

An insight into prophetic events in real time

'The people of our land need to be aroused to resist the advances of this most dangerous foe to civil and religious liberty!'

In Canberra, as it is in Rome: here come the Jesuits

The newly crowned Pope has raised the profile of an order with links to power in Australia.

The election of Argentinean Cardinal Jorge Mario Bergoglio last month as leader of the world's billion Catholics delivered a litany of firsts - he was the first to take the name Francis, the first Pope from South America and he was the first Jesuit.

Unique among Catholic religious orders, Jesuits take a fourth vow: While they all promise poverty, chastity and obedience, only Jesuits pledge obedience to the Pope.

The greatest threat to civil & religious liberty today is the church's influence over the state

How civil & religious freedoms are being stolen:

- Papacy is looking to regain the power she lost in the old world. She is looking to do this through the most powerful nation on the face of the earth. Revelation 13 predicts this.
- Jesuit Malachi Martin plainly states: It is about who will hold & wield the dual power of a & over all of us together as a community; over the .. inhabits." referring to Vatican US colaberation.
- We are told in Revelation 13:2 the dragon (Satan) gives him (Papacy) his power, seat & great authority
- The Pope offers peace, to be the middleman negotiator, while destroying nations, Daniel 8:25
- All the nations are following the beast from the unholy see, either through the Paris Agreement or Christian nationalism, Revelation 13:3
- Behind Marxism & left-wing liberalism is Jesuitism. Behind right-wing Christian nationalism is Trump, following the Heritage Foundation, which consults Opus Dei, which the Jesuits inspired. By these revolutionary actions, the US Constitution has been overthrown!
- "The popes have always condemned what is in the First Amendment, free press, free speech, never unlimited free speech, never unlimited free press, always been condemned by the church. They have condemned American-style religious liberty, which is the government can't do anything to punish people who might hurt the faithful & they have always condemned separation of church & state." Quote from Catholic source, 'mic'd up, church militant'.

This interpretation of prophecy is based on historical Seventh-Day Adventism.

Image to the beast in the once Protestant Republic

In 2025, the DOJ has joined the white House Faith Office, departing from separation of church & state, the constitutional foundation of the US & to western freedoms, following Vatican II religious liberty which is to say there will be no liberty except for what is acceptable under state law.

Those who are making an effort to change the Constitution and secure a law enforcing Sunday observance little realize what will be the result. A crisis is just upon us.—E. G. White pub. 1889, Last Day Events p126

When Protestant churches shall unite with the secular power to sustain a false religion, for opposing which their ancestors endured the fiercest persecution, then will the papal sabbath be enforced by the combined authority of church and state. There will be a national apostasy, which will end only in national ruin.—E. G. White pub. 1899, Last Day Events p134

The aim is to bring in Sunday laws as the papacy did in the Dark Ages. The Pope's encyclical Laudato Si' promotes a day of rest for climate change & for the family. Project 2025 is also promoting this child of the Papacy. Daniel 7:25 And he shall speak great or blasphemous words against the most High, & shall wear out the saints of the most High, & think to change times and laws:

Ecumenism, in particular Pentecostalism, with speaking in tongues & prophecies that are not based on God's commandments, is a dangerous expression of occultism, when the so-called moral majority legislates its Christianity through the state.

- The last movements before Christ returns is this one being formed in the US by church & state. The beast from the earth (below right) that has two horns like a lamb, a Christ like persona but speaks as a dragon. Revelation 13:11 It is influenced by the beast from the unholy see. (below middle) Revelation 1:1-3. Behind them is the dragon or Lucifer.

- God's people are those who keep the commandments of God & they have the faith of Jesus. Revelation 14:12 Faith is a gift of the Spirit & not only do His followers keep the commandments of God, but every word that proceeds out of the mouth of God. Matthew 4:4.
- The 4th commandment is a sign or a mark of people's allegiance & their relationship to God. The sign does not save us, for it is a SIGN. But without the sign, we do not belong to God's company. It is a sign of our allegiance & relationship to Him. It is Christ who saves us by the gifts of His Spirit, changing our character into God's image. It is the gift of God to change the thoughts & feelings to eradicate sin from life, as we daily submit to Him, bringing us into harmony with the commandments & attributes of Christ's character.
- Don't be fooled by the education, music, and media of the world, which are a subtle part of life, limiting our Christian walk and prohibiting us from receiving God's Spirit in full.
- John 6:39 And this is the Father's will which hath sent me, that of all which he hath given me I should lose nothing, but should raise it up again at the last day.

To understand the mark of beast we only have to look to God's mark or sign of allegiance in Exodus 31:13 Speak thou also unto the children of Israel, saying, Verily my sabbaths ye shall keep: for it is a sign between me and you throughout your generations; that ye may know that I am the LORD that doth sanctify you. Jesus gave us the 4th commandment & showed us how it was to be kept.
