Is the time in which we live. The images of prophetic fulfillment are all around us in the rapidly unfolding news events which are part of prophetic fulfillment. In Revelation 13 we find the leopardlike beast from the sea with paws of bear and mouth of a lion, ten horn and full of blasphemy. The dragon gives this beast its power and great authority. The beast from the earth has two horns like a lamb but speaks as the dragon.

"These have one mind." There will be a universal bond of union, one great harmony, a confederacy of Satan's forces. "And shall give their power and strength unto the beast."

'I saw that soon it would be considered blasphemy to speak against the rapping.' (E G White 1888)
The occult agenda that started with the Fox Sisters was taken up by Blavatsky, while Alice Bailey having sat at the feet of Blavatsky formed the Lucis Trust as a spiritual guide for the United Nations.

1844 The great awakening of the prophecies of Daniel and Revelation and the gospel through an understanding of Bible truths. This was a fulfilment of Revelation 10 'little book' opening or unsealed being the book of Daniel which was sweet as honey but bitter to the belly, describes the great disappointment of 1844. The opening of a new dispensation for the outpouring of the Holy Spirit. 'Time no longer.' The erection of an immovable platform. The opening of the era of modern communication with the invention of the telegraph. Daniel 12:4 But thou, O Daniel, shut up the

words, and seal the book, [even] to the time of the end: many shall run to and fro, and knowledge shall be increased. (Revelation 10)

Understanding the gospel:

The faith of Jesus Christ is more than registration in the books of heaven by which a person is acquitted for their sins but the power of God unto salvation. A divine experience is entered into as we petition God for gifts that would fit us for the work of saving souls. We are live by faith in His word and that Word is Spirit and is life- that is to life eternal. John 6:63 It is the spirit that quickeneth; the flesh profiteth nothing: the words that I speak unto you, [they] are spirit, and [they] are life.

When I was a child, I acted as a child and I hid my sins and those that were exposed I got punished for, for I was under the curse of the law. But now that I have grown up and have a relationship with my father and mother I no longer need to be punished to behave well. I love my parents and have a mature understand of who they are and all they have done for me and so I live by faith and what is that faith? 'You may say that you believe in Jesus, when you have an appreciation of the cost of salvation. You may make this claim, when you feel that Jesus died for you on the cruel cross of Calvary; when you have an intelligent, understanding faith that his death makes it possible for you to cease from sin, and to perfect a righteous character through the grace of God, bestowed upon you as the purchase of Christ's blood.'

Such a faith cannot be appreciated when we do not understand the state of the dead in its true sense for Christ died for us the second death. He did not go to heaven when He died. He said to Mary in the garden after the resurrection, touch me not for I have not ascended to my Father. Such a faith cannot be obtained when we do not understand the 'daily' experience, which refers to Christ in the heavenly sanctuary, asking and praying to remain in the Spirit and have the attributes of Christ. Such an experience is to fit 144000 for translation because they are settled into the truth of Jesus and understand the deception of the enemy and such a faith is made perfect by entering to special time that God sanctified or made Holy and said to remember.

Faith is above the law for it has turned off the culture of the world and friends with its good and evil mentality, for I love God and have entered into a relationship with Him and know He is near and my thoughts and actions are conformed to the likeness of Jesus. I have a different understanding of the world and what is truth according to God's Word. I am guided by prophecy and Biblical health principles and I am attracted to the Words and life of Jesus.

Something more about the faith of Jesus it remains in the present and it does not matter about the past for by grace are ye saved not of works lest any man should boast. 'There is not a point that needs to be dwelt upon more earnestly, repeated more frequently, or established more firmly in the minds of all than the impossibility of fallen man meriting anything by his own best good works. Salvation is through faith in Jesus Christ alone.'

Immovable platform Sealing (Revelation 7:1,2)

I saw a company who stood well guarded and firm, giving no countenance to those who would unsettle the established faith of the body. God looked upon them with approbation. I was shown three steps-- the first, second, and third angels' messages. Said my accompanying angel, "Woe to him who shall move a block or stir a pin of these messages. The true understanding of these messages is of vital importance. The destiny of souls hangs upon the manner in which they are received. {Early Writings 1882 p258, 259}

1844 December: A young woman was given a vision of people traveling a narrow pathway up to the city of God. This message was about the preparation of God's people for translation- 144000.

1848 Fox Sister rappings gives rise to modern spiritism. (Satan's counter offensive) **Prophecy:** 'I saw that soon it would be considered blasphemy to speak against the rapping, and that it would spread more and more, that Satan's power would increase, and some of his devoted followers would have power to work miracles, and even to bring down fire from heaven in the sight of men.' Early Writing by E G White p86 1882

1863 The gospel of health given to God's people at the time the church became an organization

The laws governing the physical nature are as truly divine in their origin and character as the laws of the ten commandments. Man is fearfully and wonderfully made.

1870s There is an explosion of the occult across America with 'seances in every American city' (This is the time Madam Blavatsky visits the US to see **brothers** William and Horatio Eddy who were famous mediums)

1888 The message of righteousness by faith – a clear call is given to the church to join in the divine human nature of Christ and His perfection by living faith.

The third angels 'message was to bring more prominently before the world the uplifted Saviour, the sacrifice for the sins of the whole world. It presented justification through faith in the Surety; it invited the people to receive the righteousness of Christ, which is made manifest in obedience to all the commandments of God. Many had lost sight of Jesus. They needed to have their eyes directed to His divine person, His merits, and His changeless love for the human family. All power is given into His hands, that He may dispense rich gifts unto men, imparting the priceless gift of His own righteousness to the helpless human agent. This is the message that God commanded to be given to the world. It is the third angel's message, which is to be proclaimed with a loud voice, and attended with the outpouring of His Spirit in a large measure. {Ev 190.4} Then the human agent had only to ask for the blessing, and wait for the Lord to perfect the work concerning him. It is God who began the work, and He will finish His work, making man complete in Jesus Christ.'

An unwillingness to yield up preconceived opinions, and to accept this truth, lay at the foundation of a large share of the opposition manifested at Minneapolis against the Lord's message through Brethren [E.J.] Waggoner and [A.T.] Jones. By exciting that opposition Satan succeeded in shutting away from our people, in a great measure, the special power of the Holy Spirit that God longed to impart to them. The enemy prevented them from obtaining that efficiency which might have been theirs in carrying the truth to the world, as the apostles proclaimed it after the day of Pentecost. {1 Selected Messages Chap. 31 - The Law in Galatians p234, 235, by EG White}

In 1888 the brethren rejected the message that faith alone had the power to perfect Christ's character in the recipient.

'We may have to remain here in this world because of insubordination many more years, as did the children of Israel; but for Christ's sake, His people should not add sin to sin by charging God with the consequence of their own wrong course of action'.--Letter 184, 1901. {Ev 696.3}

Ephesians 4:13 Till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fulness of Christ:

As we seek God for the Holy Spirit, it will work in us meekness, humbleness of mind, a conscious dependence upon God for the perfecting latter rain. If we pray for the blessing in faith, we shall receive it as God has promised. {TM 508.2}

1888 The Spirit of Antichrist is seen in the work of the Medium (Occultist) Madam Blavatsky who publishes 'The Secret Doctrine' and formalises Spiritism as a religion. Lucifer is one of the ascended masters of wisdom and saviour of the world says Blavatsky. Blavatsky states that many secret societies stem from the sons of Loyola.

1962 Coronavirus first isolated by Dorothy Hamre at the University of Chicago in 1962 when she analyzed tissue cultures of students with colds. two research teams, one led by David Tyrrell in England and another by Ken McIntosh in the U.S., independently isolated two additional human coronaviruses, B814 and OC43, respectively. The saying for such a long time and in television ads was they can send man to the moon but they still can't cure the common cold. In 2017 the Guardian says Scientists today identify seven virus families that cause the majority of colds: rhinovirus, coronavirus, influenza and parainfluenza virus, adenovirus, respiratory syncytial virus (RSV) and, finally, metapneumovirus. After thousands of years of failure, some scientists believe a breakthrough might finally be in sight. Scientists first attempted to make a rhinovirus vaccine in the 1950s. They used a reliable method, pioneered by French biologist Louis Pasteur in the 1880s, in which a small amount of virus is introduced to a host in order to provoke a defensive immunological reaction that then protects the body from subsequent infection. **Even so, those who had been vaccinated caught colds just as easily as those who had not.**

2013 June 9: Edward Snowden reveals NSA mass surveillance and finds refuge in Russia. Mass surveillance targets American citizens thus breaching US law through a program called PRISM. Facebook, Google, Microsoft, Yahoo, PalTalk, AOL, Skype, YouTube and Apple give the NSA direct access to its users' information. PRISM was launched from the ashes of President George W. Bush's domestic surveillance programs, which were abandoned due to lawsuits. Microsoft became PRISM's first partner in 2007 and the NSA began collecting vast amounts of data from its servers.

2015 June 18th: [The Paris Agreement based on Pope's Encyclical Li](#). Almost every nation in the world is a signatory to the Paris Agreement based on Pope's Encyclical Laudato Si'. Central to Laudato Si' is Sunday rest the end goal of this encyclical. The secret to the Vatican's power is its own time and laws Daniel 7:25, that oppose the 10 commandments of God. International Sunday law will be implemented as a solution to the 'climate crisis.'

The Sunday movement is now making its way in darkness. The leaders are concealing the true issue, and many who unite in the movement do not themselves see whither the undercurrent is tending. . . . They are working in blindness. They do not see that if a Protestant government sacrifices the principles that have made them a free, independent nation, and through legislation brings into the Constitution principles that will propagate papal falsehood and papal delusion, they are plunging into the Roman horrors of the Dark Ages.--RH Extra, Dec. 11, 1888. {LDE 125.3}

Exodus 20:8 Remember the sabbath day, to keep it holy. 20:9 Six days shalt thou labour, and do all thy work: 20:10 But the seventh day [is] the sabbath of the LORD thy God: [in it] thou shalt not do any work, thou, nor thy son, nor thy daughter, thy manservant, nor thy maidservant, nor thy cattle, nor thy stranger that [is] within thy gates: 20:11 For [in] six days the LORD made heaven and earth, the sea, and all that in them [is], and rested the seventh day: wherefore the LORD blessed the sabbath day, and hallowed it.

Exodus 31:13 Speak thou also unto the children of Israel, saying, Verily my sabbaths ye shall keep: for it [is] a sign between me and you throughout your generations; that [ye] may know that I [am] the LORD that doth sanctify you.

In the New Testament gospels there are 45 references to the 7th Day Sabbath as the day Jesus kept in commemoration of man's creation and His relationship with Him as a day sanctified and God made Holy.

And Jesus said John 14:21 He that hath my commandments, and keepeth them, he it is that loveth me: and he that loveth me shall be loved of my Father, and I will love him, and will manifest myself to him. 14:22 Judas saith unto him, not Iscariot, Lord, how is it that thou wilt manifest thyself unto us, and not unto the world? 14:23 Jesus answered and said unto him, If a man love me, he will keep my words: and my Father will love him, and we will come unto him, and make our abode with him.

Says Pope's Encyclical Li "On Sunday, our participation in the Eucharist has special importance. Sunday, like the Jewish Sabbath, is meant to be a day which heals our relationships with God, with ourselves, with others and with the world. Sunday is the day of the Resurrection, the "first day" of the new creation, whose first fruits are the Lord's risen humanity, the pledge of the final transfiguration of all created reality. It also proclaims "man's eternal rest in God". Thinking to change God's law and adding to this the Pope's 10 commandment on climate change firmly attaching himself to spiritism (luciferian teachings).

The mark of the beast is exactly what it has been proclaimed to be. Not all in regard to this matter is yet understood nor will it be understood until the unrolling of the scroll.--6T 17 (1900). {LDE 17.2} Now we understand better the green cover of the mark of the beast to implement a national Sunday law for ecological reasons.

2016 ‘You’ll own nothing and be happy’ is a phrase originated by Danish Politician Ida Auken taken up by the World Economic Forum. What seems an outrageous concept would become clear in 2023. Following lockdowns, we enter the period of the world economy that is non-free-market-based, industrial-policy based and structurally inflationary which means international corporations would direct society through economic pressure. Industry can dictate leasing or subscribing to a product rather than ownership. The Popes have for a long time spoken against capitalism and private ownership while enriching themselves through capitalism.

"Global climate is by its very nature a part of the **planetary commons**. The earth's atmosphere encompasses all people, creatures, and habitats. The melting of ice sheets and glaciers, the destruction of rain forests, and the pollution of water in one place can have environmental impacts elsewhere..." 2001 statement, the US Conference of Catholic Bishops. "Furthermore, the state has the duty to prevent people from abusing their private property to the detriment of the common good. By its nature private property has a social dimension which is based on the law of the common destination of earthly goods. Whenever the social aspect is forgotten, ownership can often become the object of greed and a source of serious disorder, and its opponents easily find a pretext for calling the right itself into question." Gaudium et spes POPE PAUL VI. 1965 Of course the aim of the Papacy is church and state in which the church controls the state.

"All right whatsoever, including those of property and of free commerce are to be "subordinated" to this principal of the common good. Populorum Progressio POPE PAUL VI 1967 All your rights says the pope are subordinate to the common good including your life and freedom of speech. The Wall Street Journal labelled the encyclical "warmed-over Marxism."

The Roman Church, with all its ramifications throughout the world, forms one vast organization, under the control, and designed to serve the interests, of the papal see. Its millions of communicants, in every country on the globe, are instructed to hold themselves as bound in

allegiance to the pope. Whatever their nationality or their government, they are to regard the authority of the church as above all other. Though they may take the oath pledging their loyalty to the State, yet back of this lies the vow of obedience to Rome, absolving them from every pledge inimical to her interests.

Protestants little know what they are doing when they propose to accept the aid of Rome in the work of Sunday exaltation. While they are bent upon the accomplishment of their purpose, Rome is aiming to re-establish her power, to recover her lost supremacy. {Great Controversy by E G White published 1888 p580}

For two years past, the Lord has shown me in vision, repeatedly, that it is contrary to the Bible to make any provision for our temporal wants in the time of trouble. I saw that if the saints have food laid up by them, or in the fields, in the time of trouble when sword, famine, and pestilence are in the land, it will be taken from them by violent hands and strangers would reap their fields. Then will be the time for us to trust wholly in God, and he will sustain us. I saw that our bread and water would be sure at that time, and we should not lack, or suffer hunger.-- The Lord has shown me that some of his children would fear when they see the price of food rising, and they would buy food and lay it by for the time of trouble. Then in a time of need, I saw them go to their food and look at it, and it had bred worms, and was full of living creatures, and not fit for use. {Broadside2 - To Those who are receiving the seal of the living God published 1849}

The cries of humanity from India, from Africa, from China and from many places, are going up to God. Misery and anguish and physical suffering are coming up before him, and the Lord will soon sweep the earth of its moral corruption,--not by a sea of water as in Noah's day, but by a sea of fire that can not be quenched by any human devising. Admonitions are given to the inhabitants of the earth who are corrupting their ways before God, who are plucking of the tree of the knowledge of evil to the ruin of human beings. 2023 March 12th: 1st year of NWO says the Trilateral commission on their 50th anniversary with first international meeting. "What will be a multidecade period of globalization defined as fragmented, not-free-market-based but industrial-policy based and structurally inflationary. This year, **2023, is Year One of this new global order.**" The general trend of companies shifting from the traditional pay-per-product model to a subscription business model. Subscription for everything from clothes to cars to washing machines, absolutely everything. Clothes given a QR code. The end of ownership is the end of capitalism.

That night I dreamed that I was in Battle Creek looking out from the side glass at the door and saw a company marching up to the house, two and two. They looked stern and determined. I knew them well and turned to open the parlor door to receive them, but thought I would look again. The scene was changed. The company now presented the appearance of a Catholic procession. One bore in his hand a cross, another a reed. And as they approached, the one carrying a reed made a circle around the house, saying three times: "This house is proscribed. The goods must be confiscated. They have spoken against our holy order." Terror seized me, and I ran through the house, out of the north door, and found myself in the midst of a company, some of whom I knew, but I dared not speak a word to them for fear of being betrayed. I tried to seek a retired spot where I might weep and pray without meeting eager, inquisitive eyes wherever I turned. I repeated frequently: "If I could only understand this! If they will tell me what I have said or what I have done!" {1T 577.2}

Houses and lands will be of no use to the saints in the time of trouble, for they will then have to flee before infuriated mobs, and at that time their possessions cannot be disposed of to advance the cause of present truth. . . . {Early Writing published 1882}

Americans do not possess official ID.⁷² Several reports have identified a link between a lack of official ID and exclusion from full participation in society. Yet by reifying conditional access, ID is, by its very nature, exclusionary. It is often members of historically marginalized groups who face the harshest forms of exclusion.⁷³ The majority of digitally excluded individuals worldwide are women.⁷⁴ In cases where sensitive data is collected, there are also risks of marginalization and oppression, with ID being used to facilitate the identification, surveillance and persecution of individuals or groups.⁷⁵

2023 June 13th: We Need 7 Years of Accelerated, Transformative Action to Achieve SDGs says the United Nations.

'The recently released 'Report of the Secretary-General on Progress towards the Sustainable Development Goals' draws on the latest data to sound the alarm for action. Of the roughly 140 targets with data, only about 12% are on track to be achieved by 2030; close to half, though showing progress, are moderately or severely off track; and some 30% have either seen no movement or regressed below the 2015 baseline.' Delivering change at the speed and scale required to achieve the SDGs by 2030 will demand that political leaders make bold decisions to match their ambitions. It will require transferring resources from one sector to another, creating new regulatory environments, deploying new technologies, and mobilizing of a wide range of actors to **advance disruptive change**. Doing so can strengthen trust and social cohesion.

2023 July 1st: New Heritage laws in Western Australia are a sign of things to come, ahead of constitutional changes to Australia. Pay an aboriginal consultant up to \$160.00/hour, obtain a permit for their own land, seek advice if more than 50cm of soil is disturbed, will affect properties from 1100m2. "This is just more regulation, more red tape, an entirely new massive unelected, unaccountable bureaucratic apparatus that basically renders any notion of private property obsolete in Western Australia."

When Protestantism shall stretch her hand across the gulf to grasp the hand of the Roman power, when she shall reach over the abyss to clasp hands with spiritualism, when, under the influence of this threefold union, our country shall repudiate every principle of its Constitution as a Protestant and republican government and shall make provision for the propagation of papal falsehoods and delusions, then we may know that the time has come for the marvelous working of Satan and that the end is near.--5T 451 (1885). {LDE 131.4}

Men of faith and prayer will be constrained to go forth with holy zeal, declaring the words which God gives them. The sins of Babylon will be laid open. The fearful results of enforcing the observances of

the church by civil authority, the inroads of Spiritualism, the stealthy but rapid progress of the papal power,--**all will be unmasked.** By these solemn warnings the people will be stirred. Thousands upon thousands will listen who have never heard words like these. 2023 July 21st: The economic remodelling to a Well-being framework. The Australian government will take into account life expectancy, inclusion and sustainability, among other indicators, to prepare its budget after releasing its first national well-being framework on Friday. This initiative, similar to those previously adopted by New Zealand, Scotland and Canada, is based on 50 indicators in five categories: health, security, sustainability, cohesion and prosperity. This comes as people are battling to put a roof over their head with rising house and food costs. We are living in a Catholic frame work.

What is the end goal? Pope presents Sunday Rest as the solution to the world’s climate change woes!

Matt 4:8,9 The devil taketh him up into an exceeding high mountain, and showeth him all the kingdoms of the world, and the glory of them; And saith unto him, All these things will I give thee, if thou wilt fall down and worship me.

Rev 13:8 And all that dwell upon the earth shall worship him, whose names are not written in the book of life of the Lamb slain from the foundation of the world.

What has been holding up the coming of Christ all these years? The truth given to God's people has like the Jews who were depositories of truth been rejected. Here we are on the way to the promised land being hedged with in with fear and doubt. We need to reexamine righteousness by faith to meet the mountain of circumstances that is headed toward us.
