

Intro to Revelation of Jesus Christ which God gave to Him

To show unto His servants things which must shortly come to pass.

Matthew 3:11 He shall baptize you with the Holy Ghost, and with fire:

Central to the plan of salvation was the cross & as Jesus had a cross to bear so also his followers that they might be transformed into His image. The cross was unnecessary except that it transforms the thoughts & feelings into the likeness of God's character. John 13:16 The servant is not greater than his lord; neither he that is sent greater than he that sent him. Christ was sent by His Father to save us. Christ Himself declares that His Father is greater than Himself. The atonement shows the depth of depravity of the human heart.

Having paid the ransom for our salvation, Jesus finished the first part of His work & ascended up into heaven, continuing His work as our High Priest. This is important to understand, for Christ's ministry did not finish at the cross but 'daily' from the Holy place he was working with the Father and the Holy Angels to administer the Word & His omnipresence so the believer would be transformed in character into the likeness of the Father. To be saved God's spirit must be given in full to seal the believer for everlasting life.

Living creatures or cherubim surround the Father's throne. They are full of eyes inside & out. These creatures with angels' wings & the faces of men & animals seem strange yet their purpose is to represent the character of God. These creatures at the throne of God are described in Ezekiel 1 & Revelation 4. Ezekiel 10 tells us these living creatures are cherubim before the throne of God.

The faces of the cherubim reflect the attributes of God, that we must acquire.

1. The lion of the tribe of Judah
2. The sacrificial ox symbolize strength, service, and the atonement for sins.
3. Christ humanity which links us to His divinity
4. He bears His people on eagles wings.

At the cross the first part of redemption was finished

The law demands the death of the sinner- thou shalt not have any other Gods before me. The nature of mankind was altered to self-serving & self-destruction when God's commandments were broken, as evidenced in the world today. To meet the demands of the law through the sacrifice of Christ, the demonstration of God's love to save us would focus the degenerate mind on God's love & inspire change. The necessary change would be the gift of God's divine presence in the life.

Revelation 1: Christ walking between the 7 churches represented as oil lamps, who by His Spirit are to be a light unto the world.

The gift of Christ's presence changes the thoughts & feelings: It is expedient for you that I go away: for if I go not away, the Comforter will not come unto you; but if I depart, I will send him unto you.

Revelation 4 & 5

Reveals what the throne of God in the 1st apartment work is like & shows by the representation of the living creatures before the throne the attributes of the Father as demonstrated in the life of Christ & which God's people are to acquire for themselves. The opening of the seals in Revelation 5 presents the events that God will use to shape His people, preparing them for eternal life.

2 angels- the Angel of the Lord, who is divine, having been begotten & the other fallen angel as a lion seeking whom he may devour.

The lion of the tribe of Judah vs the roaring lion seeking whom he may devour. Lucifer is described as a lion as also Babylon symbolised by the lion with eagles wings.

The Revelation of Jesus Christ

which God gave to Him

To show unto His servants things which must shortly come to pass.

Matthew 3:11 He shall baptize you with the Holy Ghost, and with fire:

The Holy Place of the earthly sanctuary is to teach us of the work of heaven to change the heart of the believer

A door is open for John to see straight into the Holy Place where Christ ascended to the throne of God in the side of the North. The word is given from the Father to the Son. And from the Son to His angel, to the prophet & then to the people of God. Cherubim surround & are within the throne of God. His hand can be seen from underneath, guiding the cherubim. Surrounding the throne are 24 elders, those already redeemed and wearing white robes & a victory crown

The counterfeit gospel brought in theories that would remove the pillars of faith concerning the personality of God & of Christ. The Council of Nicea established the antichrist teachings while acknowledging the supremacy of the Bishop of Rome as a persecutor of the faithful. The pontifex maximus high priest of pagan Rome, morphed into a position that only God & His Son were entitled to hold. The dragon gave this little horn power, his seat, power & great authority. Through the papacy the the dragon looks to control all the world & kill God's people. God has allowed this contrast to remain.

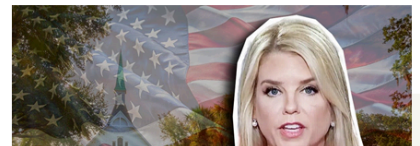

Only Christ is worthy to be our High priest being touched with all our infirmities yet without sin. This is in contrast to the man of sin.

Revelation 13: The deception becomes even more powerful as the Papacy infiltrates the once Protestant Republic to form an image of the beast. This is described as a beast with 2 horns as a lamb, but speaks as a dragon. The last persecuting power before the second coming of Jesus. The image will reflect the persecution of the Dark Ages as fallen Protestant churches & Catholicism unite to restrict freedom & persecute God's commandment-keeping people. God's commandment-keeping people are denoted as those who have the faith of Jesus and keep His commandments. The US Constitution of separation of church & state has already been overthrown under the bus as the Trump administration dissolved the separation of church & state with the DOJ joined to the Department of Faith. The equivalent of what was formed the inquisition..
