
Climate change a sign of the times

If you can discern the face of the sky, why do you not discern the signs of the times?

The developed governments of the world have been waging weather warfare across the world for at least 6 decades but the lead nation is the USA. It is very simple to look at the history of these things yet most people have little understanding on the subject, being influenced by governmental and media push for the 2030 agenda for a Green Planet. This has huge implications for current world policies, our liberties and way of life and what should be addressed in climate change talks. Instead of the citizens of the world being primarily responsible for the climate catastrophe, responsibility lies with leaders and the science in developed nations that disrupt the natural weather patterns.

The idea for a clean, healthy planet is great but the organisations behind the push have their own agenda in mind. If we look up Geneva weather modification 1977 on Google, we can see that weather modification is a serious threat 5 decades ago. Like bioweapons that were banned by a national agreement in 1972 (The Biological Weapons Convention, or Biological and Toxin Weapons Convention), weather used for destructive purposes or war was also banned. Let's take an example of what just happened to the world to bring it into line with the UN, world economic forum,

Rothchild, Rockefeller, Vatican interests. The false science of gain-of-function in name of good medicine and health just contaminated the world with Covid 19, having multiple purposes to put into gear a New World Order. Viral

contamination to infect human populations was the result of gain-of-function work in laboratories across the world but in particular by the USA, by the CIA. News concerning the cause of the covid outbreak leads us to Jesuit trained Dr Fauci and NIH. The USA through Jesuit trained Fauci who heads the US National Institute of Allergy and Infectious Diseases and the US Chief Medical Advisor was responsible for funding the Wuhan lab in China which made the covid virus more deadly and transmissible to humans. What started as a conspiracy theory was the reality. But it didn't stop there. Fauci's connections with the Rockefeller foundation, close communications with Bill Gates in vaccine development and financial interests and close connections to the Vatican are well established. The false medical advice he led out on did not follow science and was politicized, through gene therapy mandates that posed more of a threat to health and liberty than the disease itself.

So, weather modification was banned by the Geneva convention and enforced in 1978 but its research and its destructive implantation has continued as something that is beneficial for us just like the bioweapon gain-of-function scenario.

It is hard for people to believe that the governments of nations or the UN is at war with the people of the nations to destroy capitalism and replace it with a Marxist system. But if we look carefully at the news and not the common television presentations of news, we shall find they plan to place the world under inclusive

capitalism- a Marxist communist system but even worse than this- a technocratic Marxist system and China being the model of such is already there to be seen what sort of future this will mean. Vaccine passports and QR codes are the future for travel, buying and selling and it has been

implemented by the covid lockdowns. Revelation 13:17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

The reason it is hard to see all this is, to normal society family-oriented people is, this is beyond belief. The history, the education on weather modification have never been taught though it has been going on for a long time. And at the back of all of this is the work of the Vatican that can transcend time and nations by influence in education, false sciences (another example of this is the Big Bang Theory which comes from a Jesuit Priest and follows Aristotle cosmology- Greek philosophy), governmental positions, wealth and power. Follow the money trail from the old world to the new or better still follow the words of prophetic utterance.

Revelation 13:2 And the beast which I saw was like unto a leopard, and his feet were as [the feet] of a bear, and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority. 13:3 And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast. This is speaking of all the pagan empires that those beasts represented before the Papacy was established to morphed into one amalgamation. The body of the beast is a leopard representing Greek philosophy which the Papacy follows and mixes in with their understanding of scripture. A false science, a false understanding of scripture.

Thus, the false science of the present day, which undermines faith in the Bible, will prove as successful in preparing the way for the acceptance of the papacy, with its pleasing forms, as did the withholding of knowledge in opening the way for its aggrandizement in the Dark Ages. {GC 572.3} Climate change and the CO2 problem is at best a half truth and a half truth equals a lie.

The success of the Vatican at this time is staggering. On the one hand unprecedented paedophilia amongst clergy and at the same time every nation of the world being tied into the Pope's encyclical on climate change, the document forming the basis for the Paris agreement. Revelation 17:1 Come hither; I will show unto thee the judgment of the great whore that sitteth upon many waters: 17:2 With whom the kings of the earth have committed fornication, and the inhabitants of the earth have been made drunk with the wine of her fornication. 17:15 And he saith unto me, The waters which thou sawest, where the whore sitteth, are peoples, and multitudes, and nations, and tongues.

Just how big will this go? Revelation 17:18 And the woman which thou sawest is that great city, which reigneth over the kings of the earth.

New York's cardinal Spellman declared the Vietnam War a Holy War and it was the first time that weather was seriously used as a weapon in warfare. (That is not to mention the many other crimes of this war such as heroin used to fund the war) How much did the Vatican know of this? Well, the CIA is not nicknamed 'catholic intelligence' for nothing and has a seat in the Vatican from early post WWII times after the Pope called on the CIA head- Bill Donovan, heading up the newly formed spy organization to take care of the communist threat in Italy. Communism is only a threat to the Papacy when the Papacy is not controlling it or its on its back door. Today the United Nations and Vatican through climate change under the guise of saving the planet is the biggest threat to civil and religious liberties. It is though the Papal mark of worship, Sunday sacredness, that the Vatican is waiting to present a solution to the world- Sunday rest, as a day of rest and care for our planet.

On Sunday, our participation in the Eucharist has special importance. Sunday, like the Jewish Sabbath, is meant to be a day which heals our relationships with God, with ourselves, with others and with the world. Sunday is the day of the Resurrection, the "first day" of the new creation, whose first fruits are the Lord's risen humanity, the pledge of the final transfiguration of all created reality. It also proclaims "man's eternal rest in God". In this way, Christian spirituality incorporates the value of relaxation and festivity. We tend to demean contemplative rest as something unproductive and unnecessary, but this is to do away with the very thing which is most important about work: its meaning. ... Rest opens our eyes to the larger picture and gives us renewed sensitivity to the rights of others. And so the day of rest, centred on the Eucharist, sheds its light on the whole week, and motivates us to greater concern for nature and the poor. *Laudato Si'*, 237 If anyone has an ounce of knowledge on the Ten Commandments and the day of worship Christ kept and said if you love me keep my commandments that was a commemoration of creation, then they would realise these strikes against God's clearest instructions that relate to salvation. Note once again every nation on the planet is signed into this encyclical the content of which we have just read. **Ecocide:** that is the heedless or deliberate destruction of the natural environment, as by pollutants or an act of war shall become international law as it is already law in France.

In this generation there are many whose eyes become dazzled by the glare of human speculations, "science falsely so called;" they discern not the net, and walk into it as readily as if blindfolded. God designed that man's intellectual powers should be held as a gift from his Maker and should be employed in the service of truth and righteousness; but when pride and ambition are cherished, and men exalt their own theories above the word of God, then intelligence can accomplish greater harm than ignorance. Thus the false science of the present day, which undermines faith in the Bible, will prove as successful in preparing the way for the acceptance of the papacy, with its pleasing forms, as did the withholding of knowledge in opening the way for its aggrandizement in the Dark Ages. {GC 572.3}

The Papal institution of its times and laws are the mark of its authority. Daniel 7:25 Sunday sacredness the mark of Papal authority can easily be implemented at this time through the elected

supreme court judges in the USA under Trump, catholic intelligence-CIA and Biden following the Pope's Vatican II outline. "It is about who will hold and **wield the dual power of authority and control over each of us as individuals and over all of us together as a community; over the entire six billion people expected by demographers to inhabit the earth by early in the third millennium.**" 'Keys of this Blood' by Jesuit Priest Malachi Martin. Revelation 13:11 And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon. 13:12 And he exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed.

“THE JESUITS ARE A MILITARY ORGANIZATION, NOT A RELIGIOUS ORDER. THEIR CHIEF IS A GENERAL OF AN ARMY, NOT THE MERE FATHER ABBOT OF A MONASTERY. AND THE AIM OF THIS ORGANIZATION IS POWER – POWER IN ITS MOST DESPOTIC EXERCISE – ABSOLUTE POWER, UNIVERSAL POWER, POWER TO CONTROL THE WORLD BY THE VOLITION OF A SINGLE MAN. JESUITISM IS THE MOST ABSOLUTE OF DESPOTISMS – AND AT THE SAME TIME THE GREATEST AND MOST ENORMOUS OF ABUSES.”
NAPOLEON I (I.E., NAPOLEON BONAPARTE; 1769-1821; EMPEROR OF THE FRENCH)

Now this idea of creating a problem and presenting a solution called the Hegelian dialectic is 'PROBLEM-REACTION-SOLUTION' has already been used. Covid 19 was the problem, the reaction was to shut down much of society and small business, while giving monopolies even greater power and at the G20 2021 they will discuss Build, Back, Better. Destroying capitalism is in the Vatican's, big business interest and 'destroy capitalism' is the words from their own lips..

The problem is created when for example China spend billions on weather manipulation, when countries like Germany can direct lighten strikes, using satellites to created artificial auroras, when cloud seeding is used to turn on the rain and we unable to turn it off as in Tasmania in 2016. The US has advanced weather manipulation capabilities using electromagnetic warfare through ground and satellite installations. We have a problem and it not so much the people but a false science. The people of the planet have become drunk with the wine of her fornication.

There is a threefold union of 1. apostate Protestantism- there is no protest against the Papal policies being implemented in Protestant America, 2. the Vatican's people in key positions in the USA and the close relationship to occult in the 3. United Nations through the Lucis trust and Gaia.

When Protestantism shall stretch her hand across the gulf to grasp the hand of the Roman power, when she shall reach over the abyss to clasp hands with spiritualism, when, under the influence of this threefold union, our country shall repudiate every principle of its Constitution as a Protestant and republican government and shall make provision for the propagation of papal falsehoods and delusions, then we may know that the time has come for the marvelous working of Satan and that the end is near.--5T 451 (1885). {LDE 131.4} In other words when Protestant America through the deception of the ecumenical movement a Vatican II initiative, shall join with the Power of the church of Rome joining hands through the influence of spiritism that permeates the United Nations and its policies through the Mother earth movement of Gaia and the Lucis Trust which is a Luciferian organisation; this union will reject every principal of that which made it a Protestant nation and republican government under the blessing of God and make way for the marvellous manifestation of demonic forces and persecution that will be implemented through her leadership worldwide.

It is in the above context that this prophetic utterance from the 1800s can be understood. "**I saw that soon it would be considered blasphemy to speak against the rapping (occult manifestations), and that it would spread more and more**, that Satan's power would increase and some of his devoted followers would have power to work miracles and even to bring down fire from heaven in the sight of men." Early Writings published 1882. If you can't see this you need to look further into Gaia and the Lucis Trust and its influence on policies for the UN.

The abuse of technology under a false science has led us to this positions with spiritual leader wrapped up in the occult with their secret societies passing down their policies for world government.

Zbigniew Brzezinski : "Technology will make available to the leaders of major nations, techniques for conducting secret warfare, of which only a bare minimum of the security forces need be appraised.....techniques of weather modification could be employed to produce prolonged periods of drought or storm.

The technotronic era involves the gradual appearance of a more controlled society. Such a society would be dominated by an elite, unrestrained by traditional values. Soon it will be possible to assert almost continuous surveillance over every citizen and maintain up-to-date complete files containing even the most personal information about the citizen. These files will be subject to instantaneous retrieval by the authorities." **Zbigniew Brzezinski**, security adviser to Democratic President Jimmy Carter and a long-time proponent of an aggressive strategy for asserting US global hegemony. Instrumental in working with John Paul II to bring down the USSR.
