and prosperity she will have to do in a terrible crisis under most discouraging, forbidding circumstances. The warnings that worldly conformity has silenced or withheld must be given under the fiercest opposition from enemies of the faith. And at that time the superficial, conservative class, whose influence has steadily retarded the progress of the work, will renounce the faith.--5T 463 (1885).

Soon to open before us, a time of oppression to silence truth under the guise of religious liberty as planned so many years ago in Vatican II, a time in which truth will be repressed as hate

speech under United Nation protocol, as the world rejects the simple truths as spoken and exemplified in the words and works of Christ.

Dolan archbishop of New York

"The president has seemed particularly sensitive to the religious community. I'm in admiration of his leadership."

I am the "best [president] in the history of the Catholic Church,"

I was shown the inhabitants of the earth in the utmost confusion. War, bloodshed, privation, want, famine, and pestilence were abroad in the land. As these things surrounded God's people, they began to press together, and to cast aside their little difficulties. Self-dignity no longer controlled them; deep humility took its place. Suffering, perplexity, and privation caused reason to resume its throne, and the passionate and unreasonable man became sane, and acted with discretion and wisdom. {Mar 259.3}

My attention was then called from the scene. There seemed to be a little time of peace. Once more the inhabitants of the earth were presented before me; and again everything was in the utmost confusion. Strife, war, and bloodshed, with famine and pestilence, raged everywhere. Other nations were engaged in this war and confusion. War caused famine. Want and bloodshed caused pestilence. And then men's hearts failed them for fear, "and for looking after those things which are coming on the earth." {Mar 259.4} E G White written 1862.

Genetics

False science is perpetrated through evolutionary science which has caused war and mass destruction and world contamination. The law of genetics is given in the Bible by God Himself written in His Holy law on the second commandment. Warning not to make or serve other gods and breaking God's law would have the result passed down to the third and fourth generation but healing would be given to those who follow His commandments. How is that possible? When the mind is hormonally balanced and the food eaten complies with health standard given by the Bible such as clean and unclean animal and beyond this, we use intelligence as to physically look after the body in a contaminated world, at this point we are beyond being presumptuous and God can add His blessing.

Exodus 20:5 I the LORD thy God [am] a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth [generation] of them that hate me; 20:6 And showing mercy unto thousands of them that love me, and keep my commandments.

In the time of the antediluvians Lucifer inspired men to break natural law and cause confusion of the species as seen in the following quote: Every species of animals which God had created was preserved in the ark. The confused species which God did not create, which were the result of amalgamation, were destroyed by the flood. Since the flood, there has been amalgamation of man and beast, as may be seen in the almost endless varieties of species of animals, and in certain races of men. {1SP 78.2}

Jude ¹⁴ And Enoch also, the seventh from Adam, prophesied of these, saying, Behold, the Lord cometh with ten thousands of his saints, ¹⁵ To execute judgment upon all...

Matthew 24:37 But as the days of Noe [were], so shall also the coming of the Son of man be.

24:38 For as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noe entered into the ark,

Gates Foundation Hired PR Firm to Manipulate UN Over Gene Drives

Due to CRISPR-Cas9, the gene editing technology harnessed from bacteria, gene drives are becoming very easier for researchers to build. Despite the public perception that conservation and public health are what motivates gene drive research, it is known that, besides the contribution of the Gates Foundation, most gene drive funding comes from the DARPA, the technology foresight arm of the US Dept of Defense. *"The fact that gene drive development is now being primarily funded and structured by the US military raises alarming questions about this entire field."* Independent science news for food & agriculture. Jonathan Latham, PhD December 4 2017.

Gene drive can be used to drive population extinct such as mosquitoes and malaria but its also has the potential to drive the human species extinct.

Bill gates said “The next epidemic could originate on the computer screen of a terrorist intent on using genetic engineering to create a synthetic version of the smallpox virus ... or a super contagious and deadly strain of the flu.” Guardian 9th February 2017

The Defense Advanced Research Projects Agency (DARPA) is racing for the ‘good of all humanity’ to use plant-based RNA vaccine technology which is new and unproven. ‘To produce an mRNA vaccine, scientists produce a **synthetic version of the mRNA** that a virus uses to build its infectious proteins. This mRNA is delivered into the human body, whose **cells read it as instructions to build that viral protein**, and therefore create some of the virus’s molecules themselves.’ There are many unknowns in this technology because it has never been used before on humans.

..’Researchers are attempting to bring the mammoth back with the use of gene editing, including the controversial CRISPR gene editing tool.’

The mammoth displayed in this museum was sewn back together and testifies to the violence of a terrible calamity that overtook it. In many cases the grass was still found in their mouth.

The finding at Fairbanks in the early 1900s gold rush with a variety of animals frozen solid and strewn one on top of another in the layers of the river bank, tells us of the flood spoken of in the Bible which overtook the world. Of course, this is one of many areas with such findings.

So genetic engineering and the confusion of species is the last days is an issue that previously contaminated the world.

The biotech company Oxitec began releasing hundreds of thousands of genetically engineered mosquitoes in the city of Jacobina (Brazil) between 2013 and 2015. The idea is that genetically modified (GM) males would mate with wildtype females and pass on a gene that kills their offspring before they themselves can breed, ultimately knocking down Jacobina’s mosquito populations.

Young mammoth is from the frozen ground in Alaska. With skin, hair and flesh and even the bones still intact. This mammoth was sewn back together and placed in the New York Museum. It testifies to a sudden catastrophic calamity as depicted in the Biblical account of the flood. Some animals still had the grass they were chewing in their mouth. Picture courtesy of Pastor George Burnside.

According to a genetic analysis of mosquitoes in the area, it appears the engineered stock has bred with wild mosquitoes and created viable, hybrid insects, scientists reported in *Scientific Reports* last week (September 10). Oxitec disputes these claims Kerry Grens *Sep 17, 2019 The scientist*.

From something reminiscent of Dr Strange love during 1956, the US dropped uninfected female mosquitoes on the civilian population in Georgia and Florida as one of many such experiments on their own population, In operation dropkick. In **Operation Big Itch they released fleas to test their ability as a bioweapon in 1954.**

Foreseen disease & suffering

As religious aggression subverts the liberties of our nation, those who would stand for freedom of conscience will be placed in unfavorable positions. For their own sake they should, while they have opportunity, become intelligent in regard to disease, its causes, prevention, and cure. And those who do this will find a field of labor anywhere. There will be suffering ones, plenty of them, who will need help, not only among those of our own faith but largely among those who know not the truth.--CH 506 (written 1892). {LDE 80.2}

I wish to tell you that soon there will be no work done in ministerial lines but medical missionary work.--CH 533 (1901).

The ancient world revered the works of the wicked race God had destroyed, for He destroys those that destroy the earth. Revelation 11:18 For they turned their long life and superior intellect and skills to evil.

Joshua 24:¹⁴ Now therefore fear the LORD, and serve him in sincerity and in truth: and put away the gods which your fathers served on the other side of the flood, and in Egypt; and serve ye the LORD.

¹⁵ And if it seem evil unto you to serve the LORD, choose you this day whom ye will serve; whether the gods which your fathers served that were on the other side of the flood, or the gods of the Amorites, in whose land ye dwell: but as for me and my house, we will serve the LORD.

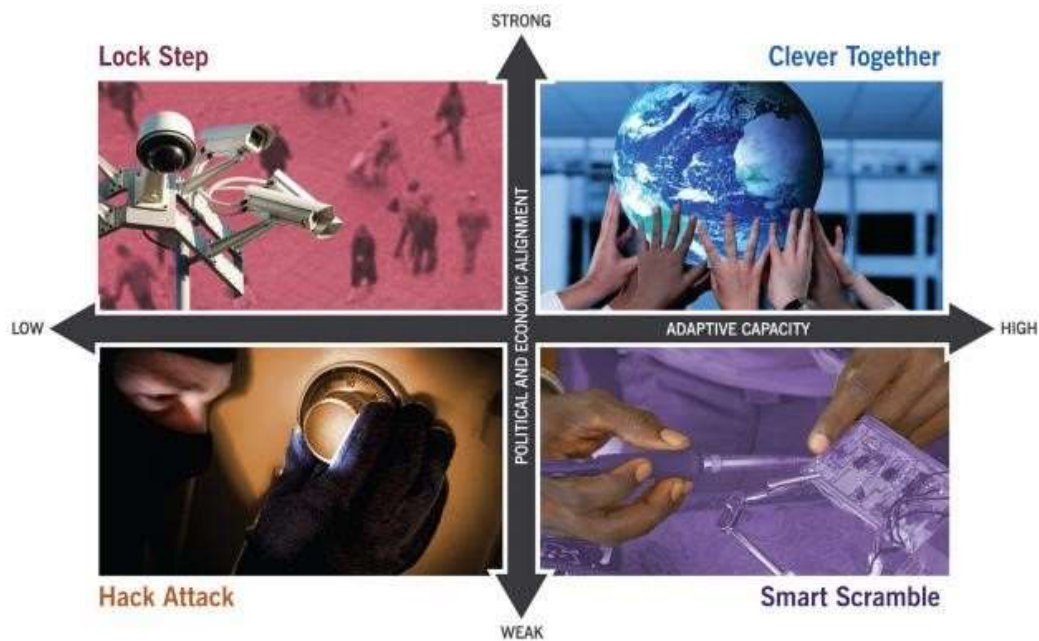

The gods the heathen nations worshipped included their antediluvians heroes from before the flood.

In the parable of the sower the question was asked the master, "Didst not thou sow good seed in thy field? from whence then hath it tares?" The master answered, "An enemy hath done this" (Matthew 13:27, 28). All tares are sown by the evil one. Every noxious herb is of his sowing, and by his ingenious methods of amalgamation he corrupted the earth with tares. {2SM 288.2}

Terrorism

The ultimate dream of the Jesuits is world domination through the papacy and that inspiration has been passed on to the US but it will only spell their disasters, for all that live by the sword shall die by the sword. The CIA have also passed that idea for world domination on to the Islam extremists for world domination with no possible hope of winning. It's a three way show down, that's how Revelation shows it.

Papacy inspires USA through the CIA for world domination. The USA inspires Islam for world domination but only the Papacy will maintain the power right to the end. All are responsible for acts of terrorism.

Scenarios for the Future of Technology and International Development from the Rockefeller Foundation
2010 PDF

In 2010 four scenarios were given for what the coming world might experience and what role technology and philanthropists would play in it. Interestingly enough this paper is from the year Bill Gates joined the Rockefeller Foundation. Four future scenarios are given-the first three are moving forward at this present time.

1. Lockstep- Coronavirus leads government stepping their citizens in line with quarantine measure despite loss of job, house and money. Driving the countries in debt help monopolies, gave more power to government and gave big business more control of nations
2. Hack Attack- an explosion in the West of hacks meant government power weakened, order rapidly disintegrating, and safety nets evaporating, violence and crime grew more rampant. Hacks ranged from vaccines to personal data mining to turning off computer system that control the grid or water wars.
3. Clever together – ‘global cooperation on a range of issues drives technological breakthroughs that combat disease, climate change, and energy shortages. International oversight entities like the UN took on new levels of authority, as did regional systems like the Association of Southeast Asian Nations (ASEAN), the New Partnership for Africa’s Development (NEPAD), and the Asian Development Bank (ADB)..... Flexible and rapid mobile payment systems drive dynamic economic growth in the developing world, while the developed world is hampered by entrenched banking interests and regulation.’
4. Smart Scramble- As the world failed to develop economically local communities grew tighter. Micromanufacturing, communal gardens, and patchwork energy grids were created at the local level for local purposes.

US robbery

President Dwight D Eisenhower’s ‘Chance for Peace’ speech in 1953.

“Every gun that is made, every warship launched, every rocket fired signifies, in the final sense, a theft from those who hunger and are not fed, those who are cold and are not clothed. This world in arms is not spending money alone. It is spending the sweat of its laborers, the genius of its scientists, the hopes of its children. The cost of one modern heavy bomber is this: a modern brick school in more than 30 cities. It is two electric power plants, each serving a town of 60,000 population. It is two fine, fully equipped hospitals. It is some 50 miles of concrete highway. We pay for a single fighter plane with a half million bushels of wheat. We pay for a single destroyer with new homes that could have housed more than 8,000 people. This, I repeat, is the best way of life to be found on the road the world has been taking.

This is not a way of life at all, in any true sense. Under the cloud of threatening war, it is humanity hanging from a cross of iron."

The Roman nature of man

The concept of religious liberty, freedom, integrity, love, controlling the church or controlling men, as man see them are totally foreign to the concepts of God's law and gospel of Christ. In fact, all roads lead back to Rome because of the nature of who man is. The nature of man is so blinding that man infuses his ideas in God's word but these are not words of life and liberty! Man's ideas are to follow someone with a doctorate or degrees or media suggestions, to put in place surveillance and spying as necessities to gaining power. To use cheating and deception to win. The hierarchy system is played out in families, churches and in governments alike- something God allows because of the ignorance and thinking of men. This does not mean that all leaders are bad people, or anybody worse than you and I exception being when the light of the gospel really shines upon our path, we must follow it.

World view

As we look from above down on the world what do we see? Three beasts that wage war against the world as stated in Revelation but the war ends in one world religion.

Years ago I heard the comment that the Jesuit general pointed to China on the world map and said "See, sir, from this

chamber I govern not only to Paris, but to China, not only to China, but to all the world, without any one to know how I do it. Michaelangelo Tamburini 14th Jesuit General, 1706-1739.

I also learnt along the way that the only one to flourish in the French revolution were the Jesuits but was not their organisation annulled at that particular time? Yes, so they transferred their power to the illuminate or isolated countries that still accepted their presence such as Russia.

That which the work of church and state did in bloodshed of whom the Jesuits took charge of the inquisition from the Dominicans, led to the French revolution as the people revolted against the crimes of the church and amongst the uprising was the Jesuits. Why? Because within the church itself they wish to seize ultimate power. Today there is a massive podophile ring amongst the priesthood like never exposed before in history and yet they still steer the nations and it appears like they are steering them to hell at a rapid rate.

The red revolution was a result of the abuses of the churches in war and poverty but communism was no better monster. What started in the French revolution spread all over the world because of Papal abuses- the spread of communism and the riots in the USA today remind us of the French revolution.

‘Bishop Marcelo Sanchez Sorondo, an Argentinian, is chancellor of the Pontifical Academy of Sciences and the Pontifical Academy of Social Sciences. In an interview with **Vatican Insider**, he recently said that “at this moment, those who best realize the social doctrine of the Church are the Chinese.” An astounding admission....The bishop said that the People’s Republic of China has “defended the dignity of the human person,” and, in the area of climate change, is “assuming a moral leadership that others have abandoned.” Sorondo criticized the United States, where, he said, the economy dominates politics. “How is it possible that oil multinationals manage Trump,” he asked. “Liberal thought has liquidated the concept of the common good, they do not even want to take it into account, it affirms that it is an empty idea, without any interest.” On the other hand, he said, the Chinese propose work and the common good. The Catholic Register 6th Feb 2018.

'Separation of church and state is widely cherished in America, but the Catholic Church does not believe in it. In 1864, Pope Pius IX officially set out the Catholic Church's response to liberal democracy in his "Syllabus of Errors." *He declared the following statements wrong and heretical:* The church ought to be separated from the state, and the state from the church.'

'This pope is very politically minded, and he says so himself. Even as he spoke about Trump, the pope called himself a "political animal." Back in 2013, he said, "A good Catholic meddles in politics." He sees it as part of his religious duty.' The Trumpet Why Is the Pope Meddling in American Politics?
We need to see Pope Francis's criticisms of Donald Trump, as well as America's immigration and economic policy, in context. Gerald Flurry

China is spoken most often as communist China but it has been more accurately labelled technocracy and has become the model for the church of Rome and the New World Order as it heads green technology and surveillance and like Russia allows state recognised Christian organisations. Think not that China is far away from us but is the direction in which the UN and Vatican is leading the countries. The war against communism by the CIA and church, was only against communism that was without their authority until they should take the communist model for themselves. The Jesuit general is a Marxist as are many of the priests of south America such as Pope Francis. They see there is a perfect symmetry with socialism and communist controlled by the state with the church heading it up. We see the

secretary general, António Guterres of the UN also Marxist catholic and speaks often of the 'common good' as part of his UN addresses. The UN and the world economic

forum are heading and pushing the change with Pope Francis to implement the principals for 'common good' in the nations of the world using climate change and coronavirus catastrophe as the catapult. By this the church is defining the common good for the nations.

The USSR was dismantled as part of the road to the New World Order. This is why Mikhail Gorbachev still espouses the new world order today and stood back while USSR sovereignty was dismantled for a greater form of socialism to overtake the existing one. Now it is the US who helped dismantle the USSR time to change to church and state and with its change come greater ramifications than nearly any other single moment in history.

The Pope Francis has accepted this vow of poverty with an estimated **net worth** of about \$80 million US as he criticized growing economic inequality, attacking what he views as the excesses of **capitalism** directing world leader world to move to inclusive capitalism a Marxist system. Such moves are now on steroids since the coronavirus outbreak with the world economic forum meeting for the 'great reset' early January 2021.

*These priests have been paid a handsome sum as Pope Benedict XVI in office received roughly \$200 million annually for personal use and Francis net worth is 80 million as he calls for a Marxist system called inclusive capitalism and states unfettered **capitalism** is "the dung of the devil". This world has rewarded them well.*

There is good reason why Trump and other called out the world health organisation as Tedros Ghebreyesus who heads the organisation has been high ranking communist in Ethiopia, involved in a violent revolutionary communist party which was listed as a terrorist organisation in the 90s. People not studying

the situation have just said well Trump is a fool for not following the World Health Organisation. And on the same band wagon for change is the Clintons, Rothschilds, Prince Phillip and we see a whole lot of companies funding the black life matters. Takes a lot of money and influence to create the New World Order and that also comes through the universities and schools. The primary aim is US control for world domination but Rome is ready for transfer that power to Europe once the USA is destroyed as outlined in the book 'Keys of this Blood' and Revelation 13 and 17 tell us the same.

Now as we look down on the world again from above, we see that one power is absorbing another that is communism and there is another power still unspoken for- the Muslims.

The CIA has been using Muslim extremists to help fight their wars, to fight each other and to fight communist regimes. The end picture is a middle east one portrayed by the prophets Daniel and John. Terrorism has increased surveillance in the once free countries.

The Dragon King

The world has changed I feel it in the air, for what once was is lost; the sound of war, a war in every respect different from before that will continue to the last and final battle.

The watchmen on the wall from the strong tower sees a large winged creature flying from a distance toward the castle fortress walls. On the ground was an army of men as far as the eye could see.

The trumpet sounded to alert those in the tower of the approaching armies of war. (Revelation 8:6) The men in the castle were few compared to the approaching masses ahead of them. I heard one man say to another watchmen on the tower wall,

"I wish it need not have happened in my time," and this echoes the feelings of most of us as a darkness looms across the earth. "So do I," comes the answer, "and so do all who live to see such times. But that is not for them to decide. All we have to decide is what to do with the time that is given us. There are other forces at work in this world beside that of evil"

My heart trembles before the ensuing battle. My bowels, my bowels! I am pained at my very heart; my heart makes a noise in me; I cannot hold my peace, because of what I have heard, O my soul, the sound of the trumpet, the alarm of war. Destruction upon destruction is cried; for the whole land is spoiled: How long shall I see the standard, and hear the sound of the trumpet? Jeremiah 4:19-21 Be not far from me, my LORD: Oh my strength, haste to help me. Deliver my soul from the sword; my darling from the power of the dog. Save me from the *dragon's* mouth: for thou hast heard me from the horns of the unicorns. Ps 22:19-21

A dark voice whispered from a far 'the world of men will fall.'
The dragon came from a distance and as it landed a magnificent being materialized (Revelation 13:4) in front of the moated castle. His form was beautiful with feet of fire and hair as white as snow and a melodious voice.

The tower had been under siege (Revelation 13:17) and now this majestic being claimed to have come to liberate the occupants. He has the image of a King but what say those who wait for the Lord of this castle? All within are in want of clothes, food and water, peace and safety. Could this possibly be the return of the King they have waited for?

The watchmen sound the trumpets of war, a warning of the approaching armies, each trumpet identifying a new type of attack.

Angels flying through the heavens before the approach of the army have sent messages of warning, the last woe concerns the coming of the dragon. WOE, WOE, WOE is the message...(Revelation 8:13) woe to the inhabitant of the earth for the dragon has come down to you having great wrath seeking whom he may devour.

The fortress is the words of the King that has been erected to keep the inhabitants safe from a strong delusion. (Proverbs 18:10) This majestic serpent would devour them in a moment should they turn their backs to him, should they be dazzled by him changing into human form and presenting himself as their saviour.

In this small allegory lies an important illustration what Revelation's warnings are about.

The dragon-like spirit will arouse and reveal itself soon enough, and in all its dragon character, against those who keep the commandments of God and have the faith of Jesus. Since the 2016 US election we are on the precipice of this becoming reality. Under the banner of the dragon there are men who doing all in their power to plunge the world into commercial strife and war. Thus the dragon is trying to bring about a condition of things that will make the world uncivilised.

After a while a small dark cloud appeared from the east. Some men in the castle had left the strong tower, they were under the spell of Apollyon who had dressed in what appeared to be the prince's apparel. The chameleon spoke in a melodious voice which drew some of the people in the castle by

flattery leaving a small number. All were hungry and thirsty, many left their post while others remained loyal.

Then the dragon King's messengers sent threats and these threats were to kill & starve the inhabitants inside the castle. It appeared the army of the enemy was a sea of people and they prostrated themselves before the Dragon king & then arming themselves and going to battle at his directions. As a sea of people charged towards the castle wall the earth shuddered and giant hail stones mixed with brimstone fell upon many while others were stopped by what suddenly appeared as giant men of war.

A cloud now appeared brilliant and a King dressed in white and flaming fire rides a horse and with Him

an army. The army is ten thousand times ten thousand. The flaming sword that proceeded from his mouth destroyed with fire the armies that surrounded the castle. Within in the castle those penitent praying ones seeking deliverance now see their deliverer.

Revelation 19:11 And I saw heaven opened, and behold a white horse; and he that sat upon him [was] called Faithful and True, and in righteousness he doth judge and make war. 19:12 His eyes [were] as a flame of fire, and on his head [were] many crowns; and he had a name written, that no man knew, but he himself. 19:13 And he [was] clothed with a vesture dipped in blood: and his name is called The Word of God.

The rise of the Antichrist

The belief that a commandment keeping church arose at a prophetically appointed time to accomplish a last work for God that was foretold by the prophets Daniel 8 & Revelation 10. At the end of the 2300 days the church was formed to send a startling message to the world, one which it has not fulfilled as yet. It was a commandment keeping church consistent with the messages the prophet delivered.

Revelation 22: 14 Blessed are they that do his commandments, that they may have right to the tree of life, and may enter in through the gates into the city.

God gave to this movement, in harmony with the forecast of prophecy, a manifestation of the prophetic gift in the person and writings of Mrs. E. G. White, a message to meet this end time scenario. Ellen White's message would lead this final movement with her first vision received in 1844, that is the end of the 2300 year period and it was intended 'to finish the transgression, and to make an end of sins, and to make reconciliation for iniquity, and to bring in everlasting righteousness, and to seal up the vision and prophecy, and to anoint the most Holy.' Daniel 9:24.

A strong message was given like no other since early apostles times which presented the perfection of Christ as a model for God's people and has met with a strong and majority opposition in the post WWII era. This was to reject the power of God for His people in the new birth experience. Man must develop morally, intellectually and physically; this is the work of Christ in the first apartment of the heavenly sanctuary on Man's behalf. Salvation is a gift – having received the gift we enter into a relationship with Him and the Father through the Spirit.

"We need to have far less confidence in what man can do and far more confidence in what God can do for every believing soul. He longs to have you reach after Him by faith. He longs to have you expect great things from Him. He longs to give you understanding in temporal as well as in spiritual matters. He can sharpen the intellect. He can give tact and skill. Put your talents into the work, ask God for wisdom, and it will be given you."

Is the book of Revelation really revealing? Can we read it? We are at the very last days but many cannot read the book as it ought to be a Revelation. The circle of prophecy- if we understand prophecy as it ought to be understood at this point of time, I believe we can say prophecy is complete and ready to be understood as a directing and a revealing book of the present and the future. That which started in Daniel does a full circle to the basic premise given in Daniel 2 with the history of the world coming down to the very last time of the ten toes in line with Revelation chapter 17 and also intersects with Daniel 11 & 12. Notice what I said using Daniel 2 as our guide and cornerstone by which we continue to expand in detail as we venture into Daniel 7,8,11,12 and revelation etc we have a guide to understand the Bible's prophetic books if we use Daniel 2 as the measure or direction.

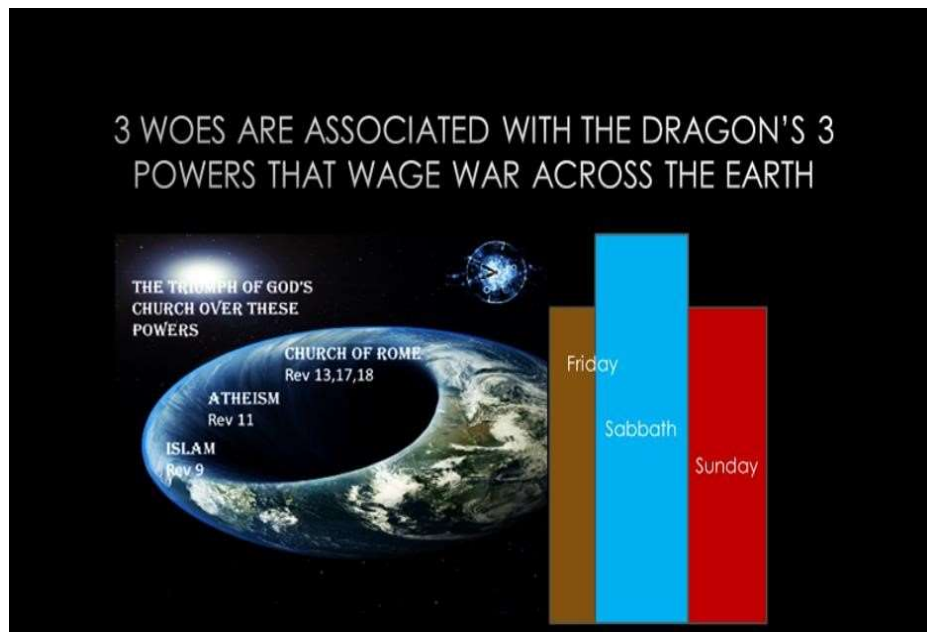

From Babylon to Church power

Now even though the book of Daniel is unsealed there are so many gospels and winds of doctrine that it may be confusing to many for 'Satan as a powerful general has taken the field, and in this last remnant of time he is working through all conceivable methods to close the door against light that God would have come to His people.' Lest it should unmask himself and so he is closing the minds to the book of Revelation by various methods.' A false gospel, double application of prophecy or bogged down in historical teaching without moving further forward into the light. In other words, no progression or false teachings is blinding the eyes of many believers. There are three powers or beasts that arise out of the bottomless pit and associated with three woes.

1st woe- Revelation 9:1-12, 2nd woe- Revelation 11:1-14, 3rd woe- Revelation 12:12-17; 13:1-4. Each of these powers are the war engines of Satan to accomplish his work. They wage war across the world causing confusion and the main instruments in the fight against God's truth. Of the most powerful of these powers is the transformer beast that mimics the Christian faith and persecutes God's people, the Bible and its truth. Sending those that worshipped God according to the dictates of their conscience to the flames and burning the Bible with it. Notre dame cathedral the place where God's people were burnt at the stake during the dark ages. Notice how that which is the signature of the creator the seventh day stands alongside another day, that is the day chosen from these two-opposing powers. Islam's day is Friday and Sunday is day that a contaminated Christian

church embraced which was never sanctified or identified in God's word or kept as Sabbath by Christ on earth but opposes the ten commandments spoken and written by the finger of God as a signature of His creation and a covenant with His people.

While Rome itself is the author of Sunday being a Christian day for worship others are following their signature for their own purposes.

For example, The **European Sunday Alliance** is a network of national Sunday Alliances, trade unions, employers' organisations, civil society organisations, churches and religious communities committed to raise awareness of the unique value of synchronised free time for our **European societies**. Mar 2, 2018 Carrying the world to the same conclusion, that is Sunday as a day of rest, is the environmental movement started on some sound

reasoning but ending up in a totalitarianism which when given into Rome's hands again will through the ecumenical movement be a persecuting power. There are 8 times prophecies given to Rome and 2 to the Islamic power and one to atheism. The cold war saw Rome with Protestant America defeat atheistic communism but a power with greater longevity is Islam. And socialism has been defeated almost entirely throughout the world by the collaboration of Rome and the USA to have a Marxist Jesuit Pope install inclusive capitalism as a worldwide Marxist system. Is it little wonder that Gorbatchev gave the USSR to become part of a greater worldwide socialist system or communist system to come.

Even though Jesuit-produced America Magazine recently tried to make 'The Catholic Case for Communism,' the Holy See has repeatedly condemned it.

The 10 kings that unite together with the beast are illustrated as the ten horns of the beast they are Kings

The book 'Keys of this Blood' says after US falls the Vatican will put its base in Europe. This is exactly what Bible prophecy told us long ago. This would be Rome's last rise to power and successfully achieving world domination that would result in the whore's destruction.

The Riddle- Revelation 17

John is taken into the wilderness and sees a scarlet coloured beast with a whore riding the beast with a golden cup in her hand.

Revelation 17:³ So he carried me away in the spirit into the wilderness: and I saw a woman sit upon a scarlet coloured beast, full of names of blasphemy, having seven heads and ten horns.⁴ And the woman was arrayed in purple and scarlet colour, and decked with gold and precious stones and pearls, having a golden cup in her hand (she holds many golden cups in her hand by her priests) full of abominations and filthiness of her fornication:⁵ **And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH.** (The plague on St John's Lateran of Rome says in Latin she is the mother of all the churches of the world.)

⁸ **The beast that thou sawest was, and is not; and shall ascend out of the bottomless pit (same as Revelation 13:3 and here states the beast is one of the three that ascends out of the bottomless pit) and go into perdition: and they that dwell on the earth shall wonder, whose names were not written in the book of life from the foundation of the world, when they behold the beast that was, and is not, and yet is.**⁹ And here is the mind which hath wisdom. **Here is the Riddle**

The seven heads are seven mountains, on which the woman sitteth.¹⁰ And there are seven kings: five are fallen, and one is, and the other is not yet come; and when he cometh, he must continue a short space.¹¹ And the beast that was, and is not, even he is the eighth, and is of the seven, and goeth into perdition.¹² And the ten horns which thou sawest are ten kings, which have received no kingdom as yet; but receive power as kings one hour with the beast.¹³ These have one mind, and shall give their power and strength unto the beast.¹⁴ These shall make war with the Lamb, and the Lamb shall overcome them: for he is Lord of lords, and King of kings: and they that are with him are called, and chosen, and faithful.¹⁵ And he saith unto me, **The waters which thou sawest, where the whore sitteth, are peoples, and multitudes, and nations, and tongues.**¹⁶ And the ten horns which thou sawest upon the beast,

these shall hate the whore, and shall make her desolate and naked, and shall eat her flesh, and burn her with fire.¹⁷ For God hath put in their hearts to fulfil his will, and to agree, and give their kingdom unto the beast, until the words of God shall be fulfilled.¹⁸ **And the woman which thou sawest is that great city, which reigneth over the kings of the earth.**

Referring to Revelation 17:10,11 we have the riddle which is actually very simple but there be many wild speculations here. God is pointing to the transformer beast of Daniel 2 with an expanded view given here once we solve the riddle of everything that belongs to its full maturity with absolute world domination. Who is this beast and woman that reigns over the kings of the earth? As in

Revelation 13:3 it is the beast that receives a deadly wound and was and is not and is that which is given 8 prophetic time references. Its power is returned after having taken it away. It is made up of the powers that construct the image of Daniel 2 with the added detail of this power in relation to the USA and Europe at the end time. It is a corrupt church working in the name of Christ which has evolved out of Paganism and has planted her temple in the place of the pagan ones. She describes herself as the 'Mother and head of all churches on earth' as found written in Latin on the front entrance of the head church in Rome St John's of Lateran but the Bible says MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH.' The Bible even describes the colours of her adorning priests and in Revelation 18 her vast wealth and treasures.

It is the first and unique power of pseudo Christian power with the state. When the whore is riding the beast, it signifies its absolute world dominance and it is drunk with the blood of martyrs.

In Rev 17:12-14 we are told of Europe's support of Rome when she has absolute power for she cannot function without a power behind her.

Danie 8:25 And through his policy also he shall cause craft to prosper in his hand; and he shall magnify himself in his heart, and **by peace shall destroy many**: he shall also stand up against the Prince of princes; but he shall be broken

Maximus means, following the Vatican II outline and by his influence and craft shall destroy many. By studying and replicating the history they hold

1260 days/years

538 AD _____ 1798 AD
The date is held in place by two pins

Revelation 13:5 And there was given unto him a mouth speaking great things and blasphemies; and power was given unto him to continue **forty [and] two months**.
John 10:33 For a good work we stone thee not; but for blasphemy; and because that thou, being a man, makest thyself God.

7 times marks its importance- use a day for 1 year

- This 1260 day time period is referred to 7 times in the Bible's prophecies
- Scriptures: Daniel 7:25, Daniel 12:7, Revelation 11:2, Revelation 11:3, Revelation 12:6, Revelation 12:14, Revelation 13:5

- 42 months
- 1260 days
- Time, times and half a time- that is 3 ½ years

• 538 AD ← _____ → 1798

Seven times this power is identified by the same time period stated in different ways and after the deadly wound is healed an eighth time is added- a brief period of ultimate power.

Lucifer appeals to the good and evil nature of mankind. Man in this respect believes he is good and has some righteousness in himself or that perfecting his character is not possible this side of eternity but it is not what God allows because the results are that which we see in the world today in murder and strife and religious bigotry.

Who is on whose side will be plainly seen in the near future. Today the elimination and persecution of people is sanitized by western governments and by all others but the time is fast coming when the USA is controlled an evangelical state through the influence of Rome. The Bible has foretold that when they take upon themselves the name of Christ and persecute and kill those who are God's commandment keeping people judgements will follow. A modern-day scenario of what that might happen is something like Guantanamo bay when there will be

imprisonment and torture, loss of property and exile. **The persecutions of Protestants by Romanism, by which the religion of Jesus Christ was almost annihilated, will be more than rivaled when Protestantism and popery are combined.--3SM 387 (1889). {LDE 147.2}**

The world has participated in the torture & murder of God's people and said as they did of Christ it is expedient that one should die that the whole nation should perish. John 11:50

Those who stand by while these atrocities taking place are also judged as if they had committed the crime.

In Revelation 14:1-5 first we are given a view of the 144,000 having the fathers name, These are they which follow the Lamb whithersoever he goeth.

Revelation 15:2 this is them that have gotten the victory over the beast, and over his image, and over his mark, that have been through Daniel 12:1, a time of trouble such as never was since there was a nation.

When it says I saw an angel flying in the midst of heaven in Revelation 14, the angels are leading God people in a special closing work and they are representing that movement.

Revelation 14:6 And I saw another angel fly in the midst of heaven, having the everlasting gospel to preach unto them that dwell on the earth, and to every nation, and kindred, and tongue, and people. What is the everlasting gospel? The power of God to absolutely transform the character that is the thoughts and feelings into the likeness of Christ achieved by looking unto God to transform the character by a close union with the Father and the Son.

Revelation 14:6-9 what's unique about this gospel it is perfecting our relationship with Christ so it has real and practical results changing the thoughts and feelings. A warning is given not to worship the beast and his image, or receive his mark in his forehead, or in his hand,

In Exodus 31:18 the mark or sign of god is clearly given. ¹³ Speak thou also unto the children of Israel, saying, Verily my sabbaths ye shall keep: for it is a sign between me and you throughout your generations; that ye may know that I am the LORD that doth sanctify you. ¹⁷ It is a sign between me and the children of Israel for ever: for in six days the LORD made heaven and earth, and on the seventh day he rested, and was refreshed.

¹⁸ And he gave unto Moses, when he had made an end of communing with him upon mount Sinai, two tables of testimony, tables of stone, written with the finger of God.

The mark of the beast is not hard to understand if you understand the law of God is a requirement to enter into eternal life.

In Daniel 7:25 it say of the little horns he shall think to change times and laws. Which law did he change? The Sabbath commandment to a pagan festival and compelled people to worship that which God never commanded.

The three angels' messages are a dire warning!!! Why so?

In Revelation 12:9,10 the dragon that is Satan IS CAST OUT of heaven and it

says woe to the inhabitants of the earth. This is the third and final woe. Next, we read the world is worshipping the dragon which gave power unto the beast.

Revelation 13:4 is the chapter summary which most are missing-

this is the third woe and then the chapter goes on to tell us how the world arrived at this point with all the world worshipping Lucifer. Its one of the most important points in this world's history and God wants us to be aware of the coming deceptions so he has written it as a Revelation.

Just as in Isaiah 14 first the chapter starts with addressing the King of Babylon and then turns to speak of Lucifer and his destruction so this chapter is doing likewise. In Ezekiel 28 the Lord addresses the King of Tyrus and then Lucifer. Revelation 13:13 the beast with lamblike horns speaks as a dragon causes fire to come down from heaven. It both addresses the power that introduces Lucifer to the world as it joins the beast that rises from the sea and it is describing Lucifer himself. He causes fire to come down in the sight of men and by this power claims and is accepted by the world as Christ.

Now do you understand the urgency and the startling nature of the message? Satan is on the ground.

The destroyer has come do not receive him, his mark or his image or you will be destroyed with him in the lake of fire.

Revelation 14:9,10 if any man worship ⁹ And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive his mark in his forehead, or in his hand,¹⁰ The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb:
¹¹ And the smoke of their torment ascendeth up for ever and ever: and they have no rest day nor night, who worship the beast and his image, and whosoever receiveth the mark of his name. ¹² Here is the patience of the saints: here are they that keep the commandments of God, and the faith of Jesus. So, the difference is spelt out here. Here are they accept the teaching the person of Satan and here are they that are loyal to Christ.

The image is of the son of man but it's not a man it's a demon.

The city of Babylon, Bāb-ilim, means "**gate of God**". Which became known as Babylon meaning in Hebrew confusion- the name's meaning is very significant in revealing prophecy.

Lucifer will counterfeit the church and the revelations. The union of church and state in Europe symbolised by the 12 stars with the 10 kings joining hands to give power to Rome will appear as the prophetic bride of Christ as described in Revelation 12. Strong delusions will come as demons pose as God's messengers and shall appear to send messages from dead loved ones.

Here is the power of Satan even to take God's Son to a high place while appearing as an angel of light.

Luke 4 ⁵ And the devil, taking him up into an high mountain, shewed unto him all the kingdoms of the world in a moment of time.⁶ And the devil said unto him, All this power will I give thee, and the glory of them: for that is delivered unto me; and to whomsoever I will I give it.⁷ If thou therefore wilt worship me, all shall be thine.⁸ And Jesus answered and said unto him, Get thee behind me, Satan: for it is written, Thou shalt worship the Lord thy God, and him only shalt thou serve.

He appears as the Son of man but not as he was when on earth but as described in Revelation. The summary is given of Revelation 13 and then describes the powers that introduce lucifer to the world

Satan . . . will come personating Jesus Christ, working mighty miracles; and men will fall down and

worship him as Jesus Christ. We shall be commanded to worship this being, whom the world will glorify as Christ. What shall we do? Tell them that Christ has warned us against just such a foe, who is man's worst enemy, yet who claims to be God, and that when Christ shall make His appearance it will be with power and great glory, accompanied by ten thousand times ten thousand angels and thousands of thousands, and that when He shall come we shall know His voice.--6BC 1106 (1888). {LDE 165.3}

So where has Christ warned us? Throughout the prophecies. He will present the Elijah message causing fire to come down from heaven and a prophet or prophets will run before him. Satan will come in to deceive if possible the very elect. He claims to be Christ, and he is coming in, pretending to be the great medical missionary. He will cause fire to come down from heaven in the sight of men to prove that he is God.--MM 87, 88 (1903). {LDE 167.4}

It is stated in the Word that the enemy will work through his agents who have departed from the faith, and they will seemingly work miracles, even to the bringing down of fire out of heaven in the sight of men.--2SM 54 (1907). {LDE 167.5} Revelation 13:13

The many false teachings of scripture give him is pedestal such as the rapture, a Jesuit teaching, purgatory and the immortal soul, saved in your sins, the commandments are done away with. With the crowning act in the great drama of deception only 2 religions remain. Satan will use the rapture teaching to counterfeit the true which Jesus gave us special warning of. Matthew 24:26 he is in the secret chambers; believe it not.

In different parts of the earth, Satan will manifest himself among men as a majestic being of dazzling brightness, resembling the description of the Son of God given by John in the Revelation. The Great Controversy, p. 624

Matthew 24: 24,25 false Christ's He is in the desert. A prophet announces the coming – look out for it.

Rev 13:15 He had power to give life to the image of the beast.. Who is that image? The image of the beast is not only apostate Protestant America that persecutes it is Lucifer Himself as on the plain of Dura commanding worship and the mark of the beast is the day Lucifer instituted through the King of babylon Sunday worship.

"Now, *Romiith* is the Hebrew name for the Roman beast or Roman kingdom, and this word as well as the former word *Lateinos* contains the just and exact number 666. It is really surprising that there should be such a fatal coincidence in both names in both languages. No other word, in any language whatever, can be found to express both the same number and the same thing."—"Newton on Prophecy," page 620.

Rev 13:18 Here is wisdom. Let him that hath understanding count the **number of the beast: for it is the number of a man**; and his number is Six hundred threescore and six.

The Babylonian system of mathematics was a sexagesimal (base 60) numeral system. From this we derive the modern day usage of 60 seconds in a minute, 60 minutes in an hour, and 360 degrees in a circle.

The dial of a clock is derived from the 12 houses of the Zodiac. Thus the Zodiac was a Heavenly Clock with which today we measure time.

The numbers 1+2+3 to 36 added up, equals the summary number of the "mystery god," or the hidden one (666 god). These superstitious pagans gave the number 666 to their Sun-god (The All-Seeing Eye as seen). So the point is that 666 is a conjuring number for a demon. The man conjures the demon the sum of the demons or of the gods.

It is the number of a man and a beast because it identifies the abomination of desolation- that which started as the astrology and mystical teaching of Babylon with the use of 6, with the sun god adding up to 666 from the sum of the lesser gods and the man who ultimately fronts the system that developed who is the conjurer.

Note that the adding of the 666 is a remarkably three languages with the Latin, Greek and Hebrew.

Rev 16:13,14 Lucifer materialises on earth to present himself as the Christ. And together the beast (Rome), the false prophet (apostate protestantism) and Lucifer make plan together to take the world describing it as demons like frogs coming out of their mouths to bring the kings of the earth to the great day of God Almighty. ...

The false prophet like John the Baptist in wilderness prepares the way for the coming of the false Christ.

Here they are together the dragon, the beast and the false prophet directing the kings of the earth to the great day of the battle of God almighty. Revelation 16: ¹³ And I saw three unclean spirits like frogs come out of the mouth of the dragon, and out of the mouth of the beast, and out of the mouth of the false prophet.

¹⁴ For they are the spirits of devils, working miracles, which go forth unto the kings of the earth and of the whole world, to gather them to the battle of that great day of God Almighty.

We must understand the state of the dead, for the spirits of devils will yet appear to them, professing to be beloved friends and relatives, who will declare to them that the Sabbath has been changed, also other unscriptural doctrines.--EW 87 (1854). {LDE 156.3}

Deut 18:10-13 Thou shalt not suffer a witch to live.

Isaiah 8:19,20 And when they shall say unto you, Seek unto them that have familiar spirits, and unto wizards that peep, and that mutter: should not a people seek unto their God? for the living to the dead? ²⁰ To the law and to the testimony: if they speak not according to this word, it is because there is no light in them.

Ecc 9:5,6 For the living know that they shall die: but the dead know not anything, neither have they any more a reward; for the memory of them is forgotten.⁶ Also their love, and their hatred, and their envy, is now perished; neither have they any more a portion for ever in anything that is done under the sun.

Mark 12:27 He is not the God of the dead but of the living

A false gospel is already circulation amongst a majority of Sabbath and Sunday keeping denominations. The supernatural experience of person to restore a man to God's original intention this side of the second coming is said to be impossible. This theology fits in well with the mentality of mankind. "But it does away with Jesus the Mediator. To stand before God without a Mediator is a fearful thing. Matthew 22:1-11 says that those who try to do this will be thrown from the wedding feast - heaven."

Lets look at someone's statement here: *"THE DANGERS OF THIS THEOLOGY AND IT'S THREAT TO OUR CHURCH ARE UNPARALLELED IN OUR HISTORY.*

..... But it does away with Jesus the Mediator. To stand before God without a Mediator is a fearful thing. Matthew 22:1-11 says that those who try to do this will be thrown from the wedding feast - heaven.

The robe of Christ's righteousness is His perfection. At justification - conversion - Christ puts on you His robe, His perfection. When God looks at you now He sees Christ, not you. He sees Christ's perfection, Christ's sinlessness, Christ's character. GOD DOES NOT SEE YOU. He does not see your life, your actions, your behaviour, good and bad - GOD SEES CHRIST."

Lets examine this statement. God is not taking to heaven a person whose actions and behaviour are good and bad. It is to be a practical result of character transformation that makes the mind fit for heaven and it a change in reality of the neural pathways and of the behaviour. The born again experience is both a supernatural and practical experience in which we are to be receiving morning and night of heavens provisions until the point we are sealed for eternity and no one but God knows that's point and result. We must cling to Him.

But on one point there will be a marked distinction--Satan will turn the people from the law of God. Notwithstanding this, **so well will he counterfeit righteousness that, if it were possible, he would deceive the very elect.** Crowned heads, presidents, rulers in high places, will bow to his false theories.--FE 471, 472 (1897). {LDE 166.1} You can see what

we believe concerning the gospel in relation to the law and in relation to it being a free gift is critical in a life and death struggle intensifying as we reach the end.

Rev 15:5 The temple of God was opened in heaven, and there was seen in his temple the ark of his testament" the Bible as it goes through history takes us through the various apartment and here we see into the Most Holy place as probation is ending and final descisions for eternity are being made. The gospel of Lucifer must be combated by the gospel of God's people.

Various gospels

The true gospel is a free gift that is relational and we are to perfect out relationship with God. This gospel abides by the law of God and His teachings. We are to follow the model Christ laid down while on earth.

Ecumenical gospel disregards the various Protestant historical teachings to join each other and Rome on common points of belief- it's a Vatican II formula

A kindergarten gospel- it has a gospel message story but does not warn the congregation of current events to meet the coming crisis

Pentecostal gospel- through supernatural gifts such as the gift of tongues and other false teachings, opens the door to false prophecies and delusions that are not based on the law and gospel of Christ.

Prosperity gospel- Was Jesus living and presenting a prosperity gospel? No but rather sacrifice

It's a gospel that says we must be born again but we can never be perfect like Christ. It means a forensic Christ who is altogether different from ourselves makes up our short comings and sins. This is a half-truth.

Cold orthodoxy understands the law but there is a lack of practical love. Love is spoken of and acts of charity are seen but it is not an indiscriminate love as Christ has admonished.

A very popular misconception is a belief in a super saviour as one altogether different

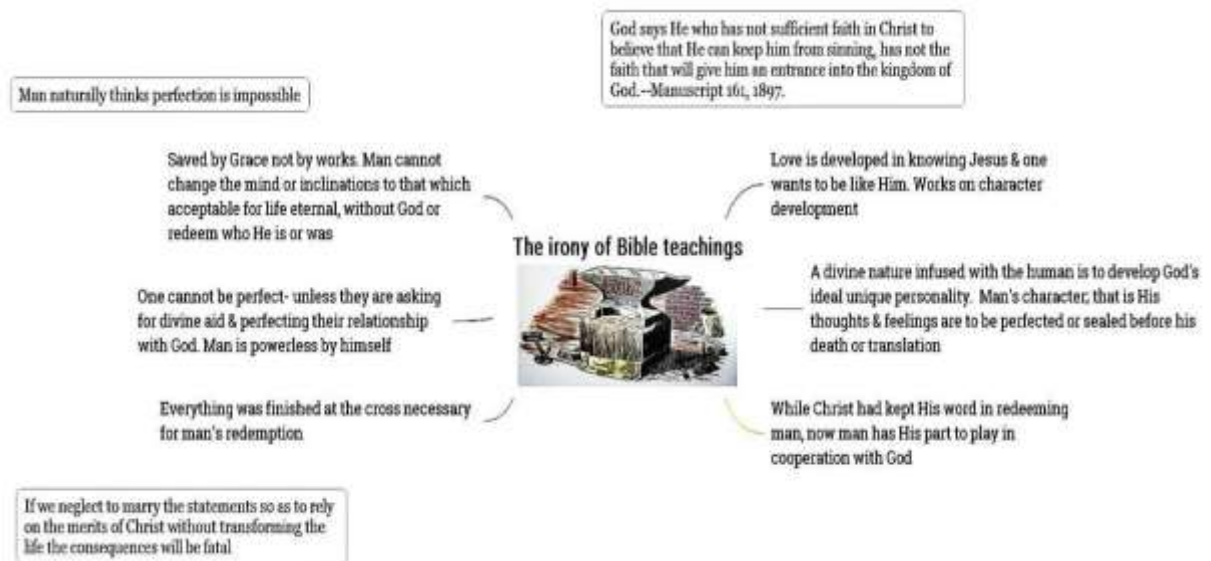

A liberal gospel with café style and popular music - an easy-going gospel that appears to be friendly and loving but is not deep rooted.

Penance, confession and good works. Man's work is substituted for God's work

I believe in God but do not worship God in a church structure. The Lord of the OT and NT worked through structure to

Born a homosexual and always a homosexual, this is a distorted gospel that says we should not discriminate between gender and sexes. This liberation gospel has taken hold in the West. It ignores the word of God

God seals every character for eternity not those just at end of time but every single person who desires to be like Jesus is sealed at some point before death. Is it impossible before we die to perfectly restore the mind to be like Christ which most say is an impossible thing? Paul says I strive to perfection though I have not already obtained Hebrews 6:1... God has allowed all the power of heaven to be given for our restoration. When we reach heaven there is no mediator, no heavenly sanctuary for that mediation and after death of course no mediator. Nothing changes after that point. You are either seal by your character for eternity or you are not and that sealing is by God spirit. Our characters are to be perfected by our relationship with God. Paul says to those who are in Christ there is no law and he also says not the hearers of the law but the doers shall be justified. The signature of God's creation is the Sabbath commandment this Lucifer will look to rid the world of.

The righteousness that Lucifer presents appeals to our good & evil natures & it's a gospel suited to many churches. Despite the impossibilities the gospel present we are to by faith believe and rely on Him. Matthew 19:25 "Who then can be saved?" ²⁶ But Jesus looked at *them* and said to them, "With men this is impossible, but with God all things are possible."

The time of probation ending must come to usher in the new kingdom but it is happening every day with individual probations closing. However, there is a time when probation closes for all that are on the earth and Christ then receives His kingdom. Daniel 12:1 when Michael shall stand

up Revelation 22:11 He who is unjust, let him be unjust still; he who is filthy, let him be filthy still; he who is righteous, let him be righteous still; he who is holy, let him be holy still. "Then there will be no Priest in the sanctuary to offer sacrifices, their confessions, and their prayers before the Father's throne. *Early Writings*, p. 48. Those who are living upon the earth when the intercession of Christ shall cease in the sanctuary above are to stand in the sight of a holy God without a mediator *The Great Controversy*, p. 425. When Jesus leaves the sanctuary, darkness covers the inhabitants of the earth. In that fearful time the righteous must live in the sight of a holy God without an intercessor (*ibid.*, p. 614)."

Perfect your relationship with Christ in love. The mind must be right. The thoughts and feelings that make up the character must be right. Understand the perfection Christ requires is the perfection of a relationship with Him! This is what Christ was emphasising. Jesus presented the family- His father to be our Father. In different parts of the earth, Satan will manifest himself among men as a majestic being of dazzling brightness, resembling the description of the Son of God given by John in the Revelation.

When Christ shall cease His work as mediator in man's behalf, then this time of trouble will begin. Then the case of every soul will have been decided, and there will be no atoning blood to cleanse from sin. When Jesus leaves His position as man's intercessor before God the solemn announcement is made, "He that is unjust, let him be unjust still: and he which is filthy, let him be filthy still: and he that is righteous, let him be righteous still: and he that is holy, let him be holy still" (Revelation 22:11). Then the restraining Spirit of God is withdrawn from the earth. - PP 201 (1890).

In different parts of the earth, Satan will manifest himself among men as a majestic being of dazzling brightness, resembling the description of the Son of God given by John in the Revelation.

They declared that they had the truth, that miracles were among them; that angels from heaven talked with them and walked with them, that great power and signs and wonders were performed among them, and that this was the temporal millennium they had been expecting so long. The whole world was converted and in harmony with the Sunday law, and this little feeble people stood out in defiance of the laws of the land and the law of God, and claimed to be the only ones right on the earth....(1884)

The answer from God to this crisis is a mighty angel coming down from heaven with power as seen in Revelation 18. This signifies the latter rain but none will receive of this power of the Holy spirit while

sins remain in the life. If a person has no desire to work for God then the salvation, they dream of will be just a dream and not a reality. As the events of the world progress we like the children of Israel leaving Egypt will have to rely on God to survive and these tests will if we let them lead us in a richer experience with God. Revelation 18:1 After these things I saw another angel coming down from heaven, having great authority, and the earth was illuminated with his glory. ² And he cried mightily with a loud voice, saying, "Babylon the great is fallen, is fallen, and has become a dwelling place of demons, a prison for every foul spirit, and a cage for every unclean and hated bird! Notice the earth is illuminated with his glory.

Not one of us will ever receive the seal of God while our characters have one spot or stain upon them. It is left with us to remedy the defects in our characters, to cleanse the soul-temple of every defilement. Then the latter rain will fall upon us as the early rain fell upon the disciples on the day of Pentecost. {CET 189.2}

Millennium of peace comes after great destruction peace and then sudden destruction 1 Thess 5:3

Satan plots with the wicked men of the earth to finally rid the world of God's children and at this point God interposes and the plagues fall.

Lucifer has no power except given by permission and uses men for his destructive work

Men will be deceived and will exalt him to the place of God, and deify him. But Omnipotence will interpose, and to the apostate churches that unite in the exaltation of Satan, the sentence will go forth, "Therefore shall her plagues come in one day, death, and mourning, and famine; and she shall be utterly burned with fire: for strong is the Lord God who judgeth her" [Revelation 18:8].--TM 62 (1893). {LDE 168.2} As lucifer recieves the adoration of the world something happens the 7 last plagues fall from heaven. I saw the leading men of the earth consulting together, and Satan and his angels busy around them. I saw a writing, copies of which were scattered in different parts of the land, giving orders that

unless the saints should yield their peculiar faith, give up the Sabbath, and observe the first day of the week, the people were at liberty after a certain time, to put them to death.--EW 282, 283 (1858). {LDE 258.3} His goal is to rid the earth of everyone but those who will give him homage then he can prove

that the world is under his total domination. The 3 beasts from Revelation representing Apostate Christianity, atheism and Islam from the bottomless pit was for the purpose to cause confusion and eventually bring the world under his control. To wipe away the character and allegiance to God from the face of the earth. For those who have perfected their life in love of God will be raised at the latter day to eternal life. Daniel 12:4

Summary

The third woe is Lucifer worshipped as god on earth by the healing of the deadly wound when the USA unites with Rome to give her great power.

The beast that speaks as a dragon and has lamblike horns describes apostate Protestantism and Lucifer himself. He has a lamblike appearance as the Christ but speaks as a dragon and causes fire to come down in the sight of men.

The materialisation of Lucifer comes through the work of the two beasts of Revelation 13. In the three angles messages of Revelation 14 is a dire warning to these developments to not receive the false Christ. In Revelation 15 the ark of the covenant in heaven is seen as the requirements for heaven and the gospel are revealed by heaven through God's servants.

The probation of man is about to end and God is giving repeated warning to the world.

In Revelation 16 Satan with the beast and false prophet gather the kings of the earth to fight the coming of Jesus and plot to destroy God's people.

Revelation 17 the church or the whore is given ultimate power through the ten kings of Europe but she shall come to her end and none shall help her

Revelation 18 the power of the Holy Spirit is seen in the last movement of earth for the salvation of mankind before Christ come as the Rock and smashes the image to pieces.

The King of the North

Matthew 24 ⁵ For many shall come in my name, saying, I am Christ; and shall deceive many.

In Daniel 8 The little horn comes from the division of Greece – it does not conquer Greece but takes over with what I call the changing of the horns

Daniel 11:40 At the time of the end we are directed to the King of the North and the King of the south. When is the time of the end? Daniel 4:4 many shall run to and fro and knowledge shall be increased we are in that time Daniel 12:7-9 also tells us the time of the end being after the 1260 days have finished in 1798.

In Daniel 11 there are two powers discussed, the king of the South Egypt and the King of the North and to be consistent with all that was discussed in the previous visions and dreams of Daniel, I believe the king of the North is Rome. Without this conclusion we are not following the model set down from Daniel 2. We would not be following the trend or the expansion of the visions that deals with Rome and the little horn. Daniel 11 focuses on the abomination of desolation which ultimately becomes the little horn that did make the nations weak with a mixture of iron and clay.

When the little horn acts it uses an imperial power to do its bidding. Without France Rome would not have the power it had through the dark ages. Without the USA Rome becomes a less significant player today. The history of Rome post WWII, acting together with the USA using its intelligence and its military might and prophecy pointing to their alliance tells us that the King of the North is that joint power found in Revelation 13. As we watch the USA in action on the world military stage, we can see Rome's wars being played out through it if we reach post WWII history. The USSR came down by the concerted effort of these two powers for example.

The Ottoman empire leads us to the world of terrorism we find ourselves in today. Apostate Christianity warring against Islamic powers. The eyes of both Rome and Islam is on domination and controlling Jerusalem. But it says in Daniel 11:45 And he (the King of the North) shall plant the tabernacles of his

palace between the seas in the glorious holy mountain; yet he shall come to his end, and none shall help him.

⁴³ But he shall have power over the treasures of gold and of silver, and over all the precious things of Egypt: and the Libyans and the Ethiopians shall be at his steps.

⁴⁴ But tidings out of the east and out of the north shall trouble him: therefore he shall go forth with great fury to destroy, and utterly to make away many.

The invading powers of Daniel's image is always from the North. Jeremiah 1:13-15 I will call all the families of the kingdoms of the north

Jeremiah 1:13-15 I will call all the families of the kingdoms of the north speaking of Babylon's conquest of rebellious Israel

Jeremiah 50:3&9 speaking of the conquest of the Medes and the Persian over Babylon, out of the north which shall make her land desolate

Ultimately the King of the North is God which Lucifer coverts Isaiah 14:12 How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations! ¹³ For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north:

The King of the North defeats the king of the south, and takes his kingdom (Dan. 11:15, 16), after which he stands in the "glorious land" (Dan. 11:16) -- Palestine. What began with pagan powers is repeated by what is now religious political powers associated by the woes of Revelation being repeated in Daniel 11:40-45.

The kingdom of the south Egypt is "overflown" with arms of a flood from before him (Dan. 11:22), and he loses Egypt and Palestine.

The King of the North becomes strong with a small people (Dan. 11:23) and divides the land for gain (Dan. 11:39).

In the time of the end, the King of the North again defeats the king of the south, enters into the countries, overflows and passes over (Dan. 11:40); then once more stands in the glorious land. Who is that King? The King of the North as I have stated I think is Rome; the king of the North being the main player in Daniel 7,8,9. Following this, Edom and Moab and the chief children of Ammon, escape out of his hand (Dan. 11:41); and the Libyans, also the Ethiopians, follow at his steps (Dan. 11:43).

Tidings out of the east and out of the north trouble him. Therefore, he goes forth with great fury, destroys, and utterly makes away many (Dan. 11:44; Revelation 17). The tiding from the North is the real return of Christ, for God's throne is in the North and He comes from the east. Matthew 24: ²⁷ For as the lightning cometh out of the east, and shineth even unto the west; so shall also the coming of the Son of man be.

The "king of the north" plants "the tabernacles of his palace between the seas in the glorious holy mountain" (Dan. 11:45), When Lucifer through the image of the beast and the beast shall plant Himself between the mountains and the Holy see; when he is crowned as this earth's king, then Michael stand up to take off His priestly robes and receive His kingdom and the plagues will fall.

At this time, we see the push from evangelical America to support the Jews and place a third temple in Palestine. Trump has been liked to Cyrus the Great in recognising Jerusalem as the Israeli capital and moving the embassy to Jerusalem. "An evangelical Christian, Mr. Pompeo had just returned from tours of the Church of the Holy Sepulcher...The

interviewer posed a question around a biblical tale about a queen who saved Jews from slaughter by a Persian official: Did Mr. Pompeo think President Trump had been "raised for such a time as this, just like Queen Esther, to help save the Jewish people from the Iranian menace?"

"As a Christian, I certainly believe that's possible," Mr. Pompeo said. "It was remarkable — so we were down in the tunnels where we could see 3,000 years ago, and 2,000 years ago, if I have the history just right — to see the remarkable history of the faith in this place, and the work that our administration's done, to make sure that this democracy in the Middle East, that this Jewish state, remains. I am

confident that the Lord is at work here.” This a belief in a false prophecy. The Rapture and The Real World: Mike Pompeo Blends Beliefs And Policy April 19 2019, Edward Wong

Said Donald Trump at a re-election rally in 2020, “We have God on our side.” They have long been some of the most chilling words in the English language. Perhaps never more so than when uttered by Donald Trump in a re-election campaign.

The president made the claim at an Evangelicals for Trump rally at a megachurch in Miami on Friday night, a day after taking America to the brink of war with the killing in Baghdad of Qassem Suleimani, Iran’s top general and potential future leader. The Guardian, David Smith in Washington Jan 5th 2020.

Jesus people shall deliver his people, every one that shall be found written in the book." Dan. 12:1.

Lucifer, the false prophet and Rome gather the kings of the earth to defeat Christ but he comes in great majesty and power even to raise many of the dead and the image of a false Christianity is smashed to pieces.

The King of the North goes through three phases (with reference to Daniel 11)

1. Pagan Rome
2. ‘Christianised’ Rome
3. Ecumenical Rome

The King of the South- Egypt goes through three phases

1. Pagan Egypt
2. ‘Christianised’ Egypt
3. Muslim Egypt

In order for the King of the North to assume the worlds dominate position it has to deal with Egypt. In a modern setting that would be dealing with Islam to plant His tabernacle between the Holy sea and the mountains preparing the way for the antichrist

The world is stirred with the spirit of war. The prophecy of the eleventh chapter of Daniel has nearly reached its complete fulfillment. Soon the scenes of trouble spoken of in the prophecies will take place.
{9T 14.2}

The great compromise for world domination

The great bridge builder, that is 'pontifex maximus' prepares the way by imbuing part of these religions of Islam and communism into its own body; using both war and peace negotiations to finally prepare the way for total domination and the coming of antichrist to the temple mount.

Matthew 24/Luke 21

Matthew 24 may seem less striking at first than the complexity of the book of Revelation but in fact it has Christ point to the meaning of Daniel and Revelation, something most Bible student have missed in its depth of meaning. There is depth of meaning yet very simple. Just as the gospel of John has a significant impact on the understanding of the gospel so Matthew 24 is significant in understanding the coming of Christ in relation to the coming of antichrist.

It is fitting that the book The Great Controversy by Ellen G White starts with the destruction of the temple for it is an example of the greater destruction of the world at the coming of Christ and Christ Himself illustrates this point giving reference to the book of Daniel and the meaning in straight forward language.

The disciples showed Jesus the glory of Herod's temple and His reply must have startled them when he told them that the temple would be destroyed and not one stone shall remain upon another. This was fulfilled of course as the soldiers scoured the site for gold. The disciples correlated the destruction of the temple to the end of the world and asked when these things would be?

Matthew 24:3 And as he sat upon the mount of Olives, the disciples came unto him privately, saying, Tell us, when shall these things be? and what [shall be] the sign of thy coming, and of the end of the world?

So, the disciple related the end of the world with the destruction of the temple similar to the Millerite's in 1843 & 1844, who related the cleaning of the sanctuary to the coming of Christ.

First thing Jesus replies is let no man deceive you Matthew 24:5 For many shall come in my name, saying, I am Christ; and shall deceive many. Noting the first answer that is repeated is important. Jesus continues to take us through the controversy down through time. After a summary of events- wars and rumours of war but the end shall not come yet, then He explains when the end does come. The answer comes in Matthew 24:14 And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come. Matthew 24:15 When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place, (whoso readeth, let him understand:) The angels are holding back the winds of strife while the gospel goes forward to warn the inhabitants of the world. The man of sin is standing in the Holy Place – He commands all to obey laws after His own devising. That which is the keys to 'heaven and hell' he assumes enforcement of for his own assumption of power making way for the false messiah.

By the decree enforcing the institution of the papacy in violation of the law of God, our nation [the United States] will disconnect herself fully from righteousness. When Protestantism shall stretch her hand across the gulf to grasp the hand of the Roman power, when she shall reach over the abyss to clasp hands with spiritualism, when, under the influence of this threefold union, our country shall repudiate every principle of its Constitution as a Protestant and republican government, and shall make provision for the propagation of papal falsehoods and delusions, then we may know that the time has come for the marvelous working of Satan and that the end is near. {Mar 190.2}

As the approach of the Roman armies was a sign to the disciples of the impending destruction of Jerusalem, so may this apostasy be a sign to us that the limit of God's forbearance is reached, that the measure of our nation's iniquity is full, and that the angel of mercy is about to take her flight, never to return. The people of God will then be plunged into those scenes of affliction and distress which prophets have described as the time of Jacob's trouble.

"The time is not far distant, when, like the early disciples, we shall be forced to seek a refuge in desolate and solitary places. As the siege of Jerusalem by the Roman armies was the signal for flight to the Judean Christians, so the assumption of power on the part of our nation, in the decree enforcing the papal Sabbath, will be a warning to us. It will then be time to leave the large cities

Matt 24:16 Then let them which

be in Judaea flee into the mountains: 24:17 Let him which is on the housetop not come down to take any thing out of his house:

24:18 Neither let him which is in the field return back to take his clothes. 24:19 And woe unto them that are with child, and to them that give suck in those days!

24:20 But pray ye that your flight be not in the winter, neither on the sabbath day:

[As you read through Daniel 11 & 12 there is a remarkable parallel to Matthew 24:](#)

Matthew 24:21 For then

shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be. Daniel 12:1 and there shall be a time of trouble such as never was since there was a nation..

24:22 And except those days should be shortened, there should no flesh be saved: but for the elect's sake those days shall be shortened. Daniel 11:44 But tidings out of the east and out of the north shall trouble him: therefore he shall go forth with great fury to destroy, and utterly to make away many.

24:23 Then if any man shall say unto you, Lo, here [is] Christ, or there; believe [it] not.

Revelation 13:4 And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, Who [is] like unto the beast? who is able to make war with him? 24:24

24:24 For there shall arise false Christs, and false prophets, and shall show great signs and wonders; insomuch that, if [it were] possible, they shall deceive the very elect.

Persons will arise pretending to be Christ Himself, and claiming the title and worship which belong to the world's Redeemer. They will perform wonderful miracles of healing and will profess to have revelations. As the crowning act in the great drama of deception, Satan himself will personate Christ. The church has long professed to look to the Saviour's advent as the consummation of her hopes. Now the great deceiver will make it appear that Christ has come. In different parts of the earth, Satan will manifest himself among men as a majestic being of dazzling brightness, resembling the description of the Son of God given by John in the Revelation. Revelation 1:13-15. The glory that surrounds him is unsurpassed by anything that mortal eyes have yet beheld. The shout of triumph rings out upon the air: "Christ has come! Christ has come!" The people prostrate themselves in adoration before him, while he lifts up his hands and pronounces a blessing upon them, as Christ blessed His disciples when He was upon the earth. His voice is soft and subdued, yet full of melody. In gentle, compassionate tones he presents some of the same gracious, heavenly truths which the Saviour uttered; he heals the diseases of the people, and then, in his assumed character of Christ, he claims to have changed the Sabbath to Sunday, and commands all to hallow the day which he has blessed. He declares that those who persist in keeping holy the seventh day are blaspheming his name by refusing to listen to his angels sent to them with light and truth from heaven, contradicting the testimony of scripture

Daniel 11:45 And he shall plant the tabernacles of his palace between the seas in the glorious holy mountain; yet he shall come to his end, and none shall help him. 24:26 Wherefore if they shall say unto you, Behold, he is in the desert; go not forth: behold, [he is] in the secret chambers; believe [it] not. "As the crowning act in the great drama of deception, Satan himself will personate Christ. The church has long professed to look to the Saviour's advent as the consummation of her hopes. Revelation 1:13-15.

The glory that surrounds him is unsurpassed by anything that mortal eyes have yet beheld. The shout of triumph rings out upon the air: 'Christ has come! Christ has come!' uses his agents that is fallen angels and dead loved ones he relays his messages to humanity on the deception he taught to Eve in Eden that the dead are alive.

Ecclesiastes 9:5-6 For the living know that they shall die: but the dead know not anything, neither have they any more a reward; for the memory of them is forgotten.

⁶ Also their love, and their hatred, and their envy, is now perished; neither have they any more a portion for ever in anything that is done under the sun.

Matthew 24:27 For as the lightning cometh out of the east, and shineth even unto the west; so shall also the coming of the Son of man be. 24:28 For wheresoever the carcase is, there will the eagles be gathered together. Many people believe the Jesuit teaching of the rapture but we must take the plain word of God as it teaches us. There is not rapture but the second coming of Christ. The rock smashes the image of Daniel 2 to pieces and Christ receives His people- those that are sleeping in the grave are resurrected, and those waiting upon the earth are also caught up together with resurrected saints to meet the lord in the air. The wicked will wail at his coming and shall be destroyed. Christ is warning against the false teaching of the rapture by explaining the events surrounding His second coming. Satan uses this false teaches to impersonate Christ as He is unable to replicate the event.

The warning is given ->Matthew 24:26 Therefore if they shall say unto you, Behold, he is in the desert; go not forth: behold, he is in the secret chambers; believe it not.

²⁷ For as the lightning cometh out of the east, and shineth even unto the west; so shall also the coming of the Son of man be. Revelation 1:7 Behold, he cometh with clouds; and every eye shall see him, and they also which pierced him: and all kindreds of the earth shall wail because of him. Even so, Amen.

If they say Christ is in the desert or in the secret chamber believe it not for His coming shall be as the lightning from east to West and every living person shall see it. If he who claims to be Christ is in the desert or in the secret chamber believe it not. The ones left behind are the wicked whose carcasses are left to the birds. Joel 2:20 But I will remove far off from you the northern army, and will drive him into a land barren and desolate, with his face toward the east sea, and his hinder part toward the utmost sea, and his stink shall come up, and his ill savour shall come up, because he hath done great things.

Revelation 16 ¹³ And I saw three unclean spirits like frogs come out of the mouth of the dragon, and out of the mouth of the beast, and out of the mouth of the false prophet. ¹⁴ For they are the spirits of devils,

working miracles, which go forth unto the kings of the earth and of the whole world, to gather them to the battle of that great day of God Almighty.¹⁵ Behold, I come as a thief. Blessed is he that watcheth, and keepeth his garments, lest he walk naked, and they see his shame. ¹⁶ And he gathered them together into a place called in the Hebrew tongue Armageddon. **The invading army from the North is destroyed and the corpse will stink as the wicked are slain by the brightness of His coming. Babylon will fall and Satan's kingdom in the judgements of God.**

The beasts form a dual hegemony as described in Revelation 13. The little horn has no power on its own but has been using the most powerful nation on earth to carry forward its wars and purposes unto an image to the beast is formed in the United States. Revelation 13:17 And no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. People can buy and sell if they keep the mark of Rome's authority.

Mark of the beast Sunday worship is the mark of the church's authority which will be enforced through climate change while God's sign or mark is the Sabbath exodus 31:13-18. A person must comply with her worship/ environment day.

A person can come under the authority of the church. Revelation 17:5 gives us the name of the beast. Babylon Mother of all churches. Gate of the God. By the authority of the church, a man will be able to buy and sell. This church is the gateway to the coming of Lucifer as the false messiah.

Number of the beast a conjuring number 666. The world is told to bow down to worship the conjured demon – Lucifer.

Revelation 19:11 And I saw heaven opened, and behold a white horse; and he that sat upon him was called Faithful and True, and in righteousness he doth judge and make war. ¹² His eyes were as a flame of fire, and on his head were many crowns; and he had a name written, that no man knew, but he himself. ¹³ And he was clothed with a vesture dipped in blood: and his name is called The Word of God. ¹⁴ And the armies which were in heaven followed him upon white horses, clothed in fine linen, white and clean. ¹⁵ And out of his mouth goeth a sharp sword, that with it he should smite the nations: and he shall rule them with a rod of iron: and he treadeth the winepress of the fierceness and wrath of Almighty God. ¹⁶ And he hath on his vesture and on his thigh a name written, KING OF KINGS, AND LORD OF LORDS. ¹⁷ And I saw an angel standing in the sun; and he cried with a loud voice, saying to all the fowls that fly in the midst of heaven, Come and gather yourselves together unto the supper of the great God; ¹⁸ That ye may eat the flesh of kings, and the flesh of captains, and the flesh of mighty men, and the flesh of horses, and of them that sit on them, and the flesh of all men, both free and bond, both small and great. ¹⁹ And I saw the beast, and the kings of the earth, and their armies, gathered together to make war against him that sat on the horse, and against his army. ²⁰ And the beast was taken, and with him the false prophet that wrought miracles before him, with which he deceived them that had received the mark of the beast, and them that worshipped his image. These both were cast alive into a lake of fire burning with brimstone. ²¹ And the remnant were slain with the sword of him that sat upon the horse, which sword proceeded out of his mouth: and all the fowls were filled with their flesh.

Understanding Bible references to lucifer

We note here in Ezekiel that the chapter first addresses the King of Tyrus and then goes behind the scene to Lucifer. Ezekiel 28:¹² Son of man, take up a lamentation upon the king of Tyrus, and say unto him, Thus saith the Lord GOD; Thou sealest up the sum, full of wisdom, and perfect in beauty. ¹³ Thou hast been in Eden the garden of God; every precious stone was thy covering, the sardius, topaz, and the diamond, the beryl, the onyx, and the jasper, the sapphire, the emerald, and the carbuncle, and gold: the workmanship of thy tabrets and of thy pipes was prepared in thee in the day that thou wast created. ¹⁴ Thou art the anointed cherub that covereth; and I have set thee so: thou wast upon the holy mountain of God; thou hast walked up and down in the midst of the stones of fire. ¹⁵ Thou wast perfect in thy ways from the day that thou wast created, till iniquity was found in thee.

Note here that something that pastor Randy Skeete started to bring out on his sermon on the value of dirt. The material that man is made from is dirt (Genesis 2:7 "And the **Lord God** formed **man** of the **dust** of the **ground**, and breathed into his nostrils the breath of life; and **man became** a living soul") but the material that man in the resurrection is made of is precious stones and we think of the stones worn on the chest of the High Priest or on the chest of Christ our saviour.

The body given to those in the resurrection is that of angels and we see Lucifer's body made of precious materials. This is confirmed by Christ in the words Matthew 22:30 For in the resurrection they neither marry, nor are given in marriage, but are as the angels of God in Heaven.

Isaiah 13: ⁹Behold, the day of the LORD cometh, cruel both with wrath and fierce anger, to lay the land desolate: and he shall destroy the sinners thereof out of it. ¹⁰For the stars of heaven and the constellations thereof shall not give their light: the sun shall be darkened in his going forth, and the moon shall not cause her light to shine. ¹¹And I will punish the world for *their* evil, and the wicked for their iniquity; and I will cause the arrogancy of the proud to cease, and will lay low the haughtiness of the terrible. ¹²**I will make a man more precious than fine gold; even a man than the golden wedge of Ophir.** ¹³Therefore I will shake the heavens, and the earth shall remove out of her place, in the wrath of the LORD of hosts, and in the day of his fierce anger.

Notice when that day is. At the second coming of Christ. The recipient has the mind of Christ before death or translation and then the body of precious stones at the resurrection.

Isaiah 14:4 take up this proverb against the king of Babylon....¹² How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations!¹³ For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north: ¹⁴ I will ascend above the heights of the clouds; I will be like the most High.¹⁵ Yet thou shalt be brought down to hell, to the sides of the pit.

Revelation 13 ¹¹ And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon.¹² And he exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed.¹³ And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men,¹⁴ And deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live.¹⁵ And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.

"As the second appearing of our Lord Jesus Christ draws near, satanic agencies are moved from beneath. Satan will not only appear as a human being, but he will personate Jesus Christ: and the world that has rejected the truth will receive him as the Lord of lords and King of kings SDA Bible commentary (E G White written 1900)

Satan will come in to deceive if possible, the very elect. He claims to be Christ, and he is coming in, pretending to be the great medical missionary. He will cause fire to come down from heaven in the sight of men to prove that he is God.⁶⁴[Medical Ministry, 87, 88.](#)

Some will be tempted to receive these wonders as from God. The sick will be healed before us. Miracles will be performed in our sight. Are we prepared for the trial which awaits us when the lying wonders of Satan shall be more fully exhibited? Will not many souls be ensnared and taken? By departing from the plain precepts and commandments of God, and giving heed to fables, the minds of many are preparing

to receive these lying wonders. We must all now seek to arm ourselves for the contest in which we must soon engage. Faith in God's word, prayerfully studied and practically applied, will be our shield from Satan's power and will bring us off conquerors through the blood of Christ. ⁶⁶[Testimonies for the Church 1:302](#)

The lamblike persona found in the words of Revelation 13 is Christlike attributes of the USA but also of the one coming to personate Christ, Lucifer that is Satan. He has been elected by the rejection of truth. Underneath is the appearance is the voice of the dragon with his fiery breath.

Lucifer come to Christ in the temptation and took him to the pinnacle of the temple and in this last hour of world history he presents miracles and scriptural half-truths and manifestations from the dead who are in fact evil spirits- his colleagues.

Adding clarity to Daniel 11/12

Daniel 11:44 But tidings out of the east and out of the north shall trouble him: therefore he shall go forth with great fury to destroy, and utterly to make away many.

⁴⁵ And he shall plant the tabernacles of his palace between the seas in the glorious holy mountain; yet he shall come to his end, and none shall help him.

12 And at that time shall Michael stand up, the great prince which standeth for the children of thy people: and there shall be a time of trouble, such as never was since there was a nation even to that same time: and at that time thy people shall be delivered, every one that shall be found written in the book.

² And many of them that sleep in the dust of the earth shall awake, some to everlasting life, and some to shame and everlasting contempt.

³ And they that be wise shall shine as the brightness of the firmament; and they that turn many to righteousness as the stars for ever and ever.

⁴ But thou, O Daniel, shut up the words, and seal the book, even to the time of the end: many shall run to and fro, and knowledge shall be increased.

The king of the North is apostate Christianity that has grown in strength to have absolute world domination leaving only two religions in the end and two leaders.

A last warning is sent to the world this is summarised as tidings out of the east and North which is also described in Revelation 18 as an angel having great power. Angels head the work together with man and God as they cooperate to fulfil God's purpose in sending a last warning to the world. The gift of eternal life is coming to a close.

Christ's come from the sides of the North Isaiah 14:13 and appears in the east Matthew 24:27 and tidings of this event fill the earth. The end is very near and so Satan himself takes charge of the field to destroy God people as he directly in person, consults with world leaders to destroy God's people and wage war against Christ at the coming invasion. He plants his tabernacle between the seas and the glorious Holy mountain mimicking the prophecy of Zechariah 14.

Zechariah 14:4 And his feet shall stand in that day upon the mount of Olives, which [is] before Jerusalem on the east, and the mount of Olives shall cleave in the midst thereof toward the east and toward the west, [and there shall be] a very great valley; and half of the mountain shall remove toward the north, and half of it toward the south. This time refers to after the 100 years in which God's people spend in heaven and Satan is bound prisoner on the earth he has destroyed. See Revelation 20

In Isaiah 14 the King of Babylon is addressed that is the ancient King and his kingdom and then the Bible directly speaks of Lucifer. Likewise Revelation 13 and Daniel 11 can be interpreted in this way with the writings of E G White giving great insight to the events.

The King of the North that is the Papal seat makes way for Lucifer as King, for Satan has given Him his power and seat and great authority until he has assumed the position prepared for him. Then they worship the beast Revelation 13:4.

The most powerful nations of Europe who are directed by the church through the state Revelation 17:¹³ These have one mind, and shall give their power and strength unto the beast.

¹⁴ These shall make war with the Lamb, and the Lamb shall overcome them: for he is Lord of lords, and King of kings: and they that are with him are called, and chosen, and faithful.

The wicked have supernatural manifestations and have with them the presence of Lucifer and his angels and . . . declared that they had the truth, that miracles were among them, that angels from heaven talked with them and walked with them, that great power and signs and wonders were performed among them, and that this was the temporal millennium that they had been expecting so long. The whole world was converted and in harmony with the Sunday law.--3SM 427, 428 (1884). {LDE 136.1}

1 Thessalonians 5:3, KJV: "For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape."

When the wicked believe they are safe, then Satan's seat of power is suddenly disrupted with sudden destruction. The seven last plagues are loosed upon the inhabitants of the earth just as Satan takes reign.

Probation is ended

And at that time shall Michael stand up, the great prince which standeth for the children of thy people: and there shall be a time of trouble, such as never was since there was a nation even to that same time: and at that time thy people shall be delivered, every one that shall be found written in the book.

Revelation 15:⁵ And after that I looked, and, behold, the temple of the tabernacle of the testimony in heaven was opened: Then followed the 7 last plagues as found in Revelation 16. And during the plagues...Revelation 16:¹³ And I saw three unclean spirits like frogs come out of the mouth of the dragon, and out of the mouth of the beast, and out of the mouth of the false prophet.

¹⁴ For they are the spirits of devils, working miracles, which go forth unto the kings of the earth and of the whole world, to gather them to the battle of that great day of God Almighty.

He shall come to his end and none shall help him

The 10 kings of Europe burn Babylon with fire

In Revelation 17 it says Babylon will be destroyed. Revelation 17:¹ And the ten horns which thou sawest upon the beast, these shall hate the whore, and shall make her desolate and naked, and shall eat her flesh, and burn her with fire.

¹ They that see thee shall narrowly look upon thee, and consider thee, saying, Is this the man that made the earth to tremble, that did shake kingdoms;

¹⁷ For God hath put in their hearts to fulfil his will, and to agree, and give their kingdom unto the beast, until the words of God shall be fulfilled.

The Rock smashes the image to pieces

Matthew 16:18 ¹⁸ And I say also unto thee, That thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it.

In Daniel 2:45 ⁴⁵ Forasmuch as thou sawest that the stone was cut out of the mountain without hands, and that it brake in pieces the iron, the brass, the clay, the silver, and the gold; the great God hath made known to the king what shall come to pass hereafter: and the dream is certain, and the interpretation thereof sure.

The final destruction of lucifer

Isaiah 14:¹⁵ Yet thou shalt be brought down to hell, to the sides of the pit.

¹⁷ That made the world as a wilderness, and destroyed the cities thereof; that opened not the house of his prisoners?

Revelation 20:¹⁰ And the devil that deceived them was cast into the lake of fire and brimstone, where the beast and the false prophet are, and shall be tormented day and night for ever and ever.

Ezekiel 28: ¹⁸ Thou hast defiled thy sanctuaries by the multitude of thine iniquities, by the iniquity of thy traffick; therefore will I bring forth a fire from the midst of thee, it shall devour thee, and I will bring thee to ashes upon the earth in the sight of all them that behold thee.

The Coming Destruction of the Cities

The time is near **when large cities will be swept away**, and all should be warned of these coming judgments.-- Ev 29 (1910). {LDE 111.5}

The end is near and **every city is to be turned upside down every way**. There will be confusion in every city. Everything that can be shaken is to be shaken and we do not know what will come next. The judgments will be according to the wickedness of the people and the light of truth that they have had.--1MR 248

The Lord calls for His people to locate away from the cities, for in such an hour as ye think not, **fire and brimstone will be rained from heaven upon these cities**. Proportionate to their sins will be their visitation. When one city is destroyed, let not our people regard this matter as a light affair, and think that they may, if favorable opportunity offers, build themselves homes in that same destroyed city. . . . {LDE 95.3}

Angels are now restraining the winds of strife, that they may not blow until the world shall be warned of its coming doom; but a storm is gathering, ready to burst upon the earth; and when God shall bid His angels loose the winds, there will be such a scene of strife as no pen can picture.--Education, pp. 179, 180. {WM 135.1}

“The Lord will not suddenly cast off all transgressors, or destroy entire nations; but He will punish cities and places where men have given themselves up to the possession of Satanic agencies. Strictly will the cities of the nations be dealt with, and yet they will not be visited in the extreme of God’s indignation, because some souls will yet break away from the delusions of the enemy, and will repent and be converted, while the mass will be treasuring up wrath against the day of wrath.” *Evangelism*, page 27.

Isaiah 24: ⁵ The earth also is defiled under the inhabitants thereof; because they have transgressed the laws, changed the ordinance, broken the everlasting covenant. ⁶ Therefore hath the curse devoured the earth, and they that dwell therein are desolate: therefore the inhabitants of the earth are burned, and few men left. ¹⁰ The city of confusion is broken down: every house is shut up, that no man may come in.

Read all of Isaiah 24

Jeremiah 4:²² For my people is foolish, they have not known me; they are sottish children, and they have none understanding: they are wise to do evil, but to do good they have no knowledge.²³ I beheld the earth, and, lo, it was without form, and void; and the heavens, and they had no light.²⁴ I beheld the mountains, and, lo, they trembled, and all the hills moved lightly.²⁵ I beheld, and, lo, there was no man, and all the birds of the heavens were fled.²⁶ I beheld, and, lo, the fruitful place was a wilderness, and all the cities thereof were broken down at the presence of the LORD, and by his fierce anger.²⁷ For thus hath the LORD said, The whole land shall be desolate; yet will I not make a full end.

Jeremiah 46:⁸ Egypt riseth up like a flood, and his waters are moved like the rivers; and he saith, I will go up, and will cover the earth; I will destroy the city and the inhabitants thereof.⁹ Come up, ye horses; and rage, ye chariots; and let the mighty men come forth; the Ethiopians and the Libyans, that handle the shield; and the Lydians, that handle and bend the bow.¹⁰ For this is the day of the Lord GOD of hosts, a day of vengeance, that he may avenge him of his adversaries: and the sword shall devour, and it shall be satiate and made drunk with their blood: for the Lord GOD of hosts hath a sacrifice in the north country by the river Euphrates.

“On one occasion, when in New York City, I was in the night season called upon to behold buildings rising story after story toward heaven. These buildings were warranted to be fireproof, and they were erected to glorify their owners and builders. Higher and still higher these buildings rose, and in them the most costly material was used. Those to whom these buildings belonged were not asking themselves: "How can we best glorify God?" The Lord was not in their thoughts. {9T 12.1}

The scene that next passed before me was an alarm of fire. Men looked at the lofty and supposedly fire-proof buildings and said: "They are perfectly safe." But these buildings were consumed as if made of pitch. The fire engines could do nothing to stay the destruction. The firemen were unable to operate the engines. {9T 13.1}

But I have no light in particular in regard to what is coming on New York, only I know that one day the great buildings there will be thrown down by the turning and overturning of God's power. {Review & Herald July 5 1906.} The report of firemen at the scene was exactly that

The resounding answer

An emence mountian lies before God's people. To send a message of warning for the deception that is covering the world. Beware of the teachings of Babylon and do not receive the mark of the beast or its image and do not worship this being that claims to be God. This will expose wickedness in high places. And it comes at a cost the cost of everything a person has and their life.

At this time God's people have been part of the world but at this time like the isrealities leaving Egypt they must learn to rely on god absolutely for power and to be sustained. Zechariah 4: ⁶Then he answered and spake unto me, saying, This is the word of the LORD unto Zerubbabel, saying, Not by might, nor by power, but by my spirit, saith the LORD of hosts. ⁷Who art thou, O great mountain? before Zerubbabel thou shalt become a plain: and he shall bring forth the headstone thereof with shoutings, crying, Grace, grace unto it.

Revelation 14:13 And I heard a voice from heaven saying unto me, Write, Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them.

The image to the beast through once Protestant America is a persecuting power against God's people. By this avenue the world is brought to focus on the message of the three angels. People will be exiled, imprisoned, their property taken and they will be killed.

To souls that are earnestly seeking for light and that accept with gladness every ray of divine illumination from His holy Word, to such alone light will be given. It is through these souls that God will reveal that light and power which will lighten the whole earth with His glory.—Testimonies for the Church 5:729 (1889).

God has called His people to seek refuge by living away from the cities in the mountains with the laws enforcing Sunday observance. These laws shall be brought through the climate change,/environmental movement. From outside the cities God's people are to continue the gospel commission. As the message is brought to the world people are to make choices before the coming of the Lord. Blessed are

the dead who die in the lord at this time who have laboured to give the last warning message to the world.

As a summary to Revelation 14 a special group appears at the beginning of the chapter. And I looked, and, lo, a Lamb stood on the mount Sion, and with him an hundred forty and four thousand, having his Father's name written in their foreheads. These are they which follow the Lamb whithersoever he goeth. The 144,00 have a special place in sounding the last words of warning and living through the time of trouble to remain on the earth till the second coming of Jesus. They live through the time in which Lucifer pronounces Himself as King.

Just as for the first time in world history Rome has absolute power so in answer to this in Revelation 18 we see another angel come down from heaven, having great power; and the earth was lightened with his glory.

'Instead of climate change we must at long last accept that it's not the carbon dioxide molecule that is destroying the planet, it's us. It is not one thing but everything we humans are doing. A human caused apocalypse. If we get ourselves under control all things are possible and if we don't..... 'Planet of the Humans' Jeff Gibbs & Michael Moore

The second coming of Christ

Soon our eyes were drawn to the east, for a small black cloud had appeared, about half as large as a man's hand, which we all knew was the sign of the Son of man. We all in solemn silence gazed on the cloud as it drew nearer and became lighter, glorious, and still more glorious, till it was a great white cloud. The bottom appeared like fire; a rainbow was over the cloud, while around it were ten thousand angels, singing a most lovely song; and upon it sat the Son of man. His hair was white and curly and lay on His shoulders; and upon His head were many crowns. His feet had the appearance of fire; in His right hand was a sharp sickle; in His left, a silver trumpet. His eyes were as a flame of fire..

Thessalonians 4:13 But I would not have you to be ignorant, brethren, concerning them which are asleep, that ye sorrow not, even as others which have no hope.¹⁴ For if we believe that Jesus died and rose again, even so them also which sleep in Jesus will God bring with him.¹⁵ For this we say unto you by the word of the Lord, that we which are alive and remain unto the coming of the Lord shall not prevent them which are asleep.¹⁶ For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first:¹⁷ Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord.¹⁸ Wherefore comfort one another with these words

He comes as lightening from the east to the west Matthew 24:30-31

²⁵ Jesus said unto her, I am the resurrection, and the life: he that believeth in me, though he were dead,
yet shall he live:

The destruction of Leviathan

Isaiah 27:1 In that day the LORD with his sore and great and strong sword shall punish leviathan the piercing serpent, even leviathan that crooked serpent; and he shall slay the dragon that is in the sea.

⁷ They have cast fire into thy sanctuary, they have defiled by casting down the dwelling place of thy name to the ground.

¹³ Thou didst divide the sea by thy strength: thou brakest the heads of the dragons in the waters.

¹⁴ Thou brakest the heads of leviathan in pieces, and gavest him to be meat to the people inhabiting the wilderness.

Isaiah 14:16 They that see thee shall narrowly look upon thee, and consider thee, saying, Is this the man that made the earth to tremble, that did shake kingdoms;

¹⁷ That made the world as a wilderness, and destroyed the cities thereof; that opened not the house of his prisoners?

¹⁸ All the kings of the nations, even all of them, lie in glory, every one in his own house.

¹⁹ But thou art cast out of thy grave like an abominable branch, and as the raiment of those that are slain, thrust through with a sword, that go down to the stones of the pit; as a carcase trodden under feet.

²⁰ Thou shalt not be joined with them in burial, because thou hast destroyed thy land, and slain thy people: the seed of evildoers shall never be renowned.

Revelation 20:⁷ And when the thousand years are expired, Satan shall be loosed out of his prison,

⁸ And shall go out to deceive the nations which are in the four quarters of the earth, Gog, and Magog, to gather them together to battle: the number of whom is as the sand of the sea.

⁹ And they went up on the breadth of the earth, and compassed the camp of the saints about, and the beloved city: and fire came down from God out of heaven, and devoured them.

Ezekiel 28: ¹⁸Thou hast defiled thy sanctuaries by the multitude of thine iniquities, by the iniquity of thy traffick; therefore will I bring forth a fire from the midst of thee, it shall devour thee, and I will bring thee to ashes upon the earth in the sight of all them that behold thee.

God's church on earth identified

There is a church on earth identified. It is not perfect but the true church of God attains to perfection as did Paul Heb 6:1 How is the church on earth identified?

In Revelation 12 it is identified as the woman that fled into the wilderness from the persecution and says this ¹⁷ And the dragon was wroth with the woman, and went to make war with the remnant of her seed, which keep the commandments of God, and have the testimony of Jesus Christ.

So, we have God's written commandments to refer to as those that follow His teachings and their testimony should be Christ's testimony. Which church keeps all God's commandments?

Revelation 19:10 the church of God also has the 'testimony of Jesus which is the spirit of prophecy'. The Spirit of prophecy is rightly understood by its foundation in the commandments of God. In other words, you can't understand the prophecies without keeping God's law, they are the keys to understanding. The two go hand in hand.

The words written here follow the historical teachings of the Seventh-day Adventist Church that was given a unique gospel through the direction of God's messenger Ellen G White. There is never a time in history that God has not been inspiring His people through current messages and revelation and particularly is this so at the end of the world.

The church opened its door at the end of Prophetic time to understand and prepare the church for the judgement and the second coming, and delivered a gospel to make a people Holy and ready for translation.

Fountain of Eternal Truth

“If the foundations be destroyed, what can the righteous do?” (Psalm 11:3.)but if they remain secure God will see them through.

“The Protestant denominations are built upon that manuscript of the Greek New Testament sometimes called Textus Receptus, or the Received Text. It is that Greek New

Testament from which the writings of the apostles in Greek have been translated into English, German, Dutch and other languages. During the dark ages the Received Text was practically unknown outside the Greek Church. It was restored to Christendom by the labours of that great scholar Erasmus. It is altogether too little known that the real editor of the Received Text was Lucian. None of Lucian’s enemies fails to credit him with this work. Neither Lucian nor Erasmus, but rather the apostles, wrote the Greek New Testament. However, Lucian’s day was an age of apostasy when a flood of depravations was systematically attempting to devastate both the Bible manuscripts and Bible theology. Origen, of the Alexandrian college, made his editions and commentaries of the Bible a secure retreat for all errors, and deformed them with philosophical speculations introducing casuistry and lying. Lucian’s unrivalled success in verifying, safeguarding, and transmitting those divine writings left a heritage for which all generations should be thankful.” Truth Triumphant B J Wilkinson
