
The Rising Occult

.....many of God's people are on the enchanted ground, and that some have lost nearly all sense of the shortness of time and the worth of the soul. God's people will have to die to self, die to pride and love of approbation." {EW 120.1}

Line of Satanic expression

- The antediluvian world- the gods and heroes of the pagan world- were destroyed for perverting creation. They were sun worshipers
- Nimrod- carried on their teaching after the flood
- Solomon- hoped to influence others by compromise which resulted in him participating in heathen worship. His compromise has lasted in occult teachings through the ages, such as the occult teachings of freemasonry
- Apostate Protestantism has been influenced by occult teaching- state of the dead, sun worship and freemasonry connections

Joshua 24:14 Now therefore fear the LORD, and serve him in sincerity and in truth: and **put away the gods which your fathers served on the other side of the flood**, and in Egypt; and serve ye the LORD. 24:15 And if it seem evil unto you to serve the LORD, choose you this day whom ye will serve; whether the gods which your fathers served that [were] on the other side of the flood, or the gods of the Amorites, in whose land ye dwell: but as for me and my house, we will serve the LORD. 24:16

And the people answered and said, God forbid that we should forsake the LORD, to serve other gods;

Sir Francis Bacon- Francis Bacon, 1st Viscount Saint Alban,(22 January 1561 – 9 April 1626) Father of the scientific method; and pioneer in the scientific revolution. He served both as Attorney General and Lord Chancellor of England.

Anglican/Head of Rosicrucians and freemasons? Bacon believed the lost Atlantis was America itself.

He envisioned a scientific nation filled with wonders and achievements never before seen. Has it come true? When the blueprints for the colonization of the Americas were being formed, the master plan of masonic builders was to create a new Atlantis. Left: Masonic building Washington DC is large impressive building making its presence known in the nation's capital.

American author and congressman Ignatius Loyola Donnelly summarise these ideas concerning Atlantis–

- That Atlantis was the region where man first rose from a state of barbarism to civilization.
- That it became, in the course of ages, a populous and mighty nation,
- That it was the true Antediluvian world; the Garden of Eden; ,,,,,,
- That the gods and goddesses of the ancient Greeks, the Phoenicians, the Hindus, and the Scandinavians were simply the kings, queens, and heroes of Atlantis; and the acts attributed to them in mythology are a confused recollection of real historical events.

- That the mythology of Egypt and Peru represented the original religion of Atlantis, which was sun-worship.
- That Atlantis perished in a terrible convulsion of nature, in which the whole island sunk into the ocean, with nearly all its inhabitants.
- That a few persons escaped in ships and on rafts, and carried to the nations east and west the tidings of the appalling catastrophe, which has survived to our own time in the Flood and Deluge legends of the different nations of the old and new worlds. Ignatius Loyola Donnelly (November 3, 1831 – January 1, 1901)

SEA-GOING SUPERPOWER, OR WAS PLATO PLAYING POLITICS?

Fabled: An artist's impression of Atlantis

ATLANTIS was first described by the Greek philosopher Plato more than 2,000 years ago.

While many believe the story is a myth created by Plato to illustrate his theories about politics, others insist it is based on a real historical disaster.

According to Plato's account, written around 360BC, Atlantis was a major sea power located in the Atlantic.

It was larger than ancient Libya and Asia Minor (modern Turkey) put together, and was 'the way to the other islands, and from these you might pass to the whole of the opposite continent'.

His account included detailed descriptions of the island - with mountains in the north and along the coast, and a plain in the south.

Its kings were descended from Poseidon - the god of sea - but their divine lineage became diluted as they mixed with mortals.

By around 9600BC the island had

conquered much of Western Europe and Africa and enslaved its enemies.

This date would make the city nearly as old as the end of the last ice age and pre-dates the earliest recorded city states, found in what is now Iraq, so seems rather unlikely.

After a failed attempt to invade Athens, the entire island sank into the sea 'in a single day and night of misfortune'.

Over the centuries, scholars have attempted to locate the real Atlantis - believing the account was based on a real ancient superpower.

One of the most plausible theories is that Plato was describing the Minoan civilisation on Crete and the neighbouring island of Santorini which was devastated by a massive volcanic eruption around 1600BC.

Some believe the Atlantis myth was inspired by the Black Sea floods of around 5000BC - an event that may have also generated the flood stories which appeared in the Old Testament.

Pictured on the right a city found under the sea in the Caribbean thought to be the lost Atlantis. This may well be an antediluvian city destroyed by the flood. The occult borrows from the Bible and the Greek philosopher Plato who also had a strong influence on Catholicism.

These groups included banking, oil, Trans Nation Corporations, Intelligence organisation, American military. Mixed in amongst business, law and intelligence organisations with huge amount of money and clout is Rome.

'Operation paperclip' bring scientist from German to US. That which had influenced Germany now would penetrate the US. Masonics and Catholicism and their associated secret societies would pave the way toward what was prophecies as a lamblike beast that would speak as a dragon. But outright Satanism would also play an important part of the dismantling of the once Christian west.

In the year 1844 the prophecies of the little book of Daniel were being unraveled. By 1863 the true gospel, the acceptance of the Sabbath and health reform including vegetarianism was given to benefit Christianity in America so Satan was forming his own counterfeit.

THE RISE OF SPIRITISM FROM THE MID 1800S

1840s Spiritism revived

On one of the last days of her life, in February of 1893, Margaretta Kane managed to prop herself into a sitting position and demanded a pencil and paper from Dr. Mellin, the doctor who had been commissioned to care for her. Kane began writing at an incredible pace, and before she had finished she had filled 20 sheets with clear handwriting. After handing the written sheets back to the doctor, she fell into a coma and died. When Mellin had the opportunity to examine what Kane had written, she was astonished to discover that her patient had filled the sheets with an accurate and detailed biography of the doctor's own life. It included many events that Mellin had not divulged to anyone.....

Modern spiritualism was established as an alternative form of religious belief in America in the late 1840's. Founded in 1848 by the Fox sisters (Margaretta, Leah, and Kate), the focus of Spiritualism was on communication with the evil spirits assuming the guise of dead relatives. A deceased person was said to speak through a medium in order to give information to the living.

Chic & S. Tabatha Cicero

Fox sisters, three sisters from New York who played an important role in the creation of Spiritualism, as a religious movement. **The rapping (1848) were communications with evil spirits which has been disputed by Katie's and Margaret's own confession of the rappings being a hoax. (1888)**

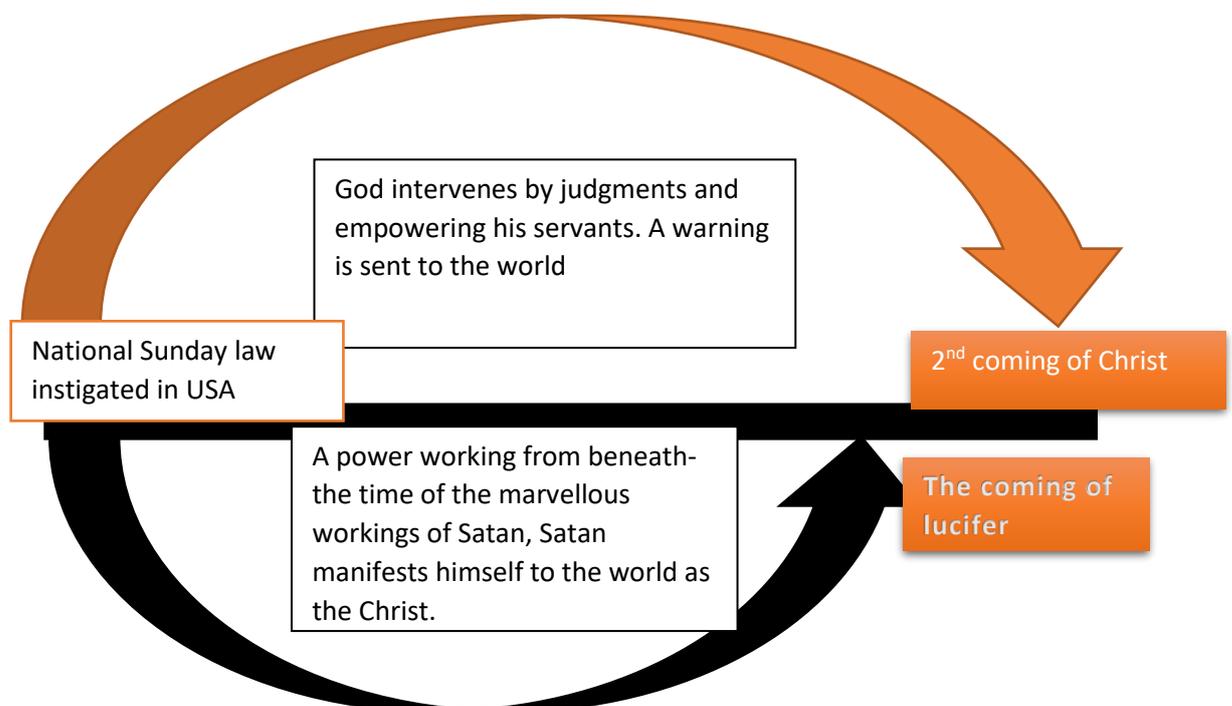

This is a prophecy under fulfilment

1 "I saw that soon it would be considered blasphemy to speak against the rapping, and that

2 it would spread more and more, that

3 Satan's power would increase and some of his devoted followers would have power to work miracles and even to bring down fire from heaven in the sight of men. . I was shown that by the rapping and mesmerism, these modern magicians would yet account for all the miracles wrought by our Lord Jesus Christ, and that many would believe that all the mighty works of the Son of God when on earth were accomplished by this same power. {CET 168.2}

"This prophecy was a marked failure. There is no evidence it was ever considered *blasphemy* to speak against the rapping, and even though the movement increased in popularity for a short period, it eventually died out." says **D. Anderson** however **this prophecy is still yet future in the time of the marvellous working of Satan.**

PROPHECY: When Protestantism shall stretch her hand across the gulf to grasp the hand of the Roman power, when she shall reach over the abyss to clasp hands with spiritualism, when, under the influence of this **threefold union, our country shall repudiate every principle of its Constitution as a Protestant and republican government and shall make provision for the propagation of papal falsehoods and delusions, then we may know that the time has come for the marvelous working of Satan and that the end is near.**--5T 451 (1885). {LDE 131.4} There will be omens in the sky and false prophets & Satan manifests himself.

The use of a medium to contact the dead has spread all over the world. Many people experience the paranormal at a family member's death. When the dead family members are impersonated by evil angels it is usually an experience that is considered true and it is difficult to speak against. Christianity and the occult are being morphed into one as the teachings of spiritualism are taught from the pulpit and at the funeral. Also, Pentecostals receive messages from the spirit world, its not a thus saith the Lord following 'it is written'. When spiritualism by which Pentecostalism has opened the door is accepted into the ecumenical movement and ecumenism is given the power of the state then a real fulfilment of these words shall be seen.

The rise of pagan mysticism Mid 1800s

In the mid-1800's Europe was experiencing a huge growth of interest in general occultism, and the Hermetic Tradition. (**Hermes** is the great messenger of the gods in Greek mythology and additionally a guide to the Underworld.) This interest was seen in England and especially in France.

Westcott (translator of the modern versions of the Bible) went to Cambridge in England as an undergraduate. While there he organized a club called "Hermes"

1860's and 1870's there was an increased interest in Freemasonry

'Freemasonry uses the metaphors of operative stonemasons' tools and implements, against the allegorical backdrop of the building of King Solomon's Temple, to convey what has been described by both Masons and critics as "a system of morality veiled in allegory and illustrated by symbols."

At one time there were two temples, both Solomon build and standing at

opposites. In the days of King Josiah a strange appearance could be seen opposite the temple of God. Crowning the eminence of the Mount of Olives, peering above the groves of myrtle and olive trees, were unseemly, gigantic idols. Josiah gave commandment that these idols should be destroyed. This was done, and the broken fragments rolled down the channel of the Kidron. The shrines were left a mass of ruins. {CC 200.2}

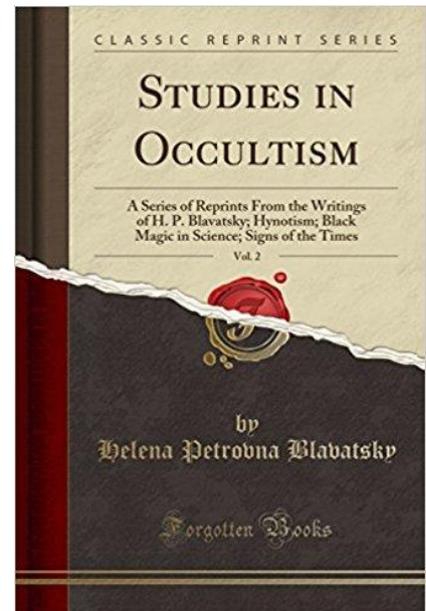

But the question was asked by many a devout worshiper, How came that architecture on the opposite side of the Jehoshaphat ravine, thus impiously confronting the temple of God? "There is Solomon's Mount of Offense, where he built altars for idol worship to please his heathen wives" (Letter 8b, 1891). {2BC 1039.3} That confusion in Solomon day has followed us down to this time and finds its main pillar in Protestant America.

1875

In 1875, an organization known as the Theosophical Society was founded in New York City by a group of Spiritualists, Qabalists (**kab-ba-lah**), Freemasons, and Rosicrucians. It was headed by Madame Helena Petrova Blavatsky (Helena Blavatsky) and Colonel Henry Olcott.

The **Theosophical Society** is an organization formed in 1875 Helena Petrovna *Blavatsky* to advance the spiritual principles and search for Truth known as Theosophy 1889 Blavatsky publicly declared that the purpose of establishing the Society was to prepare humanity for the reception of a *World*

Teacher. It was years later that Blavatsky and Olcott converted to Buddhism leaving the door open for a new society of the West. *Kingsford* served a term as President of the London body of the Theosophical Society. Subsequently, she was the founder and head of the Hermetic Society, which was an instrumental forerunner of the Hermetic Order of the *Golden Dawn*. *Kingsford* became known as an anti-vivisection campaigner, and an advocate of women's rights and vegetarianism. She pursued her medical degree in Paris, graduating in **1880** after six years of study, in order to continue her advocacy from a position of authority. **Her final thesis was on the benefits of vegetarianism**, which she later turned into a book, *L'Alimentation Végétale de l'Homme*, translated as ***The Perfect Way in Diet***.

Kingsford was also active in the theosophical movement in England, becoming president of the Theosophical Society in 1883. She said she received had insights in trance-like states and in her sleep

1888 GOLDEN DAWN

In 1888, three Qabalists (kab·ba·lah– mystical teachings of rabbinical origin), Freemasons, and Rosicrucians (*Rosicrucianism was more closely associated with Protestantism than Roman Catholicism and in particular, was most closely associated with Lutheranism .According to historian David Stevenson, it was also influential to Freemasonry as it was emerging in Scotland.*) founded the **Esoteric /Hermetic Order of the Golden Dawn**, to carry out the work that was abandoned by the Theosophical Society. Therefore **The Golden Dawn system was based on hierarchy and initiation like the Masonic Lodges**. The primary creator of the Golden Dawn was Dr. William Wynn Westcott. A London coroner who was interested in occultism. Along with her spiritual partner, Edward Maitland, Mrs. *Kingsford* revived the idea of **esoteric Christianity**.

Aleister Crowley moved quickly through the ranks of the Golden Dawn, With his associate associate, Allan Bennett, who he invited to live with him, Bennett became his personal tutor, teaching him more about ceremonial magic and the ritual usage of drugs.

Crowley would eventually introduce the practice of male homosexual sex magick into O.T.O. Ordo Templi Orientis as one of the highest degrees of the Order for he believed it to be the most powerful formula.

Crowley was also a bisexual, a recreational drug experimenter and social critic. In many of these roles he “was in revolt against the moral and religious values of his time”, espousing a form of libertinism based upon the rule of “Do What Thou Wilt”.

The Thelemic pantheon includes a number of deities, focusing primarily on a trinity of deities adapted from ancient Egyptian religion

“Do what thou wilt shall be the whole of the Law”. This statement indicated that adherents, who are known as Thelemites, should seek out and follow their own True Will rather than their ego’s desires. The religion also emphasizes the ritual practice of Magick.

Frieda Harris supposedly reported him saying, “I am perplexed” as his last dying words – that about sums up the road of mysticism

The rise of esoteric mysteries (early 1900s Manley P Hall)

es·o·ter·ic (s-trk) *adj.* **1. a.** Intended for or understood by only a particular group: an esoteric cult.

b. Of or relating to that which is known by a restricted number of people.

THE SECRET TEACHINGS OF ALL AGES

by Manly P. Hall

[1928, copyright not renewed]

Using the Bible occultists such as Hall, borrow from and rearrange the Bible meaning for their own satanic purpose.

On his death the Scottish rite freemasonry LA review, said he was

“often called masonries’ greatest philosopher.”

Contained in his writing the ancient wisdom of lost Atlantis

He said- Atlantis a commonwealth of nations that extended to the world that would one day be rebuilt. The rebuilding of such was in occult teaching. In his over 70-year career, Hall delivered approximately 8,000 lectures in the United States and abroad, authored over 150 books and essays, and wrote countless magazine articles.

From the tree of the knowledge of good and evil– According to old legends preserved by the Rabbins (teachers), the angel at the gate of Eden instructed Adam in the mysteries of Qabbalah and of alchemy, promising that **when the human race had thoroughly mastered the secret wisdom concealed within these inspired arts, the curse of the forbidden fruit would be removed and man might again enter into the Garden of the Lord.**

Mid 1900s Successor to Alistair Crowley Lt. Col. Michael Aquino

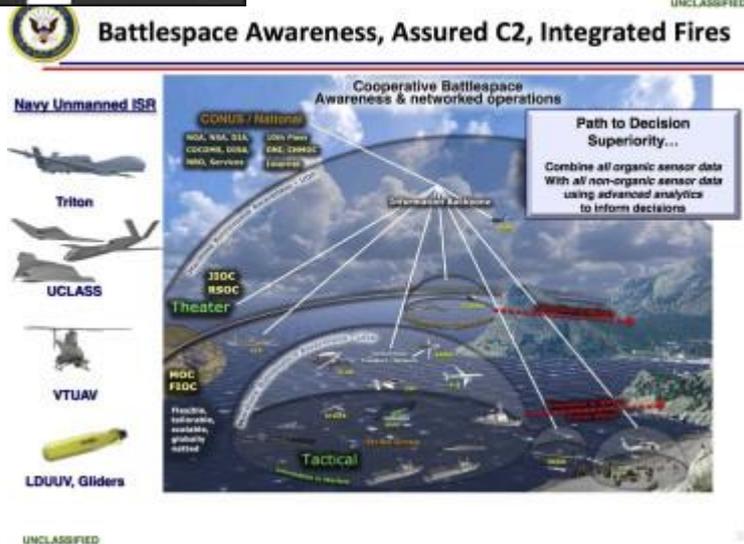

In the 1960s Michael Aquino was highly positioned in the American military and had top pentagon clearances. He was a Satanist and paedophile and a friend of Anton LaVey who formed the church of Satan in San Francisco.

“The two of them were very active in ritualistic sexual abuse. And they deferred funding from this government program to use [in] this experimentation on children.

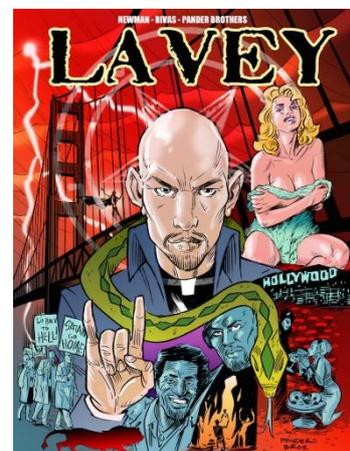

Aquino was grabbing news headlines,

throughout the 1980s, as a leading suspect in a nationwide Satanic paedophile ring, “Where they deliberately split off the personalities of these children into multiples, so that when they’re questioned or put under oath or questioned under lie detector, that unless the operator knows how to question a multiple-personality disorder, they turn up with no evidence.”

Aquino was deeply involved in what has been called the “revolution in military affairs” (“RMA”), the introduction of ..”Third Wave,” “New Age” ideas into military US long-range planning, which introduced such notions as “information warfare” and “cyber-warfare” into the Pentagon’s lexicon.

“MindWar he said must target all participants to be effective. It must not only weaken the enemy; it must strengthen the United States State of the art developments in satellite communication, video recording techniques, and laser and optical transmission of broadcasts make possible a penetration of the minds of the world such as would have been inconceivable just a few years ago. Like the sword Excalibur [King Arthur’s magical sword—ed.], we have but to reach out and seize this tool; and it can transform the world for us :- Jeffrey Steinberg

Anton LaVey who formed the church of satan, 'influence started in clubs where he played as musician. He held live performances as an organist, including the Wurlitzer at the Lost Weekend cocktail lounge, where he attracted many San Francisco notables to his parties.' – wikipedia

He introduced hollywood celebrities such as

Sammy Davis Jr, liberace and Jayne Mansfield to Satanism, the latter being given the title of

the "High Priestess of San

Francisco's Church of

Satan". Mansfield's lawyer and

partner was said to have had a

curse placed on him by LaVey and

both were killed in a car accident

one year after Mansfield became

a member; Mansfield died of a

crushed skull in the

accident. Sammy Davis Jr

was introduced to satanism at an orgy. He became a close

friend of Nixon and supported the Kennedys and was said to

have held orgies with the kennedy brothers, Sinatra, Munro.

LeVey supported acts such as Marilyn Manson who was a

friend and member of the church of satan. He could be

classed as a metal horror act. A foretaste of death metal to

come.

Revelation directs us to behind the scenes, to who is pulling the strings of the world behinds the

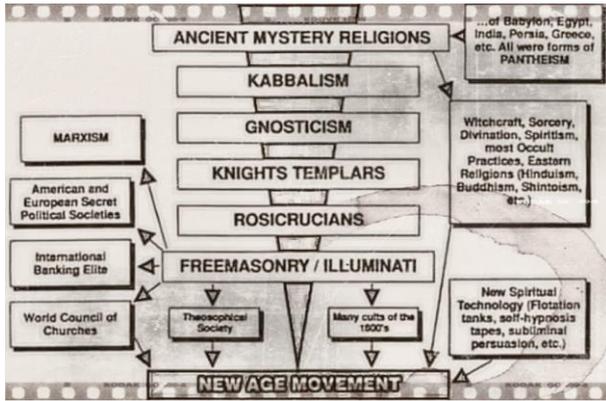

scenes and calls that power Babylon. To whom holds the wealth and power of the world? The

church of Rome. You will notice that one flow charts does not include the Jesuits but points us to

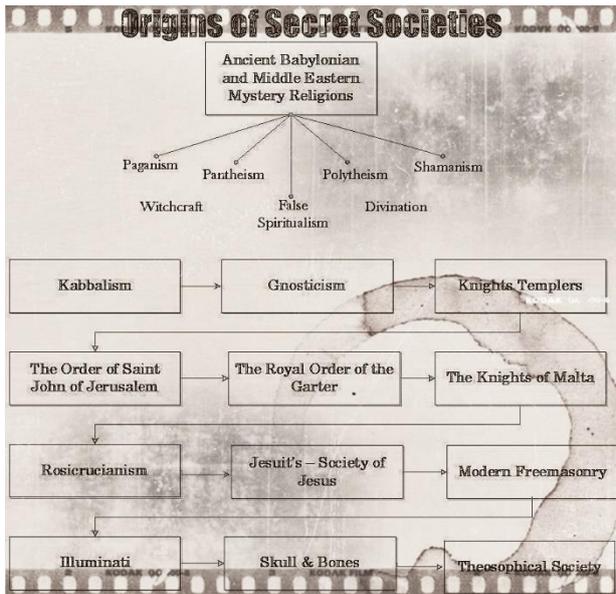

modern day organisations of the world. While the other flow chart is more accurate in the order of

secret societies.

Should we recount the line of masons, illuminati or skull and crossbones members etc such as the George Bush or Tony Blair that were part of governments and a NWO agenda the list would be never ending. The Roman church sentiments with its organisations and secret societies are bound together.

A power from beneath is working to bring about the last great scenes in the drama,— Satan coming as Christ, and working with all deceivableness of unrighteousness in those who are binding themselves together in secret societies. Those who are yielding to the passion for confederation are working out the plans of the enemy. Testimonies, vol. 8, pp. 27-28. (1904)

The strong, corrupting sentiments of Satan are cherished, and they exert a masterly, compelling power. Under the influence of these sentiments, men bind up with one another in confederacies, in trade unions, and in secret societies. There are at work in the world agencies that God will not much longer tolerate.—Lt 114, 1903. {1MCP 28.3} Note the date these statements are written.

1960s -70s the development of music

Ezekiel 28:12 Thou sealest up the sum, full of wisdom, and perfect in beauty. 28:13 Thou hast been in Eden the garden of God; every precious stone [was] thy covering, the sardius, topaz, and the diamond, the beryl, the onyx, and the jasper, the sapphire, the emerald, and the carbuncle, and gold: the workmanship of thy tabrets and of thy pipes was prepared in thee in the day that thou wast created. 28:14 Thou [art] the anointed cherub that covereth; and I have set thee [so]: thou wast upon the holy mountain of God; thou hast walked up and down in the midst of the stones of fire. 28:15 Thou [wast] perfect in thy ways from the day that thou wast created, till iniquity was found in thee.

In the 60's lines were being broken with the hippy movement known for its drugs, free love without commitment and rock and roll. Soft hallucinogenic drugs were being used by young people and the military were experimenting with LSD for mind control. A new sound was emerging with the electric guitar.

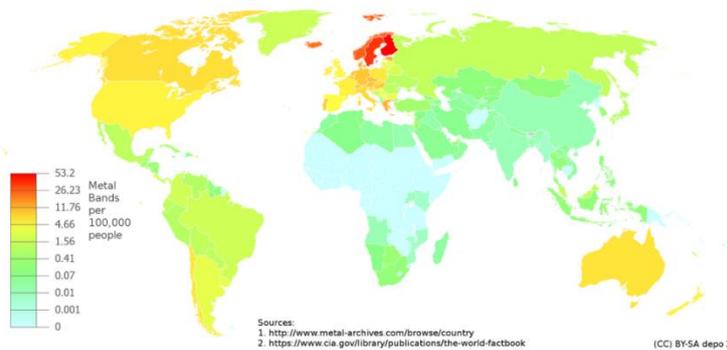

In the 1970s top selling music artists carried occult symbols with their craft and it was accepted on mass because of the addictive style rock and roll music they presented. Bowie, Led Zeppelin, The Beatles and more. Many of them were known followers of Allister Crowley because they displayed Crowley on the albums or in the lyrics and the thought is that having tasted some of the serpent's fruit, it hasn't affected me and I'm ok.

Music has been conditioning the world to the point where transgender, homo, bisexual is a norm that should be taught in schools and where kids can choose in their teens what sexual orientation the music and media has educated them in and of course like an assortment of lollies whatsoever fantasy they wish to indulge in.

Music, colours and variety are the gift of life and there be many varieties of music and styles, that is God given but what of their lyrics and presentation? Music is part of our life we just need to have a balance of those things that are moral or uplifting. Many

modern strains of music have been a natural progression from the occult and has been used as a modern expression of the mysticism winning millions of followers and many times not by its intelligent content. The singer prince said he didn't like the word fan as it meant a fanatic and so this form of fanaticism becomes people's religion.

Rap music with its degrading lyrics about sex abuse and any other garbage is being listened to by the young with Satanic delight and will present its future harvest of societies rebels. It's a step into the occult. There were underground music groups emerging as rock and roll developed, some so evil that outright murder, burning churches, blasphemy and satanism carried away the Nordic countries where death metal really ignited. 'Satan is the foundation whereupon we carry out our works says Infernus. Also, of interest often they took their names from Lord of the Ring's dark forces.

'This map reflects the number of heavy metal bands per 100,000 inhabitants for each country in the world. It codes the result on a colour temperature scale, with blue indicating low occurrence, and red high occurrence.'

In the UK a girl band would be naked while singing hard rock and having sex with the audience. So are they just getting naked for the heck of it, no they perform pagan practices and rituals in the act. Metal openly invokes satan in their music. While we might say this was fringe element stuff, metal music was high in popularity in the

Northern countries of Europe. Like a piece of vomit and smell from demon possession itself that spoke and sang openly of Satanism. This is a vile creepiness about death and destruction that makes you wonder why God even allows such opposition to creation and humanity to even exist. Here's death to death metal!

Deuteronomy 18:10 There shall not be found among you [any one] that maketh his son or his daughter to pass through the fire, [or] that useth divination, [or] an observer of times, or an enchanter, or a witch, 18:11 Or a charmer, or a consulter with familiar spirits, or a wizard, or a necromancer (conjuring up the dead). 18:12 For all that do these things [are] an abomination unto the LORD: and because of these abominations the LORD thy God doth drive them out from before thee.

This gives us some light on Old Testament judgments against the heathen nations where human sacrifice and all sorts of abominations against humanity was going on, likewise in Petra and the Mayans and many others.

The publicity of death metal was also widened with the killing of one satanist by another.

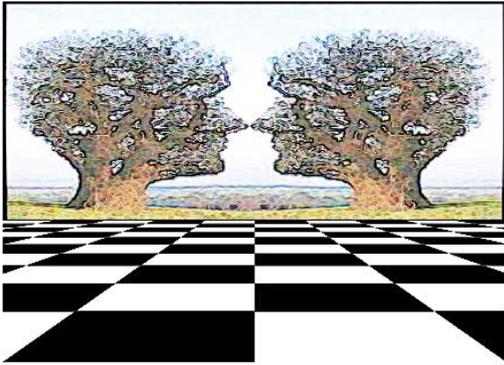

It was ignited as I mentioned by burning many Christian churches. It makes Kizz and Ozzy Osbourne look like play school. And the music's voice is of the demons itself. But what is that to people today as they are so mesmerised by the media and the occult laced into the movies. They are

ok with a degree of evil and to look and see without participating but reality of course is they are participants.

Numbers 33:51 Speak unto the children of Israel, and say unto them, When ye are passed over Jordan into the land of Canaan; 33:52 Then ye shall drive out all the inhabitants of the land from before you, and destroy all their pictures, and destroy all their molten images, and quite pluck down all their high places:

In the beginning Lucifer told one truth and another lie but the truth was you shall be as gods

knowing good and evil. The very nature of who man is both good and evil. The music such as blues appeals to the feeling of lost love and disappointment rather than the focus on happiness and goodness. It rings a cord with people's struggles with their thoughts and feelings. These thoughts and feelings of the fallen nature betray us and leave us in darkness. Man chooses between two trees- the

tree of knowledge of good and evil, his natural state of being- which suits self to different levels of self-destruction or the tree of life or truth.

Humanity chooses between the tree of the knowledge of good and evil or the tree of life. Yin and yang, black and white, good and evil represent the fallen nature of man but God gives us another choice.

Genius, talent, sympathy, even generous and kindly deeds, may become decoys of Satan to entice other souls over the precipice of ruin for this life and the life to come.—Mount of Blessing, pages 94, 95 (1896). 99% of the time it is not pure evil but that which is appealing, with acts of kindness and messages of love that take us into the trap.

Whatever sexual abuse or destructive music influences, ranging from self-pitying blues to death metal or punk, Satan can infuse from the early years his sentiments and he uses this as a drawing stick to the person in later years, dragging him or her down to destruction. Through drugs, music, untamed passions, the media, the wars, we have an insanity going down and judgements are about to become reality. We could summarize this age in the light of what God has made available as the age of idiocy.

The very sins that brought upon Sodom the fire of destruction are practiced today, and are fast ripening the world for the day of final doom. Indulgence in intoxicating liquor and in licentious practices, is common in all our cities and villages, and the last great day is hastening upon the world. {RH, May 1, 1894 par. 3}

Today in the media we are being swamped by the occult, by harsh drugs like ICE and lawlessness. Old, young and everyone in between are not safe and God is giving us a warning: The Lord calls for His people to locate away from the cities, for in such an hour as ye think not, fire and brimstone will be rained from heaven upon these cities. Proportionate to their sins will be their visitation. When one city is destroyed, let not our people regard this matter as a light affair, and think that they may, if favorable opportunity offers, build themselves homes in that same destroyed city. . . . {LDE 95.3}

The line of development is the coming of Lucifer to counterfeit the second coming of Jesus. His method is to use opposing events to bring about the desired result together with the acceptance of false teachings that are given a Christian name. His counterfeit is not for those who are already on his side but for those that have not already joined the wide road to destruction.

Lucifer can only work by consent through human agencies. In the USA he works with greatest energy to use its power and technology to bring about a world crisis and that which was allowed to warn the world, liberty and freedom, is turned to destroy. Where there was great light as given to ancient Israel, so also the USA enjoyed God's richest blessings in its foundation, in their rejection of this light with intended changes to its constitution, great darkness follows.
